GOFF BROS. for cheap boots. CHIEF JUSTICE CAMERON, of Toronto, is dead. GOFF BROS. for latest styles in shoes and slippers. Some splendid salmon were captured last week at St. Peter's Bay. BELFAST strawberries—the first of the season, at W. F. Carter's. ODDFELLOWS' professional regalia at the Diamond Bookstore, \$1.75 each. A NEW double-screw lapstreak boat for the South End Club arrived last evening. THE Strawberry Festival in Market Hall last evening was a success in every respect. LIEUTENANT-COLONEL WORSLEY, D. A. G. and staff, arrived from Halifax last evening. W. A. O. MORISON, Esq., Acting-Stipendiary Magistrate of Summerside, is visiting the city. CAPTAIN PENNY, Paymaster H. M. S. Canada and Mrs. Penny are guests at Government House. No mackerel have been caught yet this season on this coast, so far as we can learn, except a few in nets. THE Rev. Mr. Kinley is visiting friends in King's County, and preached at West River and Souris on Sunday last. NO. 2 BATTERY, G. A., meets for drill to-night in uniform. Every member especially invited to attend. THE letter of "Creel" received, but as it contains some serious charges we must have the writer's name in confidence. FISHERY WARDEN STANLEY seized a wagon load of lobsters yesterday, which were too small to come up to the regulations. THERE will be a meeting of the Royal Salvage Corps in their rooms this evening at 8 o'clock. A full attendance requested. MR. L. H. DAVIES, M. P., lectured in the Y. M. C. A. Hall, in Quebec, Thursday evening. His subject was "Great Men in Council." THE Rev. Mr. Gerrier of Summerside has been holding special services in the Presbyterian Church, at Souris, for the last few days. REV. A. E. BURKE, Tignish, is in the city. His many friends are glad to see him and express the hope that ere long he will be with them again to minister to their spiritual necessities. THE meeting of the lady members of the Fitzroy and Mimosa Lawn Tennis Clubs, announced to take place at Mrs. Arnaud's house to-morrow evening, has been postponed until further notice. THE Rev. Mr. Mellick, of the Northwest Baptist Missions, and wife are spending a few weeks with their relations at East Point. He has been invited to become pastor of a church in St. John, N. B. THE alarm sounded about four o'clock this morning for a fire in an outhouse in the neighborhood of Pickard's Hotel, Pownal Street. It was extinguished before any serious damage was done. DELICATE diseases of either sex, however induced, promptly, thoroughly and permanently cured; send ten cents in stamps for illustrated treatise. World's Dispensary Medical Association, Buffalo, N. Y. faw NUMBERS ONE AND TWO BATTERIES OF ARTILLERY, and the Charlottetown Engineers will parade at 7 o'clock sharp to-morrow evening at the drill shed, instead of at 7.30 o'clock, as previously ordered. ON Sunday evening last Rev. D. D. Moore, who has been granted a year's leave of absence by the N. B. and P. E. I. Methodist Conference, preached his farewell sermon to the Carmarthen Street congregation, St. John, N. B. CONSIDERABLE conjecture has been indulged in by parties residing near East Point with regard to dead horses that were washed ashore there last week. At Black Point four came ashore, and the day following two more came in on the south side of the Point. They appear to have been a good class of horses, were all well shod and in good condition. The general opinion is that they are from some vessel that has been wrecked lately in that direction. WE learn that American fishermen who have called at our ports this year are much more civil than some of them were last season. They doubtless find by this time that our fishermen have rights that are not to be trampled upon with impunity; and that they must not expect to escape if they attempt to violate our laws or treaties. If the cruisers now employed cannot keep American seamen in their place, we must have more cruisers and a shore police force besides. AS H. M. S. Canada will be here, and will, no doubt, take part in the jubilee celebration, we would suggest to the committee to endeavor to arrange for a naval attack upon the city. We see by the Halifax papers that the mimic attack there was a very important item in their celebration, and it was all done by one ship. Few of our citizens have ever seen a man-of-war fire a broadside. No doubt our Fort Edward would give a warm reception to the enemy, and make the day sultry for H. M. S. Canada. THE catch of lobsters this year, so far, has been rather small. Some of the packers are threatening to close their factories if the catch does not improve. The fact is, the lobster business has been overdone. In too many instances no attention whatever is paid to the law regarding young lobsters, all sizes being taken, from an inch upwards. Many of our fish wardens are careless, and the result will be that in a few more years our splendid lobster fisheries, which formerly gave profitable employment to so many of our people, will be among the industries of the past. REFERRING to the letter of "Celt," we are informed that the Lieutenant-Governor promised, some time ago, to attend the play at the Lyceum on Friday evening next, and that when the committee waited upon him to ask him to patronize the entertainment in Market Hall on the same evening he had forgotten his previous promise for the moment and so readily assented to their request. His Honor is, of course, bound by his first engagement, and has written to the committee for the Market Hall entertainment an explanation and an expression of his regret that he cannot fulfil his engagement with them.

