MAYFLOWERS. — It is said that several bunches of Mayflowers were gathered in the vicinity of Victoria Park, Truro, on Friday.

AN OMISSION SUPPLIED.—In the list of contributions to the Irish Relief Fund, printed in THE EXAMINER about a week ago, the following were inadvertently omitted: St. Andrew's, $31.45; Summerside $9. Total $40.45.

LUCY DERRICK.—We learn from an exchange that Mr. Newton Lee, of Truro, recently disposed by lottery of the trotting mare Lucy Derrick, 2 44½, by All Right, 5817. The winner was R. H. Edwards, of Halifax.

BAPTISTIC.—Says the Moncton Times: Pastor Hinson baptized one convert in the First Baptist Church yesterday morning, and in the evening received 29 into membership, of whom 25 were baptized within the past month. The total received into the church so far this year is 112.

C. E. ROBERTSON has a large and varied supply of new tweeds, etc., on hand which he is prepared to make up to order in the latest styles and at reasonable rates. He has also in stock full lines of gentlemen's furnishings, which are being so'd cheap. Don't forget to call at his store, Cameron Block, when out shopping.

HOME FROM QUEBEC.—Gunners Prowse, Gorman, Burke, and Wood of No. 2 Battery G A., and gunner McAree and corporal Ward of No. 1 Battery have arrived home from Quebec, where they have been taking a short course of military instruction at the Citadel. Of course the result of their examinations is not yet known, but we feel sure that they will obtain their certificates.

A SPLENDID RECORD.—According to London advices the Canadian Pacific steamer Empress of Japan, made an excellent record on her trial trip. She ran a mile at a mean speed of 18 91 knots, being a knot and a half above the speed stipulated in the contract. The engines developed nearly ten thousand horse power. Rapid progress is being made with the Emp ess of China, the last of the Canadian Pacific's new fleet.

TOO MUCH MARRIED.—Thomas H. Davis, a Toronto man, who conceived it to be the proper thing to have two wives living at the same time, came before the magistrate for sentence at Toronto, a few days ago, and was committed to the central prison for six months. Mrs. Jane Sebastian Davis, wife No. 2, was with him to the last, weeping copiously and promising all kinds of affectionate things and loving receptions on his release from prison.

DOING NICELY NOW.—The Agriculturist says: A short time ago a mare belonging to Mr. D. A. Sharp, of this town, stepped into a hole in the snow, in such a way as to grab the foot, by the frozen edges of the crust, with the result that the leg was skinned from the back of the knee down. The skin was torn completely off, leaving the bone and tendons bare. It took fifty stitches to secure the skin when it was replaced. The animal is now doing nicely.

AFTER DAMAGES.—A Halifax despatch says: Captain Wrayton, of the Ocean Belle, whom the Newfoundland authorities refused to allow to purchase a cargo of frozen herring for consumption in this market, intends to vigorously push his claim for damages which he places at $1,500. He is highly indignant that he a British captain, should be refused privileges which are freely granted to alien Yankees. He thinks it is a clear case of retaliation against Canada because of the failure of the Bond-Blaine reciprocity negotiations.

RAVAGES OF LA GRIPPE.—The men employed in the Gould mines at Candalria, near Carson City, Nev., have suffered greatly from the ravages of la grippe. Out of 600 men 400 are prostrated and 100 have died. There has been no abatement of the disease in the last few days.

The death list in Chicago on the 3rd, showed a marked decrease, the total being 116, fifty less than the day previous. City Health Commissioner Wickersham attributes the improvement to the effects of sunshine on the grippe sufferers.

ROBBED THE MAILS.—Says the Lunenburg Progress: On the evening of the 25th of March the People's Bank of this place forwarded $1,500 to their Mahone Bay agency, under registered coverings, by Her Majesty's mail. The money has not yet reached its proper destination, but the registered coverings were found in the Chester mail bag on the 26 h. Post Office Inspector Macdonald has been in the county since Monday endeavoring to ferret out the whereabouts of the treasure. So far his mission has not been attended by success.

TEA AND ENTERTAINMENT.—Our readers should remember the tea and entertainment in the basement of Zion church, on Friday evening next. Tea on the tables at 6 o'clock. The ladies of Zion church have always had the reputation of supplying good teas, and this coupled with the fact that on this occasion they will be assisted by ladies from all the other Protestant churches, should ensure a large attendance. A choice programme will be carried out after the tables are cleared Dr. Anderson will preside at the entertainment. The proceeds will be applied towards the Students Christian Association in connection with the Prince of Wales College, which should be well supported.

WRONG AGAIN.—This morning's Guardian says:

"We are informed that West Kent School was the first school in this city in which calisthenics were introduced, and that exercises therein were given at the public examination, June last."

The Guardian is wrongly informed. A lady who attended the Convent Schools twenty years ago informs THE EXAMINER that calisthenic exercises were given there at that time.

On the 2nd of February he visited Keewatin and sold furs, returning with supplies. It is supposed he became exhausted when within two miles of home and fell to the ice and was unable to rise again.

The dead body of a man named Daniel Chisholm was found in a clump of bushes on a farm at Churchville, Pictou, N. S., a few days ago. Chisholm was last seen at Stellarton, on the evening of February 2nd. It is supposed that he came to his death through cold and exposure to the inclement weather.
