

When food sticks

Tuffy is the modern, quick way to clean sticky, gummy, crusted foods from dishes, silverware, pots and pans. Tuffy is a new non-metallic "wonder-mesh" that is immensely strong and long lasting yet won't harm fine china or silverware. Kind to your hands, Tuffy rinses clean under the tap, stays clean and sweet-smelling after long use.

Use TUFFY on red flange—in place of dishes or mops.

Use TUFFY on baking dishes, mixing bowls.

Use TUFFY on sticky silverware. Wipes away stuck-on egg—foods that cling.

Use TUFFY to scrub away messy foods, scrambled eggs, hot cereals.

LUCKY DAY FOR SOUTHPORT LADY—If there is any truth in the old saying that a four-leaf clover brings good luck, then Mrs. Milton Carver of Southport will be saying, "everything is going my way" yesterday, while waiting for the bus at Crossroads she found seven five-leaf clovers and 12 four-leaf ones by the road-side. The clovers were all large, well-formed, and on the same plant. While she has often found one four-leaf clover, Mrs. Carver said she has never found so many at once—and added "I could have picked more".

HINT FOR CAR-MAKERS
