Ride To Victory With 4 In First; Lead Series 1-0

Scoring four unanswered goals in the first period, Parkdale Flyers rode to a convincing 9-2 victory over Basileia Youth Club at the Sports Arena last night in the first game of the best-of-five semi-final series of the Island Senior Hockey League.

The Flyers ran their lead to 4-0 in the second frame before the youth club could get untracked to fire two of their own before the period ended. The powerful Flyers led the tussle in the final frame with 4 more goals.

The Carver boys were on the move again with Orin Carver leading the way with three goals. Orin scored one of the markers in the first period and added the other two in the third when the Flyers were beating the youth clubbers into the ice. Coach Alie Carver triggered two goals, scoring in the first and second periods. Kip Reddy picked up one as did Bob Hurry and Willie Dunn. Jim MacLeod, on the sidelines for the past four games, celebrated his return to the Flyers lineup by hitting in the final goal of the game.

PINEAU INJURED
Merrill Pineau fired the opening B.Y.C. goal before he left the game at the end of the second period, and hardworking Jack Burke capitalized on a chance at 11:01 of the second.

Pineau was taken to hospital after the second period suffering from an eye injury. It was believed to have been caused by a wayward thurby from the Aces.

Some 750 fans saw some spirited, fast and exciting hockey in the first two frames before the Flyers took over in the third Parkdale passing plays were something to see and, when in close the Flyers were not better.

Jack Shepherd, substiting for Thane Doyle in the youth club nets, kicked out 33 of the 42 drives directed at him. He fanned on a couple but got all of those back with some spectacular saves. Shep then, with a rough in goal between the Flyers and 14 or 15 goals. Except for the second period when they put up their best fight, the youth clubbers defensive tactics were nowhere to be seen.

ROPER SENSATIONAL
At the end of the rink the Flyers defense Frank Roper making his first appearance at the Sports Arena in nearly two weeks, excellent support, and the young redhead came through sensationally when his defense failed him.

The game was rough in spots, but, on the whole, cleanly played. Referees Moe Goodwin and Leith Jay gave out 10 penalties, of them to the B.Y.C. All were minors.

CHATTER... In the youth clubbers loss Merrill Pineau for the rest of the year they will have a tough time indeed in giving the Flyers a fight... The B.Y.C. played their best hockey in the second period and held a good edge in the play... In the other two periods, however, it was Parkdale all the way... Kip Reddy played very well for the Flyers in the blue line... He broke up many a B.Y.C. rush and led a few for the Flyers... SPORT OF KING'S

Clash of Top Lines When Souris and Albany Tangle

Souris Eastpucks are in the Island finals. They won the King's County Championship by defeating Georgetown, 14-3, and 8-1. In both these games, the Eastpucks were by far the better team. All the defense standing out. Vernon Jarvis in hockey. A player improving every time out is Henry Jenkins, the goaltender. In the playoffs, he has been nothing short of sensational.

The first, third, and fifth (if necessary) games will be played at Souris. This should be quite a series. Playing coach Buddy McCormack has promised that, win or lose, the Eastpucks will go all out in every game. The team has been holding light workouts during the last week to prepare for the finals.

At time of writing, it was not known who won the final game of the series between Lot 16 and Albany. If Albany won, this series might be the battle of the big lines. Albany have the noted line of Noonan, Cameron, Dawson, Smith. Big line composed of B. Jenkins, E. Peters and E. Peters. Which line is the best? We'll just have to wait and see.

Morell All Stars won the King's County Intermediate "C" championship on Thursday night, when they defeated the Murray Harbour team. With a lot of guts, a never say die spirit, and backed by the sensational goaltending of Pius MacInnis, the Morell boys won the round. This game had what could be termed a storybook finish. Down 3-2 after two periods of play, and badly outplayed in both of those periods, Morell staged a tremendous rally in the final period to win the game.

In the next round of Intermediate "C" Morell drew a bye, and as a result will play in the Island semi-finals. Murray Harbour has a real classy team. They were formed just before the playoffs began, and played only one exhibition game.

Coach Francis White announced that the Charlottetown Sea Cadets have agreed to play for the Island Sea Cadet championship. Mr. White also stated that he has issued a challenge to the Montague Army Cadets to play for the

Canada's Fairway Queen Wins Lou Marsh Trophy

By GORDON CAMPBELL
Marlene Stewart has added the Lou Marsh trophy to her booty. In capturing the trophy, donated by Charles E. Ring in memory of The Toronto Daily Star's late sports editor, who died in 1936 Marlene is officially Canada's athlete of the year for 1956.

It is the second time in five years Miss Stewart has won the trophy. She was the winner in 1951, when as a 17-year-old she broke a U.S. hold on the Canadian women's amateur golf championship.

