QUEEN MAKES

land by Queen Elizabeth and the Duke of Edinburgh has set off new speculation on the royal crisis.

The Queen left on the royal train Friday night on a 400-mile journey to spend less than two days with her cousin. Her husband, the Duke of Edinburgh, flew there this morning.

UNUSUAL TRIP

Britons are wondering why the Queen should make this unusually long journey for a short weekend visit—particularly as since it is only two weeks since she returned to London from Balmoral Castle, which lies about 35 miles away from the place where she is weekending.

She and her husband are staying with the master of Elphinstone, 41, the mother of Mrs. John Lycett Wills, who was hostess to Margaret and Townsend two weekends ago when newspapers dubbed her "royal matchmaker."

Reports have been persistent that the princess and Townsend, if they decided to marry, might go to Scotland for the wedding ceremony. Unlike the Church of England, the Presbyterian Church in Scotland does not oppose the re-marriage of the innocent party in a divorce.

APPOLLO BOYS' CHOIR

Inspiring Vocal Concert By Visiting Boys' Choir

A very fine vocal concert was given last night in Prince of Wales College hall under Community Concert Association auspices, the recitalists being the Apollo Boys' Choir directed by Mr. Coleman Cooper. The choir, consisting of twenty-three highly talented boys ranging in age from nine to fourteen years, was selected from many parts of the United States on a non-denominational basis. Mr. Cooper's meticulous training was apparent in their fidelity of pitch, harmony and balance, but is was evident also, from the opening number, that he had rare material to work upon.

The purity and freshness of the boys' voices would have provided enjoyment in any case, but their program was of a kind to challenge the highest professional artistry, both in its sacred and secular groups. The selections ranged in period and temperament from early classical to modern, and there was—amazingly—no letdown in the mood evoked by the latter numbers.

The choral pieces, in four, five and seven part harmony, were interspersed with solos, by various members of the ensemble. Accompaniments were played by Mr. Bert Hollock. Two of the boys also appeared in piano duets.

The liturgical selections included "Lift Thine Eyes", by Mendelssohn; "Sanctus" from the Imperial Mass, "Lo My Shepherd Is Divine," and "Alleluja" from the motet "Excultate Jubilate" by Mozart; "O Had I Jubal's Lyre", from "Joshua", by Handel; two settings by Giovanni Pergolesi from a Latin poem, Stabat Mater, written in the 13th century; and Gounod's familiar "Ave Maria." Some of these numbers were of special interest as they were composed originally for boy choirs, but are now seldom heard through the medium for which they were intended.

Mozart was also represented in the secular groups by a haunting Lullaby, and Felix Mendelssohn "On Wings of Song". From the 16th century composer, Orlando di Lasso, was chosen "The Echo Song," a fine example of delicate contrapuntal writing. Other numbers in these groups included an old English Song, "Have You Seen But a Whyte Lillie Grow."; "The Wren", by Sir Julius Benedict; "Sandman's Song and Prayer," by Humperdinck, and "Roses of the South" by Johann Strauss. Several encores were responded to.

The Community Concert Association is to be congratulated upon bringing this fine choir to Charlottetown, and it is to be hoped that another opportunity will be given of hearing them locally.

Open Tenders For Grading T.C. Highway To City

Tenders for the grading of 1.7 miles from the Barn Corner to the Charlottetown City Limits, were opened yesterday in the office of highways minister J. George MacKay with Premier A. W. Matheson and several members of the Cabinet present.

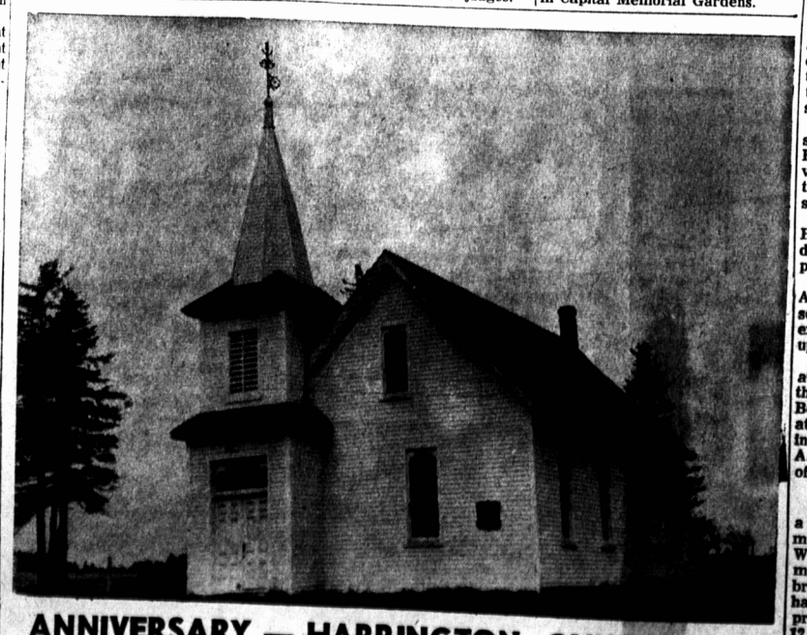
Miss Mary Stewart, Lakeview Lodge at Cavendish, was a recent winner of a bronze plaque mounted on a polished walnut shield awarded by the Canadian Tourist Association in a Canada wide contest for the best resort folder. Miss Stewart's folder was judged a first prize in the classification for 50 guests and under. Folders were judged from nearly every Province in Canada.

