ROSS BROTHERS made a very timely exhibit at the entrance of their studio to-day, of the photographs of the Right Hon. Sir John A. McDonald, Hon. Dr. Tupper, and Hon. James McDonald.

A FEW more extra untruthful issues of the Patriot such as this morning's will cause even its warmest supporters to be thoroughly disgusted with—Mr. Perry puts it—the "miserable sheet."

ANOTHER SUPPLY of the CELEBRATED WALTHAM WATCHES, in 2, 2½ and 3 oz. Silver Cases—warranted as usual, at J. F. McKAY'S, North Side Queen Square.

By cable to Peake Bros. & Co., barkentine Ethel Blanche arrived at London on the 2nd inst., 22 days. This vessel will immediately go on the berth to load for Charlottetown.

A LARGE number of our leading citizens accompanied Hon. Dr. Tupper to Summerside this forenoon. They will return by a special train to-night. Hon. James McDonald returned home in the Picton boat this morning.

THE steamer "Worcester" arrived from Boston this evening at 3 o'clock, with a cargo of merchandise and the following passengers: Mr. and Mrs. Bell, Miss Lewelling, Miss E. Rodd, Miss M. F. Olson, Mrs. Nisbett, Miss C. Ryan.

THE country is now being flooded with Grit literature received from the Globe office, Toronto. Our people well know that the Globe is a rank partizan sheet and the paid organ of the McKenzie Government. It is very disinterested!!!

THE Patriot asserts that cheers were given for McKenzie and McGill. False again. The Premier's name was not even mentioned, and when an enthusiastic Grit proposed a cheer for McGill, it was appreciated as a huge joke by the audience.

OUR morning contemporary says that during Dr. Tupper's three-hours speech the audience were not wowed up to the cheering point. Can the editor possibly tell the truth? Cheers of the most enthusiastic character were given in rapid succession throughout the delivery of the honorable gentleman's excellent speech.

FULLY one thousand persons assembled on the wharf last night to welcome the two distinguished visitors. The Patriot says three hundred. Does the editor of the morning daily think our people fools that he persists in insulting their intelligence and reason? When we read its false report this morning we felt like Apollo, "inclined to stroke the lyre."

PROTECTION.—As it is necessary that I should protect a number of Drafts which shortly fall due, I now give this final notice that all amounts due me and remaining unpaid on the 15th September, will be handed to the Clerk of the City Court for collection. THIS IS ACTUALLY DEFINITE!!!

THEO. L. CHAPPELLE, Diamond Bookstore.

\$69,000 REFUND DUTIES.—Dr. Tupper stated that Mr. Cartwright has said he (Mr. C.) would rather put his hand into the Treasury, and take out money for election purposes, than adopt the means of taking private subscriptions. Dr. Tupper states that Mr. Cartwright has put his theory into practice. \$69,000 of duties were refunded to a Railway Company which had rendered the Government aid in elections.

SOME indiscreet Grit undertook to tell Dr. Tupper last night that he did not believe the EXAMINER, when that gentleman alluded to a statement which appeared in yesterday's issue. Dr. Tupper replied: "If you do not believe the EXAMINER, go to the report of Mr. McKenzie's speech in Hansard, which is exactly the same as that put forth by the EXAMINER." The Grit collapsed and felt sorry for speaking.

It was cruel in Hon. James McDonald to completely overthrow the fabric erected by Mr. Sinclair, in reference to the "great water stretches." Mr. S. said the reason the road was not carried on in a continuous line was owing to those magnificent stretches. Mr. McDonald, to the great annoyance of Mr. S., showed that Mr. McKenzie had abandoned the original route by those Water Stretches, and located it one hundred miles north, and that actually the Hon. Peter's lks. were one hundred miles south of the present surveyed route.

THE Patriot makes a most contemptible attempt at circulating an "unmitigated lie" in this morning's issue when it states that Hon. James McDonald spoke slightly of the large proportion of our people as "nothing but farmers." This deliberate falsehood is worthy of the editor. Nothing that the Hon. gentleman said could in any way be considered aught but flattering. Mr. Lawson seems to be out of his element when in the company of gentlemen. The intelligent yeomanry of this County will not thank the editor of the Patriot for his allusion. "Evil be to him that evil thinks."

BRITISH COLUMBIA TO ASK FOR SEPARATION.

VICTORIA, B. C., Sept. 2.—The following is the end of an address to the Queen, passed by a vote of 14 to 9 in the Assembly:—"To prevent, if possible, a repetition in the future of the disasters of the past, your petitioners with great regret feel compelled, in defence of the interests of this Province, to resort to the unavoidable alternative forced upon them by the conduct of the present Dominion Government, and do therefore humbly pray that in the event of the Dominion Government failing to carry into effect the settlement of 1873, on or before the first day of May next. Your Majesty will be graciously pleased to order and direct that British Columbia shall therefore have the right to conclusively collect her customs, and excise duties, and to withdraw from the union; and shall also, in any event, be entitled to be compensated by the Dominion for losses sustained by reason of past delays and failure of the Dominion Government to carry out their railway and other obligations to the Province."

TO LET,

AND immediate possession given, 3 first-class DWELLINGS, situated on Longworth Street, opposite the residence of Hon. L. C. Owen. These Dwellings were erected this spring, under careful superintendence, no cost being spared to make them warm, comfortable and convenient. The outbuilding arrangements are second to none in Ch'town. There is a good well of water and a pump in the yard to supply the occupants. Persons wanting a good house would do well to call and examine for themselves. None but good and careful tenants need apply.

SYDNEY COAL.

REDUCTION IN PRICE!

NOTICE TO THE PUBLIC!

THE GENERAL MINING ASSOCIATION (Limited) beg to intimate to the Public that the price of SYDNEY COAL has been Reduced to \$2 per ton of 2240 lbs., a price which it is hoped will place it within the reach of all consumers.
The opening of the new winning at "THE SYDNEY MINES" and the fact that the SYDNEY COAL now being shipped is all from the DEEP taken in connection with recent improvements in the process of screening, affords purchasers a positive guarantee of the very superior quality and condition of the SYDNEY COAL now offered for sale.
It is a well-known fact that for many years past the prices of other Cape Breton coals have been regulated by the rates fixed for SYDNEY COAL; but while it is true that other coals, to get a sale at all, have been pressed on the market at various prices under the current rate of SYDNEY COAL, it is no less true that, taking into account the superior lasting qualities of SYDNEY COAL when compared with other Cape Breton coals, the advantage, both as to economy and convenience, is in favor of SYDNEY COAL, even at a much higher price.
The General Mining Association (Limited) regret that they should again have to caution the Public against the attempts being made from time to time to induce them to buy inferior coals purporting to be "EQUAL TO SYDNEY," "SUPERIOR TO SYDNEY," etc., etc., while some yet more unscrupulous vendors have not hesitated to advertise their coals as SYDNEY COAL (from some designated locality). All these efforts to sell coal by such means are only so many admissions on the part of those who make them of the STANDARD character of SYDNEY COAL.
It has come to the knowledge of the Association that in frequent instances parties giving orders to truckmen and others for SYDNEY COAL have been furnished with other and inferior coal. The Public are cautioned against permitting themselves to be imposed upon in this way.
Every vessel loaded at THE SYDNEY MINES is furnished with a certificate of the cargo being Sydney Coal. Parties purchasing should satisfy themselves by demanding the production of this certificate.
The "Sydney Coal" is registered under the laws of the Dominion, and unauthorized parties using the Trade Mark "SYDNEY COAL" are liable to prosecution.