Her latest triumph came as a result of winning the 95 U.S. women's amateur championship last September at Indianapolis. That feat was the first by a native-born Canadian in the more than half century of the tourney.

While Marlene was the only contender for the Marsh trophy in 1956, she was the unanimous choice. Johnny Longden, the famed jockey from Alberta; Gerry Ouellette, Canada's ace marksman from Windsor and a gold medal winner at the recent Olympics, were her top rivals.

Although Miss Stewart is from Fonthill, Ont., she was born in Cereel, Alberta, on March 9, 1934. However, her golfing career has revolved around Fonthill, where she learned the game.

Her brief but meteoric career has won her the Canadian Marlene close title six years running, the Canadian open four times, the last three in a row, and in 1953 became the first Canadian to win the British women's tourney.

In 1956 though she really went all-out, winning seven tournaments—the Rochester invitation, the U.S. North and South, the U.S. intercollegiate, the Ontario Open and the Totem Pole, as well as the aforementioned Canadian close and open.

Marlene is only the second person in the 20-year history of the Marsh trophy to win it more than once. Barbara Ann Scott, of figure skating fame, captured the honor three times — 1945, 1947 and 1948.

OLYMPICS COST AUSSIES MILLION
SYDNEY (CP)—Australia has received the bill for the 1956 Olympic Games—a loss exceeding \$1,000,000.

The city of Melbourne, which organized the Games, cannot meet this figure, so it has asked for help from the Victorian and Commonwealth governments.

The state government of Victoria is willing to find half — it presently considers the publicity its capital city received well worth the outlay.

The Commonwealth government, which had underwritten \$200,000 and may be asked for an additional \$300,000, is not so happy. Prime Minister Menzies said: "There is evidence of extravagance."

The main cause of the loss, apparently, was the Olympic village, where competitors were served with any type of food they wished.

On Thursday night, rumors have it that S. Sanford will replace J. Brooks on the Federal...

Ronnie Diamond Of Montague To Fight In Army Ch/Ship

Oakville, Ont.—Boxers from Regular Army units in all parts of Central Command are heading for London, Ont., and the Command Boxing Finals, March 6-7-8 in the Dundas Street Armoury.

Winners in two classes and nine weight divisions will move on to the Canadian Army Boxing Finals at Kingston, Ont., April 10-11-12.

From the finals selected boxers will compete later in the Dominion championships.

Last year the Canadian Army produced two Canadian champions and one Sgt. Les Mason, representing Canada in the 1956 Olympics in Australia.

During the past two weeks units, camps and areas have conducted elimination bouts and now have named their teams. All Command Finals boxers will represent units from Western Ontario Area (Headquarters in London). Eastern Ontario Area (Headquarters in Kingston), Camp Borden and Camp Petawawa.

In all about 70 fighters will trade punches in the novice and open class bouts.

19-year-old Ronnie Diamond, of Montague, P.E.I., will be representing the Eastern Ontario area in the boxing finals in the open light-welterweight division.

Diamond is one of the Canadian Army's outstanding mittmen, and even though he is young, is a veteran of 17 fights. Last year he won the command light-welterweight title and was runner-up in the Canadian army finals.

Ronnie, who is the son of Mr. and Mrs. Rollie Diamond, of Montague, is a signaller of the 1 Airborne Signals Squadron, Corps of Signals. He weighs in at 130 pounds.

Keen Competition Featured Battle For Playoff Berths

The fact that the Summerside Aces were not sure of being in the playoffs until the third last game of the season, and were not certain of second place until the very last game, speaks volumes for the closeness of the Island league race as far as the second, third and fourth playoff positions were concerned. The Parkdale Flyers romped home under wraps, but the other four teams battled it right down to the wire in a really exciting finish. Even Parkdale did not finish with such an imposing record, 14 wins and 8 losses.

The Aces started the league shakily, recovered to set a whirlwind pace that took them to the top of the league, slumped again, and finally, in spite of injuries which deprived them of two of their best players, came back strong to nip the powerful B.Y.C. Club for second spot. A brilliant forward line figured in both their winning streaks. In their first victory string, seven consecutive games to be exact, V. Harris, Coke Grady and Lorne Hennessey were the trio that did most to give the Aces the drive that made so many victories possible. Now in their second upsurge a new production line is holding the spotlight. Vance Harris, Ulric Gallant and Wallie Shepherd. Vance Harris is the only member of both lines, and as such, has been a party to both of Summerside's victory parades.

