Battle Of The Giants

RACE fans everywhere are talking about the battle of the giants this coming Thursday night at Summerside Raceway. Four great opponents and the finest lights are entered for the Marlinton circuit \$2000 free-for-all which goes Thursday at the western oval.

There are those who insist that in this class will be June Byrd, Dominion Byrd, Bob Brook and Tammany Hall. Everyone of this quartet has scored important victories in his class and each of the four are hoping to hit his winner's circle Thursday.

JUDGING by the talk in restaurants, barber shops and street corners, this race Thursday is the race public in a high state of excitement. Opinion is fairly well divided on the eventual winner and those calling certain horses are logical reasons to back their selections.

Some others who like the other Poplar Byrd offspring, Dominion Byrd, insist that the Greenbrier Farm mare hasn't showed her superiority over their darling, Dominion Byrd didn't participate in the Marlinton at Brunswick Downs. June Byrd backs insist it wouldn't have made any difference but those supporting Doug Hill's pace claim it certainly could have.

Dominion Byrd had a 2-2 summary in The Evening Patriot Inaugural and June Byrd settled for a 3-3.

Quite A Performance

BUT June Byrd's 2:04 1/2 mile at Moncton is hard to argue against. It shows the mare is improving each time you can't blame her backers if they look for even greater things this Thursday night.

It is therefore quite probable that June will go into this big Thursday night. It's hard to overlook performance and free-for-all as favorite. She has had a good race her winning effort last Saturday she would be in top shape for this week's battle. But that horse leading in the number two hole, Dominion Byrd, is most likely to hear plenty of watching. He has looked better each time out since 1960 and the layoff since the Evening Patriot Inaugural should be a great help to Doug Hill's pace. We have the feeling that Dominion Byrd will be the one to break through the mutuel windows before the first dash of this big race gets going.

And Tammany Hall

AND what about Tammany Hall? This is a pace owned by Stan Mayhew and Jack Brown and driven by Clarke Smith. It was Tammany Hall that got him a winner in The Inaugural Pace first dash at Moncton in Charlottesville. It was this same Tammany Hall that grabbed both trips of the Inaugural a couple of weeks ago at the C.D.P. It could indeed be the time for another Tammany Hall upset. Each time Tammany does come through he pays heavily at the mutuels. However, should he conquer Thursday night, he's more likely to pay off with more backers than usual. He's respected each time out.

And Bob Brook

AND then, of course, there's Bob Brook, the pre-race favorite here in Charlottesville a couple of weeks ago. Bob Brook hit the wire first since his 2:45 mile at Saint John. He will have Walter Coak teaming him this time and we know no fellow who is in a better job. Walter, we understand, will leave the local oval this week to work the rest of the season with Don MacKenzie. A real handy man around the C.D.P. Walter will be missed. He'd surely like folks to remember him as the guy who drove Bob Brook to victory at Summerside. It's a big chance for Craig and nobody knows it better than Walter.

He will have loads of backers at the mutuels and don't be surprised if he heads the field. All of this excitement is set for Thursday night July 18 at Summerside Raceway.

Eight Dashes Set For 5 Side Track

Another good race card is Abn, Captain Chick, Frisco Hanover for Summerside Raceway, Friday, July 19. This is the kind of a struggle that will hardly produce a double-Lobster Carnival Week's big dash winner. Every one of the eight dashes on the racing menu, six has a good horse to head the classes are of the double.

Dashes on and should provide the earmarks of exciting battles. In the first trip of this event, Arturo Hanover and Frisco Hanover will be the main attraction. Here there are six entrants ready to do battle. King Steves has the rail position with 1 1/2 section packages program opposition coming from Jolly which swings into action at 8:15.

Exciting Track And Field Meet Is Scheduled Today — BY NICK FILLMORE — SUMMERSIDE — What could easily be the greatest meet in the history of Prince Edward Island track and field will be staged at Queen Elizabeth Park today with entries from all major Maritime centres taking part in the annual lobster carnival invitational.

Only 125 competitors are expected to be on hand for the meet but included in the group will be a number of athletes capable of holding their own with the best in the country. Meet co-ordinator Charlie Morrison yesterday said that the track has had considerable work done on it and is "bullet fast". "The track is in the best shape I have ever seen," says Charlie, "and some mainland officials were in town the other day and said it compares favourably with the best in the Maritimes."

New Brunswick will bring what has to be considered the top team because of their past performances. Including Sandra Barr, St. Stephen; Chrystal Olive, Warren; and a dry, fast track could see at least 12 Canadian records fall in the men's open division this year. Frank Bradley was on the hill for the All-Stars and pitched three more times in the sixth to take what seemed like a tall 9-4 lead the Lions staged their greatest comeback. They tagged Bradley for five singles to give them two walks and a double. However, the Colts got homers from Rusty Stutz in the seventh and Jim Campbell in the eighth. Bob Sadowski and Bush.

PHILADELPHIA (AP) — Sandy Koufax, 25, of the Los Angeles Dodgers' southpaw, pitched his ninth straight victory on Tuesday. He struck out over Philadelphia, but the Phillies won the second game of the doubleheader. The outfielder Johnny Callison hammered four hits, including two home runs, in the first inning. Koufax, who entered the game with three straight shutouts, added six perfect innings before Tony Taylor led off the seventh inning with a double. Taylor scored a few moments later on an infield hit and a sacrifice fly by Tony Dick. Mal Kal, Devereer, Boomtown, Ken's Pride and Myrtle E. Four other dashes round out the action. The program opposition coming from Jolly which swings into action at 8:15.
