# CAMPUS COMMENT

QUESTION: How is residence life this year?

Ensor MacNeill-Marion  
It's excellent if you don't like academics. It's great for partying. Everyone is friendly.

Brendon Bulger-Blanchard  
It's changed a lot this year, but it's a change for the better. The atmosphere is more conducive to studying. I like it.

Nancy MacMillan-Bernadine  
The food is bad but the living accommodations are good. There are too many empty rooms—we need more people. The fees are too high. The spirit is great and the closeness of the two residences is great.

Maggie Stewart-Blanchard  
It's better this year—quieter due to the people living here. The building could be improved; for example: the flood which occurred first semester. It seems that the rooms aren't checked as well as they could be. The color schemes need definite improvement.

Greg Sonier-Marion  
It's fun, there's lots of parties. I hear it's quieter than last year. We need a pool table.

Tom Clarke-Blanchard  
Blanchard is the best because there is a lack of privacy in the others. However, it's very boring on weekends. It's really expensive and people from away don't have much choice. So we're stuck here and we have to make the best of it.

Caroline Hamilton-Irving-Bernadine  
It's great—I really love it. Everyone is like a big happy family.