The imp. vement of young Ulric Gallant has been amazing. He keeps getting better every game, and has now 49 goals in the 37 games played. In fact, he hasn't missed scoring at least one goal in the last seven or eight games. The young fellow is not the kind of a player who struts only one way either. Ulric is a tireless checker and very often raises the ire of

Racing Was Top Spectator Sport

NEW YORK (AP)—Racing was the leading professional spectator sport for the fifth straight year in 1956 when attendance at thoroughbred and harness tracks reached an all-time high, a survey disclosed Tuesday.

The Morning Telegraph and Daily Racing Form, a daily thoroughbred racing attracted 32,104,375 persons and harness racing had 19,533,133 for a combined attendance of 51,637,506, an increase of 1,164,104 over the 1955 figure.

Organized baseball — the two big leagues plus the 28 active minor leagues—attracted a total attendance of 33,574,310 spectators, a drop of more than 2,000,000.

Western Provinces Top Canadian Curling Play

Canadian Press Staff Writer KINGSTON, Ont. (CP)—Rinks from the four western provinces occupied the top spots in the standing Tuesday night on completion of four rounds of the 11-round Canadian curling championships. Three of them — British Columbia, Alberta and Saskatchewan—have unbeaten records.

Two rounds were played Tuesday, second of the 173-day round robin class, and it was clearly a big day for the western stonemen.

British Columbia and Alberta, each with 4-0 records, posted double victories. Saskatchewan which received a third-round bye, defeated Ontario 11-6 and Manitoba, loser in its opening round match Monday, came up with two convincing victories Tuesday, 13-7 over Nova Scotia, and 12-0 over Quebec.

The Manitoba rink, skipped by Howard Wood, of Winnipeg, had a bye in the second round of the tournament.

The Campbell Brothers from Avonlea, Sask., pre-tournament favorites, had things much their own way in the game against the Orillia, Ont., rink skipped by Stan Sarjeant. The westerners allowed Sarjeant only single-rock ends to take the match 11-6.

The British Columbia rink, which has had to scramble for three of its four victories came from behind with a three-rock

final end to defeat Quebec 12-11 in Tuesday morning's third round and followed with a sparkling 19-2 shellacking over Newfoundland.

Alberta, skipped by the veteran Matt Baldwin from Edmonton who won the title in 1954, has had little trouble here so far. Baldwin and his mates walloped the last-place Prince Edward Island rink 17-3 Tuesday morning and scored an 11-5 decision over New Brunswick in the fourth round.

Northern Ontario was another two-game winner. The Port Arthur foursome smothered Newfoundland 18-6 and edged the Charlottetown, P.E.I. rink 10-9 in the afternoon. Port Arthur almost blew its fourth-round match.

Skip Don McEwen built up a 5-4 lead after eight ends but the Maritime rink scored two on the ninth, one on the 10th and another pair in the 11th to tie the score. Northern Ontario made it 10-9 on the last end.

The big excitement of the day came in the third-round Quebec-British Columbia match.

The score teetered back and forth. It was a tied 5-5 on the completion of six ends. British Columbia added three in the seventh and the Montreal foursome tied it at 8-8 with a two in the eighth and single in the ninth.

In the 10th B.C. added one. Quebec went ahead 10-9 in the 11th

with a two-ender. **THREE-ENDER**
On the final end, with Quebec sitting one and the Trail rink with three in the house, skip Reg Stone drew a shot that knocked out Quebec's rock. The B.C. rock also slid out, making it a three ender.

Two rounds will be played today—at 3 p.m. and 8 p.m. The match of the day is scheduled for the afternoon between Alberta and Saskatchewan. British Columbia meets Prince Edward Island in the fifth round and New Brunswick in the sixth.

Manitoba is drawn against Newfoundland in the fifth round and Prince Edward Island in the sixth.

Saskatchewan is drawn against Northern Ontario in the sixth round and Alberta is scheduled to go against Ontario.

Victorious Swedes Bid For Tour Of Can. Cities

MOSCOW (AP)—Sweden's amateur hockey team began negotiations Tuesday for a 13-match tour of Canada beginning at the end of this month.

The tour would last for three weeks.

Helde Berglund, president of the Swedish Ice Hockey Federation, had talks on the subject with Canadian promoter Jerry Regan before the Swedish team tied Russia 4-4 to win the world and European amateur championships.

Berglund said negotiations were in a preliminary stage and no firm commitments have yet been made by either side.

Stewart Meets With Giants

TORONTO (CP)—Ron Stewart, Canada's top college football player, is in New York conferring with officials of New York Giants of the National Football League.

The five-foot-six-halfback, named to the college all-star team in all four seasons at Queen's University, was scouted by the NFL champions last fall.

Team officials said he is capable of being a specialist in American pro ball. His tremendous speed and rapid-fire reflexes made him a natural for kick runbacks and despite his height, he was one of the best defensive players in college football.
