**GIVEN UP TO DIE.**

Was Mr. E. N. Stowell, but Dodd's Kidney Pills Cured Him.

BROCKVILLE, Oct. 8.—When an eminent physician notifies a sick man that his case is hopeless and that he must die, he is, it must be taken for granted, in a pretty bad way.

That was the position of Mr. Ed. N. Stowell, of this city, not long ago. He had suffered all the agonies of Bright's Disease for several years. The ablest physicians had pronounced his case hopeless, and he had begun to "set his house in order," when a friend urged him to try Dodd's Kidney Pills. One box put new life in him, seven boxes cured him. Now his friends hardly know him for the same man.

Score one more for Dodd's Kidney Pills.

Even a man who is true as steel may have a hard temper to contend with.

**Every Kind of Backache**

Yields to Dr. Chase's Kidney-Liver Pills, Because They Act Directly on the Liver as Well as the Kidneys.

Pains in the small of the back, over the kidneys, are usually due to derangements of the kidneys, and disappear when the kidneys are set right. But there are other kinds of backache, by far the greater proportion, that can never be reached by treating the kidneys. Pains in the shoulders, through the centre of the back, and in the sides are caused by a torpid action of the liver, and can only be driven out when the liver is made healthy and active.

To reach the liver, as well as the kidneys, to set the filtering organs in working order and to cure every kind of backache, there is but one unfailing remedy, and that is Dr. Chase's Kidney-Liver Pills. It is the only treatment that has this direct and combined action on both liver and kidneys, and the only one that positively and permanently cures backache caused by liver or kidneys.

Dr. Chase's Kidney-Liver Pills are sold by all druggists.
