

Avert Tragedy At Mill River

A near tragedy was averted Sunday afternoon at that part of Mill River known as Long Creek Bridge through the quick action and knowledge of life-saving Miss Norma Horne of Mill River.

An unidentified ten-year-old boy who was out in the water on an inflated inner tube had gone beyond his depth when he lost his grasp and the tube floated away.

In response to his cries for help his mother, also a non-swimmer, attempted to go to his rescue but was unable to reach him. At this point as he was going down for the second time Norma ran into the water, swam out to him and brought him safely to shore.

Norma has had only one year's instruction in a Red Cross swimming course, having passed her junior test two years ago under the guidance of Miss Martha Meyer.

The courageous and skillful rescue was accomplished in the presence of a large number of people who had sought relief from the heat of Sunday afternoon by going to the river. If any reader can supply the identity of the rescued lad it will be greatly appreciated if he will forward it to the Guardian Office at Alberton.

a Halifax Flying Club cub aircraft equipped with floats. He said the engine failed at 800 feet. The plane's floats were badly damaged.

Preparing For Blood Clinics At Tignish, Alberton, S'ide

Three of the Prince County Red Cross Blood Donor Clinics to be held next week are being sponsored by the Canadian Legion branches at Tignish, Alberton and Summerside. At Tignish, Mr. Arthur DesRoches, president of the local Legion Branch is the chairman of the Blood Donor Committee and has teams lined up to canvass the districts in that area for donors. Tignish has an objective of 165 donors for next Monday evening's clinic which will be held in the Legion hall.

Mr. G. G. Bennett of the Alberton Branch of the Canadian Legion there is in charge of the arrangements for the Red Cross Blood Donor Clinic which will be held in the Women's Institute hall on Tuesday afternoon, June 25th, between 2 and 4. Mr. Bennett and his committee are doing a very thorough solicitation for donors in Alberton and the near-

Kensington Will Purchase Second Fire Engine

The adjourned Town Council meeting was held in Kensington Town Hall Monday evening, with Mayor Everett Champlin in the chair. All councillors were present with the exception of Councillor Roberts. Constable Livingstone reported 42 dollars received for fines during the month. Bills amounting to \$976.31 were ordered paid.

Correspondence dealt with included a acknowledgement of a request for paving railway property, also a bid from a firm for opportunity to put in sewage disposal system, an invitation to join in the Summerside Lobster Carnival and an application for a building permit.

The sewage disposal system, project had been postponed due to difficulty in financing. The street committee was authorized to ask for estimates on the paving of School Street and Kelvin Road; and also to ask for estimates on paving Pleasant Street, Francis and Russel Street. In addition, Johnstone Ave. is to be widened. The by-law stating all owners

or occupants of property "shall be compelled to remove all fifth to places of deposit," was read by Town Clerk, Mrs. Kennedy. The policeman was authorized to notify householders that rubbish must be removed within one week. A motion was passed giving the light committee authority to ask Mr. Scales to place two new lights; one at High School and one on the most desirable place on Hartle Street.

There was considerable discussion on negotiation for the purchase of a second fire truck.

Too Much Speeding, S'ide Town Councils Informed

Too much speeding on town streets, and this necessarily for more police action in this regard, were expressed Tuesday by Councillor Newson at the regular meeting of the Summerside Town Council, presided over by Councillor H.E. Clark, in the absence of Mayor W.A. Currie who is out of the province.

Councillor Newson was commenting on the police report which stated that the "speed watch" had been in use six times during the past month in which he concurred with Councillor MacCausland that six times a month is not sufficient.

Councillor MacCausland said "I would like to see more action. There should be one man on Water Street at all times." He complimented Constable Ralph Hardy for his work in this regard.

On motion of Councillor Newson, supervisors were appointed for the playgrounds, starting on June 24th. Mrs. Leo Doucette was given Notre Dame Street; Miss Roberta Clark, Queen Elizabeth; and Miss Elizabeth Gallant, Harvard Street.

REPORT ON STREETS
Councillor Wood reported on street work being done and stated that calcium would be applied to the dirt streets in the near future. Councillor Wood said a new street has been opened off Northumberland Street Eastward which will eventually join Duke Street. Approval was also given to the opening of a street on property owned by J.E. Morrison and T.D. Morrison north from Schurman Avenue, between Granville and Arcona Streets, to be known as Morrison Court.

A letter was read from Mr. Charles Linkletter, executor of the estate of Pauline S. Linkletter and president of Island Trustees Ltd., asking the town to open up a street that would project northward from Lidstone Street and also a street that would run parallel to Maple Avenue, connecting Central and Granville Streets. Action on this matter was deferred.

Councillor Cannon said that the town wells are being checked by different companies and when their reports are compiled a policy in this regard will be determined.

