Minister

(Continued from Page One) farmers depends on the amount of assistance they receive in the disposal of the balance of their 1957 potato crop. "This unfortunate situation puts a grave responsibility on those whose duty it is to administer the agricultural stabilization act, and we therefore expect from them statements which are carefully considered and supported by the record.

POLITICAL FOOTBALL

"From the beginning of negotiations on this matter, the committee and the Provincial Department of Agriculture have tried to avoid any suggestion of making a political issue of something which is so vital to our potato growers. "In regard to Mr. Harkness' statement that any delay in the implementation of a potato price support program was the result of failure on the part of the Provincial Government and Island growers to accept the program, I would like to state the following facts:

"1. On June 3rd, I told the Agricultural Stabilization Board that the Province was prepared to provide for the administration of any plan that was acceptable to the growers.

"2. The first definite offer of a diversion program for P.E.I. was received on June 26th which was two days after Mr. Harkness announced in the press that we had been offered 36 cts. a bushel for a feed diversion program.

"3. The application for a guaranteed price was made by a committee consisting of representatives of Prince Edward Island Potato Producers' Association, the Prince Edward Island Potato Dealers' Association, the Potato Promotion Committee, and the Federation of Agriculture and the P.E.I. Marketing Board. The original request of the committee was for a guaranteed price of 2 1/4 to 4 inch potatoes, effective July 1, 10th or 15th.

"4. After receipt was confirmed by wire on June 26 any delay in accepting the miserable offer was due to the fact that the committee wished to make every effort possible to secure a better agreement before accepting an offer which at best would give the grower only a small part of his cost of production and which under present conditions proved to be worthless.

FORCED TO ACCEPT

"The only reason that the offer was accepted on July 7 was that the committee did not wish to deprive any grower of a chance to receive assistance, however small it might be.

"In regard to Mr. Harkness' statement that Island growers accepted the proposal, then discovered that the potatoes had sprouted. I wish to say that four days before the offer, I sent Mr. Harkness a wire which stated that his offer was practically worthless because less than 15 per cent of

Island potatoes were firm at that date. "The offer was accepted only after I received an answer to my wire which stated that Mr. Harkness could see no reason for changing the conditions.

"In reply to Mr. Harkness' statement that we were offered the same support as New Brunswick, I must say that I understood N.B. growers received \$1.10 per barrel or 50 cents a bag from the Federal treasury for potatoes which went to the starch factory. "Should anyone suggest that N.B. Growers had to move their potatoes to the starch factory, I would ask them if they think Island growers can leave their potatoes in the cellar.

"The intent of the group which met on May 16 was to ask for a support price effective after a stated date in July. The immediate announcement of such a guarantee, they pointed out would have provided stability to the market for the remainder of May and June and I feel the cost would have been very small compared to the increase in income to our farmers.

"Any program of payment now can only do a small part of what could have been done by an earlier announcement."

Baptist Vacation School Gets Started Next Week

The fourth Annual Daily Vacation Bible School to be held by the Charlottetown Baptist Church opens Monday and continues through Friday.

From a beginning four years ago with about sixty boys and girls, this project drew 120 last summer and this year it is expected that at least 175 boys and girls will be on hand at the first session Monday morning.

A staff of about 30 workers under the leadership of Mr. R. J. Rupert, have been busy preparing for many weeks, the various phases of the program which includes Bible Study, Scripture memorizing, Missionary adventures, singing, handicraft and games.

Associated with Mr. Rupert as Director, is the Pastor, Rev. H. L. Mitton who will be actively engaged with the Junior group which is under the general supervision of Mrs. Gordon Boyver. The Primary group is being supervised by Mrs. Ross Affleck and the Pre School group is in charge of Mrs. Arthur Rodd.

The music will be in charge of Mrs. Lloyd Gibson, Mrs. Barry Bugden and Miss Jean MacKinnon.

One of the most important and interesting features of a Vacation Bible School is the related handicraft, and this is in charge of Mrs. George Lewis with a staff of capable and experienced assistants. Another and indispensable feature is the refreshments and Mrs. Neil MacInnis and Miss Elsie Casford have this responsibility.

Each of the leaders mentioned have associated with them a staff of assistants, skilled in the various specialized activities and everything points to a record school, both in attendance and accomplishment.

Lloyd Archer and Layton Stone prepared the decorations and Kenneth Yeo and Gerald Purdy were responsible for the posters and art work.

The theme of the school is a nautical one entitled, "Bible Sea Adventures," in which life is likened to the sea with its pleasures, excitement and danger.

The purpose of the course is three-fold: (1) to show today's youth why they need Christ as their Savior; (2) to encourage them to accept Christ as Savior and Pilot through life; (3) to challenge them to become stalwart Christians as they obey Christ's commands on the "sea of life."

At tomorrow morning's service, the leaders and workers will be dedicated to the task in a brief ceremony by the Pastor.

Trial Is Elected By Judge, Jury

A resident of Covehead appearing in Queen's County Magistrate's Court yesterday on five charges of failing to account for money received, elected to be tried by Judge and Jury. The case was adjourned until July 25th by Magistrate Gilbert A. Gaudet.

A charge of having the possession of stolen goods, one GMC radio, property of S. R. Johnson Limited against a city resident was withdrawn by the Magistrate. A witness from the firm, in giving evidence, could not positively identify the radio, present in the courtroom, as the one which had been stolen from the firm.

A resident of St. John, appeared on a charge of driving a motor vehicle while intoxicated and was sentenced to ten days in jail. On another charge against the accused, that of making threats to do personal injury to his wife, he pleaded guilty and was ordered to enter into a bond to keep the peace for a period of one year, especially in regard to the informant.

Also appearing on the docket were residents of Breadalbane, New Haven, Headingley and Clyde River, charged with having the illegal possession of intoxicating liquor in a place other than their respective residences who were each fined \$20.00 and costs or 30 days.

Other cases dealt with involved offences under the Highway Traffic Act. Residents of East Royalty, Cardigan and Charlottetown were each fined \$10 and costs or 10 days when they were convicted of speeding.