The plaque was presented to Miss Stewart at the C. T. A. Convention held this year at St. Adele Lodge in the Laurentians. This was the first year that any folders were judged from this Province, the only other folder was from the Gregor Hotel, Brackley Beach, operated by Mr. and Mrs. Jack Cameron. Their folder in a higher classification catering to a larger number of guests, received high praise from the judges.



ANNIVERSARY — HARRINGTON CHURCH

Due to the loss of records through the years, or failure to preserve the same for posterity, the early history of many of our Maritime Churches is shrouded in obscurity. Such is the case in that of St. Andrews Presbyterian Church Harrington, which this Sunday is observing its Anniversary Service.

The first minister of whom there is record was Rev. William MacLaren, who in 1857 was appointed to the Brackley Point Road (Harrington) and St. Peters Road (Marshfield) congregations of the Church of Scotland.

One early document that has survived the ravages of time is a receipt for pew rent, in shillings and pence, belonging to Mr. Earl MacInnis, Winsloe North, and which was issued to his grandfather, James MacInnis in 1869 by Duncan Kennedy, designated "Collector of North District St. Andrews Kirk, Brackley Point Road."

In 1875 the congregation was one of the Church of Scotland congregations which became a part of the Presbyterian Church in Canada, formed by a merging of the four strands of Canadian Presbyterianism. For many years up to 1905 it was associated with Marshfield, from 1 905to 1925 the Harrington congregation formed part of the Cove Head pastoral charge. Since 1925 it has formed a pastoral charge with Marshfield and Mount Stewart. A year ago extensive interior redecoration was carried out.

Present members of session are Rev. Lee M. MacNaughton, Minsiter-moderator; Mr. Earl MacInnis, Mr. Charles Phillips, and Mr. Wallace Morrow. Members of the Board of Trustees are Mrs. Leith Stewart, Mrs. John Jones, Earl Skeffington, Albert Phillips, David Seaman, Earl MacInnis, Walter Morrow.

Besides a large representation of priests of the diocese, who occupied seats in the sanctuary, there attended Sir Roderick MacDonald of St. Peters and Sir William MacMillan of Charlottetown. A large delegation was present from the Souris Council of the Knights of Columbus.

LABOR MINISTER

President is Mr. James Moore of Westmorland. Mr. Fred Large, Q. C., is the Association Secretary.

Premier A. W. Matheson spoke briefly at the meeting and thanked the party workers for their support in the last provincial election. The speaker was introduced by Hon. Alan Stewart, Provincial Minister of Labor and Welfare, and thanked by Mr. Cecil Miller.

Mr. Neil A. Matheson, M.P., for Queens County and Mr. Thomas Kickham, M.P., for Kings County also addressed the meeting briefly.

That Prince Edward Island was able to receive in the vicinity of $17,000,000 from the Federal treasury last year was pointed out by the Minister of Labor who in a breakdown of figures showed that some of the larger amounts included $3,200,000 to 6,786 Old Age Pensioners; $4.300,000 in health grants, $2,600,000 to 36,000 children for family allowances; $2,000,000 to the veterans of the Province along with over $4,000,000 in tax rental agreements. He said that if the people of this province were to receive all these benefits and pay for them themselves, it would mean an additional per captia tax of $170, over and above that which they are now paying.

POTATO SITUATION

The speaker dealt with the potato problem, noting that the potato situation had changed from that of a preferred status to one of keen competition with other parts of Canada and the Northern States of the United States.

In quoting Mr. Hector MacKinnon of the Tariff Board he said that the presentation made by the local authorities on the potato question was the finest and the most concise of any brief submitted. The Minister did not wish to make any prediction as to what the outcome of the Government's decision in this matter would be but he expressed confidence that the best thing would be done for the majority of potato growers in Canada.

In making reference to the Agenda Conference last Spring and the Federal Provincial Conference just concluded, Mr. Gregg said that one thing certain was that no Province would be asked to accept less than what they were now getting. He paid tribute to Prime Minister St. Laurent for the fair manner in which, as chairman, he conducted the conference. "At no time did he ever show any partiality to any Province but indicated that he was anxious to see the welfare of the Country served as a whole." said Mr. Gregg.

WAR VETERANS' BENEFITS

The Minister made reference to the increased benefits under the War Veteran's Allowance Act. He said that the recommendations of the Canadian Legion had been adopted almost in their entirety.

Referrring to the slogan coined by Hon. Mr. St. Laurent that "the good things of Canada as she moves forward will be shared as near by as possible by all alike," Mr. Gregg urged Party workers to reaffirm their faith in Liberalism. He congratulated Premier Matheson on his victory at the polls but paid especial tribute to the Island Premier for his fine presentation of his Province's brief at the Federal-Provincial Conference.