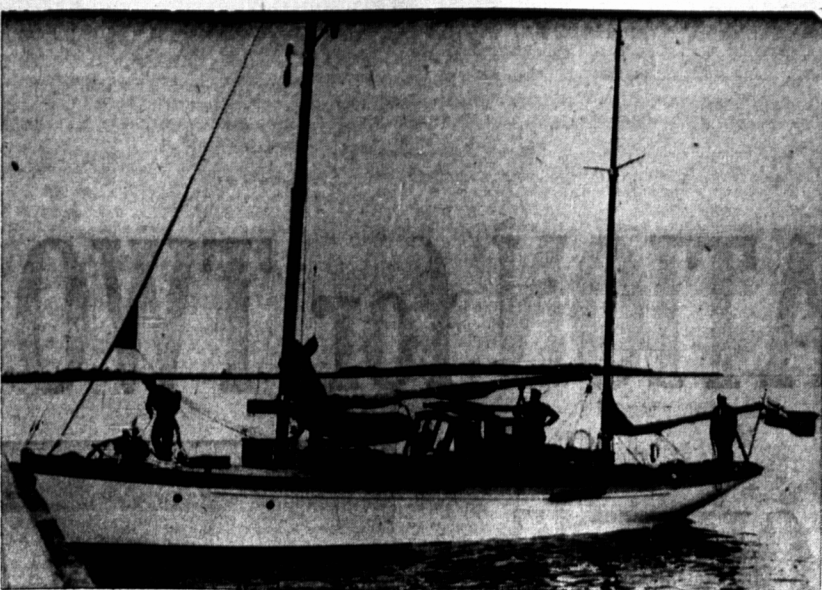

Town manager, Mr. Joseph Brophy, stated that reports indicate there is plenty of water under the town.

Action on the question as to whether the Jehovah's Witnesses should be permitted to establish a meeting place on Poplar Avenue was deferred.

BAND TO VISIT
Sgt. J.T. Keefe, who is in command of the Summerside detachment of the R.C.M.P., advised the meeting that the R.C.M.P. band would be visiting Summerside on August 28th at which time they will give a marching display followed by a band concert. The meeting decided that in case the auditorium is not ready for use that evening due to work being done on the floor, the stadium would be available.

Councillor Clark, chairman of the electric light committee, stated that a small extension has been completed in the Freetown area and that three new customers have been hooked up. He said the lines between the town and Wilmot Bridge are being moved so that the road can be widened and that this work is being continued steadily.

Councillor Clark expressed regret that Mr. George Morrison, plant foreman, has been taken seriously ill, and reminded the council of the recently enacted provision whereby employees who are ill are to receive half pay. He felt that this is a definite hardship especially on those who have served the town for many years, and stated that his committee will have recommendations to make in this regard at the next council meeting.

THE YACHT "B.G. TOO" ARRIVES IN SUMMERSIDE

GROUP CAPT. SWETMAN WELCOMES THE YACHTSMEN

Yacht Of Distinguished Scientist Is Welcomed

The "B. G. Too", a 23-ton ketch rigged yacht with auxiliary diesel visited Summerside this week. The owner, Group Capt. (Reserve) Kenneth R. Patrick, O.B.E., spoke on electronics at the Canadian Club in Charlottetown last fall. He is president of Canadian Aviation Electronics, the company that is producing SARAH, Search and Rescue Homing device to facilitate the location of lost aircraft. The signal is transmitted automatically in case of a crash and can be picked up at a distance of fifty miles.

It has a voice range of eight miles. Mr. Patrick is accompanied by his wife, son Bob, Air Commodore E. D. Reyno, Mrs. Reyno, Dr. Gisella Freedman of Montreal, Earl Thompson of Liverpool, Master of the ketch is Capt. Clarence Joudry of Mahone Bay, N.S.

The yachting party was entertained at the R.C.A.F. Station, Summerside. The owner is Commanding Officer of No. 12 Technical Training Unit in Montreal. He had an outstanding career in the research and development in the R.C.A.F.

Rotary Told Of Oil Exploring

President Vaughan Groom of the Summerside Rotary Club presided at the regular meeting of the club. The program was in charge of James MacGregor and one new member was inducted by J. Frank Arnett.

The meeting decided that the Rotary Club would make a donation in aid of the I.O.E. annual Provincial Flower Show.

Guest speaker was Ted Horne, who is present in the Province engaged in seismograph exploration of the Island regarding the possibility of oil digging in Prince Edward Island. He gave a very interesting account of the work and on the history of oil digging, where to be looked for and the possibilities of finding it.

Myron Stoll of Youngstown, Ohio was a guest at yesterday's meeting.

Drowning Tragedy In Quebec Hits Wellington, P. E. I., Family

Tragedy was brought to the family of Mr. and Mrs. E. R. Arsenault, of Wellington, P.E.I., who lost a son, daughter, and two grandchildren, by drowning when the motor driven pleasure boat in which they were cruising overturned while making a sharp turn, resulting in a tragic boating accident that claimed five lives at Lake William, 35 miles south of Quebec City on Monday afternoon.

Victims of the drowning tragedy were:

Nazaire, 32, son of Mr. and Mrs. E. F. Arsenault, of Wellington, who was vacationing before returning to employment in Northern Quebec; his sister, Imelda, Mrs. Marcel Hubert, 38, of Plessisville, Quebec; her son, Paul, age about 5; Georgette, Mrs. John Louis Arsenault, of Plessisville, a daughter-in-law of Mr. and Mrs. E. F. Arsenault; and her daughter, Louise, age about two years.