TELEGRAPHIC NEWS.

(SPECIAL DESPATCHES TO THE EXAMINER.) Royalty in Ireland. DUBLIN, June 27. Prince Albert Victor and Prince George of Wales came here to-day to attend the ceremonies in St. Patrick's Cathedral, to-morrow, in honor of the Queen's Jubilee at Kingston. They were received with great enthusiasm. The Marquis of Londonderry, the Irish Viceroy, met them; the town commissioners presented them with an address. On their arrival here they were presented with an address of welcome by the Conservative citizens. Among the sentiments expressed was "We welcome the grandson of Her Majesty the Queen, under whom Ireland has enjoyed the blessings of just law, true liberty and constitutional Government." Prince Albert Victor responded and then he and his brother, with the party escort, proceeded to the vice royal lodge. During the journey through the streets, there was much cheering by the crowd. Some cries of "Coercion," or an occasional cheering for Parnell. The Corporation Council of Dublin will hold aloof from participation in the celebration. Business is being conducted as usual. Dublin does not seem to be taking much of a holiday over the arrival of the Princes. There is sufficient display of hunting in the streets and bustle among the loyalists to indicate there is a public interest in the event.

Distinguished Patronage.

SIR.—The fact that the two entertainments advertised in your columns for July 1st, claim to have the patronage of His Honor the Lieut.-Governor, shows that after all, the public appreciate the society and influence of those in authority. In my humble opinion, however, Governor Macdonald will bestow his personal patronage upon the Market Hall entertainment, it being the one, and the only one, in honor of the Queen's Jubilee. However "refined and enjoyable" any other entertainment may be, I think we may be permitted to say that the one held in honor of Her Majesty's Jubilee, should, as doubtless it will, receive the special patronage of the Queen's representative—Lieut.-Governor of the Province. CELT. June 28, 1887.

Lawn Tennis.

THE ladies tennis tournament (singles), which was commenced on Saturday at Victoria Park, and finished yesterday afternoon, was a very interesting and successful affair. The tournament—a handicap one—was played by sets, the best two out of three. The prize, a handsome gold brooch, presented by Mr. A. A. Bartlett, was carried off by Miss May DesBrisay, who played a beautiful game throughout, beating all her opponents, and at times playing against heavy handicaps. Great praise is also due to Miss Manie Rayden, who likewise played a remarkably fine game. Messrs. H. V. Palmer, D. B. Stewart, L. E. Brecken and Geo. Brown, were appointed to do the handicapping, and that this difficult task was well done was proved by the great closeness of most of the sets. We were much struck by the great improvement in the play of all the ladies, and we venture to say that, with a little more practice, Charlottetown can produce as fine a lot of lady players as any of the larger cities in the Maritime Provinces. The following is a list of the ladies who entered for the tournament and the handicaps allowed each:—
