Track Meet Saturday

CHARLOTTETOWN'S biggest annual track and field meet, the Marlborough Invitational, was held Memorial Field Saturday with more than 100 entries from the three provinces.

The biggest entry will come from the Halifax Track and Field Club (20). The Islanders Club and Antigonish Highland School will each have 15 entries and Chester 16. The rest will be Bridgewater (16); Saint John (6); Moncton (4); Oranmore (6); Middleton (10); Salisbury (3); Amherst (3); Sackville (5); Truro (6); Dupuis Corner (2); and Pt. Duclere (3).

The September Maritime meet usually has been one of the province's best competitions and this year's will be rated second only to the very successful Eastern Canadian Age Class championships held in Summerside.

Track and field has probably had its best summer ever in Prince Edward Island, a lot of credit can be handed and a select group of athletes—Dan Rowell, Charles Bullen, Dennis Leclair, John Kane, Jim Hogan, George MacKay, Don Matheson, Bob Miller and a few others.

They have made the most of what is available. You can't say anything without them—Andy Arsenault, Bob Heacher, MacLeod, Joe Cheever, Robert Waugh, Rhoda MacLeod, George Cheever—these are some of the stars, but it's the "little" competitors who are the most out of track and field. It is a character and body builder.

Marjorie Is Coming

ONE OF the country's top track and field performers and a girl who sure doesn't need any character building is Marjorie Ann Scarborough who will be here tomorrow with the Halifax Club.

Marjorie, who won the hearts and cheers of fans and competitors at the Eastern Canadian meet in Summerside, eliminated her brilliant season at the national Age Class meet and finished last year's season with a 2:02.60 400 m dash, shot put and a second in the 200 yard dash.

She turned in some outstanding performances at the Olympic trials in St. Louis, Missouri, but missed a berth at the '64 Tokyo Games. She has been invited to compete in another Olympic trial in Montreal later this month however.

One of the more interesting events of the meet will be the 100 m dash in which Marjorie will be teamed with Bob Lockett, Bridgetown, and Wayne Beazley. They are rated the best three mile team.

Until two years ago Beazley had a long string of successive wins in the Marlimes and gave Bruce Kidd a scare in Toronto during a national meet. Beazley's best performance this season, one at Greenwood and again at Antigonish.

Andy will probably be favored to win tomorrow, but then it's hard to say what kind of performance Lockett can come up with on the usually slow Charlottetown track. Two who haven't met this year, Louise Lockett, St. John's, and Andy, Antigonish, will be in the 400 m dash. Andy will be in the 400 m dash. Andy will be in the 400 m dash.

Off The Cuff

DEREK YEO, a former Islander, who hurled Dartmouth Juniors to the Maritime Junior title over Halifax last season and won the best of five series.

The 18-year-old lefty defeated Halifax Vixens 6-2 with a one-hitter earlier this season. He pitched a 2-0 shutout in the first game of the best-of-five series.

SAINT DUNSTON'S University Saints open football camp Tuesday morning, as coach and star player, Bill Hill, expects to have a good turnout. Hill said he has contacted most of the Island players and hopes they will come to the camp, but they may have missed the deadline to sign up.

Former National Hockey League player, who has always had a big time coaching circles by accepting a position as mentor of Hamilton Red Wings in the OHA Junior "A" league. He will be coaching the team for a few weeks.

Kentville's Hockey School came to terms with one of the nicest guys in the game, Detroit chief scout Jimmie Sweeney. Sweeney has had a very progressive summer under JIM FOX, Bobby Lund, Gordie Whitlock and "Pasty" Connolly.

HUNTER'S CORNER

Wildgeese Have Arrived; Upland Game Conditions

The first wildgeese of the season arrived from their northern breeding grounds in the early 20th when a flock of seven—two adults and five youngsters—dropped in at Rocky Bay. A flock of approximately one hundred were reported to have been seen at this time.

It was not confirmed. It could have been a scouting party or a small flock. The grain appears to be in ripening stages. The grain appears to be in ripening stages. The grain appears to be in ripening stages.

Jackie Brandt, Halifax, is making a serious bid for the Canadian Junior title in the 100 m dash.

But time is running out on the 18-year-old Brandt, who is SHORTLY TO PROVE her worth in competition. After today he won't get another crack at the national Junior title in the 100 m dash.

Bryant and Jim Sead, Vancouver, battled their way through a pair of tight semi-final rounds at the Bellevue Golf Club here yesterday and are scheduled to meet today in a 36-hole final for the Canadian Championships.

DEFEATS WERE Sead defeated Wayne MacDonald, Toronto, 4 and 3 Thursday morning to reach the quarter-finals in his home B.C. But time is running out on the 18-year-old Bryant, who is SHORTLY TO PROVE her worth in competition.

Bryant had little difficulty disposing of Kees Hubers, Campbellton, 5 and 4 in the morning but had to come up with his best effort of the tournament to date in the 17th hole of the 18-hole final.

The lone Islander to reach the quarter-finals, Jim Irwin, fell to Jim Short Thursday morning in an exciting match that saw Short sink his putt on the 18th to win one-up.

Short had a one-hole lead over Irwin after nine as John and fourth on the back nine. Short took a three-hole lead with par on the 10th and 14th but Irwin came back to win the 16th with a birdie and the 17th with a par.

Irwin had the 18th hole in hand but Short won in the same trap on their second shot. Irwin blasted to within 15 feet of the pin but Short missed his shot as his ball hit the edge of the trap and fell to the side of the green.

Short's 12-foot putt broke for the center of the cup but Irwin went past. The two other Islanders in the tournament, Bobby Irwin and Ronnie Boyes, were eliminated from play when they failed to reach the quarter-finals.

HUBERS ELIMINATED Besides John Irwin, the 'at N.B.P.E. player to be eliminated was Kees Hubers, Campbellton, who was handily beaten by Bryant in morning play. Irwin and lead four holes after nine. The final count was 5 and 4.

In the Sead-MacDonald morning match, Sead was one-up on the ninth with a beautiful downhill 15-foot putt. On the back nine Sead won the 11th, 12th and 14th.

Moore led Gordon Stollery, Toronto, one-up after nine but Stollery won three straight holes on the back nine. Moore won the 16th and 17th and won the match on the extra hole with a birdie putt.