Mr. E. F. Arsenault, accompanied by a son and daughter, left their home in Wellington by plane yesterday morning, and will accompany the body of Nazaire home for burial at Wellington. It is understood that burial for the others will be held at Plessisville, Quebec, where they have been residing.

Surviving in addition to their parents, Mr. and Mrs. E. R. Arsenault, in Wellington, are the following brothers and sisters: Fedora, Mrs. Wilfred Arsenault, Wellington; Euclide, of Wellington; Cedric, of Wellington; Caroline, in Montreal; Armand, in the R.C.A.F. in Ontario; Fernin, a student of St. Joseph's University in N.B., and presently on holidays in Wellington; John Louis, in Plessisville.

The father, Mr. E. F. Arsenault, is the owner of Arsenault and Gaudet's store in Wellington.

Tignish High School Holds Commencement Exercises

St. Mary's Hall, Tignish, was filled to capacity as the parents and numerous friends of the high school students assisted at the annual Commencement Exercises on Thursday evening, June 13.

After the Grade Nine, Ten and Eleven students took their respective places, Leonard Gallant, a Grade Eleven student, played the march while the seventeen graduates entered the hall in a manner befitting the occasion. Clad in the traditional cap and gown they presented a very pleasing picture on the stage which was decorated with the school crest, the school motto—Crescat Scientia—colored mores—and clusters of murgarties.

Following the salutatory, which was capably delivered by Charles Broderick, all the students joined in singing "They All Call It Canada".

French; to Marjorie Richard for Mathematics; to Jane Keough for Application; to Eileen Gavin for Sewing; and to Doreen DesRoches for Politeness.

S'ide Air Cadet Squadron Was Inspected Last Evening

Group Captain Swetman, commanding officer R.C.A.F. Station, Summerside last night reviewed the Summerside Air Cadet Squadron at the annual inspection at R.C.A.F. Station Summerside.

Addressing the cadets after the review G-C Swetman said that it was not difficult to say nice things about a unit which puts on good displays and that he had learned to expect great things from this squadron.

The commanding officer said that there are 12 units in his area which he is called upon to review each year and all of these units have done excellent work down through the years since they were formed.

He paid tribute to the sponsoring body of the squadron, R.C.A.F. Association Summerside Wing 200 and to Mr. Russell Phaneuf, chairman of the air cadet committee.

"No unit," said G-C Swetman, "can be successful unless it has good solid civilian backing and I would like to congratulate the Summerside Wing of the R.C.A.F. Association and Mr. Phaneuf, the chairman of the air cadets committee who were present on this occasion. He has shown in these boys."

He also paid a tribute to S-L Murray Shanks, commanding officer of the squadron, who, he said, had spent many hours in administration duties in connection with the unit.

Speaking of the various drills which had been put on by the cadets, he said that it gave those who were present an insight into what the boys have learned during their training in the cadets. Flying training scholarships were presented by G-C Swetman to two outstanding cadets, Sgt. Robert Holman and LAC Frank Driscoll. A drill instructor course at Camp Borden was awarded to Flt. Sgt. Charles Hickey and a senior leader's course to Sgt. Ronald MacArthur.

A large number of parents and friends and the general public were on hand to witness the review indicating the interest taken by the public in the air cadet movement in Summerside.

ATTENTION SPORTSMEN

The West Prince Branch of the P.E.I. Fish and Game Association will meet in the O'Leary School Thursday, June 20th at 8:30 p.m. Everybody welcome.

Frank Weeks, Secretary.

BURTON

Misses June and Mary C. MacGregor of Charlottetown, spent the weekend at the home of their parents, Mr. and Mrs. Melvin MacGregor, Burton.

George Dalton, who attended the funeral of his brother the late Mr. Wilfred Dalton, Burton, has returned to his home in Bath, Maine.

Walter Collicutt, who is employed on the M. V. Benny which has docked at Halifax N. S., is visiting at the home of his mother, Mrs. Edna Collicutt, Burton.

The annual meeting of Burton School district was held at the school Tuesday, evening June 4. Mr. Henry Dalton was appointed chairman. The minutes and financial statement were read by the secretary.

Mr. Harold Howard, the retiring trustee, Mr. Cecil Wood was replaced by Mr. Ivana Collicutt, Officers for year, Secretary—Harold Rogers, Henry Dalton, Ivan Collicutt. Meeting adjourned.

Mr. and Mrs. Jackie Arsenault, their children, Alma and Allan of Carthy, Mona Handrahan and Agnes McCarron; English Composition—Cora McCarthy; Chemistry—Melvin Doucette; Algebra—Irene Gaudette; Application—Norma Gallant; Geometry—Lena Perry and David Harper, French—Doris Richard, Nelson Mallett and Catherine Harper; Latin—Jean Arsenault; Reader's Digest Prize—Ernestine Macdonald.