There was a good attendance at the meeting. In addition to the chairman and speakers already referred to, there were seated on the platform: Mr. Frederic Large, Q.C., M.L.A., Hon. Eugene Cullen, Mrs. Russell Roper, past president of the Liberal Women's Association and Mr. Austin Bowman, president of the Young Liberal's Association. Mrs. B. Earle MacDonald, President of the P. E. I. Liberal Women's Association and Mr. Benjamin Rogers, President of the P.E.I. Liberal Association were present and were introduced to the audience.

See Slim Chance H-Bomb Power

NEW YORK (AP)—The chances are slim that the H-bomb reaction can be tamed or controlled soon to give the world abundant peacetime power, two atomic experts said Friday.

The probability of immediate success is not very great, said Dr. Henry D. Smyth of Princeton University, a former commissioner of the U. S. Atomic Energy Commission.

He said the task of controlling H-bomb power is an extremely difficult scientific and technical problem of long-range.

Dr. Hans Thirring, prominent Austrian physicist, also said he sees little hope unless "a new, unexpected basic discovery turns up."

The scientists addressed an atoms-in-industry conference of the National Industrial Conference Board. A number of Canadians are attending the conference. These include William Bennett and Dr. A. J. Cipriani of Atomic Energy of Canada Ltd.

NEW YORK (AP)—The threat of a strike in the metropolitan area milk distribution industry ended Wednesday with package settlement of more than $5 a week. It brought a strong possibility of a half-cent-a-quart increase in the price of milk to the more than 12,000,000 persons who are customers of the 200 companies in New York, New Jersey and southern Connecticut.

GOLDEN WEDDING SUNDAY

On Sunday Mr. and Mrs. Frank Murray, above, will observe their 50th wedding anniversary at their home, 31 Rochford Square, Charlottetown. Because of the illness of Mrs. Murray, however, the anniversary will be celebrated quietly by members of the family. A small reception will be held on Monday.

The couple were married in St. Joseph's Church, Kelly's Cross, on October 30, 1905 by the Rev. Terrence Campbell, D. D.

Local Federal Workers Credit Annual Meeting

The second annual meeting of the Federal Employees Credit Union Ltd. was held last night with the president, Mr. George Cheverie presiding.

Following the reading of the various reports the president made his report and said "During the past year of operations, a marked increase in the number and total amount of loans was noted while at the same time, a slowin down of savings in share capital was evident."

The president went on to say that it is a task facing the new directors to stimulate the growth of share capital by educating the members to the advantages of systematic saving. Mr. Cheverie said that one of the reason for the retared growth of the share capital was the present inadequate system of collections and a suggestion that a Treasurer's office with regular hours of business be set up was under consideration.

Other speakers heard during the meeting were Leo Corcoran of P. E.I. Credit Union League and Don Smith of the Cuna Mutual Insurance Society of Hamilton, Ontario.

BAND IS BANNED

TORONTO (CP) — A 45-piece military band, forced to cancel a scheduled performance last Saturday in VARSITY Stadium at a Toronto Argonaut Big Four football game, will appear today, but in civilian clothes. The Royal Canadian Army Srvice Corps trumpet band cancelled its performance after the Toronto Musicians' Union (AFL-TLC) said the band "is not authorized to perform as an army unit" in a band competition Argo team officials had arranged. An army spokesman said Friday the band will perform in civilian clothes in order to avoid being a military unit.

Big Time In Store For The Kids Monday Night

There's a big night in store for the kids on Monday when the Charlottetown Kinsmen Club stage their annual Hallowe'en Party at the Armouries.

The entertainment gets underway at 7.30 but the doors will be open at seven o'clock in order to get the young fry in their places and settled before the program begins.

The party will be open to all children up to and including 14-year-old. Prizes will be given for the most attractive and most original costumes and treats will be served for all.

In past years the Kinsmen Hallowe'en party has always been a big success. It entails a lot of work for the Kinsmen Club but the results have proved well worth the efforts. In addition to providing the kids with a barrel of fun it keeps them off the street on Hallowe'en night.

Mother of Four Found Guilty

TORONTO (CP)—An ailing 32-year-old mother of four children was found guilty Friday of keeping a common bawdy house as officials continued their roundup of persons connected with an alleged 90-house slum empire in downtown Toronto.

Mrs. Werner Geschkeit was fined $50 and costs or 30 days. Joint charges against her and her husband of permitting their premises to be used as a bawdy house were withdrawn.

Mrs. Geshkeit was arrested today in one of a series of police raids that began Monday.

Earlier Friday police said three more persons have volunteered information during the last three days bringing to 33 the number of witnesses crown officials have listed in the roundup.

Police said they have evidence which "ties in perfectly" with their case against Stephen Feron and Charles Ingwer, alleged kingpins of the slum empire.

GENEVA (AP) — A Western diplomatic source reported Wednesday night the big western powers have decided against big new arms supplies for Israel to balance Communist arms shipments to Egypt.
