## Maritime Home For Girls Described At WMS Meeting

The Church Missionary Society of the United Baptist Church met at the home of Mrs. Thomas Cameron, the president, Mrs. G. H. Myers, president. The meeting opened with the missionary doxology, followed by the Lord's prayer.

The devotional period was in charge of Mrs. Arthur MacNeill. The theme of her message was "Good Weapons". This pointed out the necessity for Christians to avail themselves for good weapons in the fight against evil influences in their lives. One of the weapons necessary for the Christian warfare is "The Word of God" through which our need is revealed, and which can become a vital reality in our daily living. Another weapon is "love", which is the conquering power that breaks down evil.

A lesson of "Rehabilitation" was given by Miss Annie MacLean. This told of the redemptive homes which have been established for the rehabilitation of human lives. charge of the devotional service and the word for roll-call is "kind."

Reports were given of home and hospital calls made during the past month, and the offering was taken and dedicated.

A special program on "penal reform" in Canada was then presented by Mrs. Lloyd Fraser, assisted by several members who took part in a dramatization entitled "Talking Over", in this presentation the need for preventive work, and improved methods, for reforming those who have broken the law, was emphasized — Skilled supervision and care and enlightened public interests and co-operation are considered vital factors in helping offenders to return to their place in useful social living. Three great organizations in Canada which are very active in this work of crime prevention, penal reform and rehabilitation of prisoners are The Elizabeth Fry and John Howard societies and the Canadian Correctors Association.

A worship service related to this program which was based on the thought of "justice" and "mercy" was then conducted by Mrs. Archie Hume who gave the Scripture readings and led the group in prayer which was offered in unison.

The meeting closed with the Mizpah benediction.
