Power Trade Is Suggested To Settle Labrador Dispute

QUEBEC (CP) — Opposition Leader Daniel Johnson and a Quebec cabinet minister agreed in the legislature Friday that the province can take advantage of Newfoundland's desire to build a power dam on the Hamilton River to settle the Labrador boundary issue.

Referring to the Hamilton Falls project, Mr. Johnson said "the present economic situation is more favorable than it has ever been to negotiate an agreement with Newfoundland on the boundary."

Newfoundland, he said, needs Quebec's co-operation in developing the falls, particularly if it is going to export some of the 7,000,000 horsepower that could be developed.

Gerard D. Levesque, minister of industry and commerce, said the government "is well aware of the situation created by the possible and probable development of Hamilton Falls." But it was a subject on which Premier Lesage had been working and it was up to him to make announcements.

Mr. Lesage was not in the House.

Mr. Johnson expressed fears that because of Mr. Lesage's silence on the problem and the apparent willingness of Newfoundland Premier Joseph Smallwood to talk, an agreement unfavorable to Quebec has been signed already.

He said Quebec might have got a pelletizing plant, to process Wabush Lake Company ore — which Mr. Smallwood wants built in Labrador—while allowing Newfoundland to run power lines from Hamilton Falls through Quebec to the United States market.

THE ROSE STILL GROWS BEYOND THE WALL

Near shady wall a rose once grew,
Budded and blossomed in God's free light;
Watered and fed by the morning dew,
Shedding its sweetness day and night.
As it grew and blossomed fair and tall,
Slowly rising to loftier height,
It came to a crevice in the wall.
Through which there shown a beam of light.
Onward it crept with added strength,
With never a thought of fear or pride;
It followed the light through the crevice's length,
And unfolded itself on the other side!
The light, the dew, the broadening view,
Were found the same as they were before,
And it lost itself in beauties new,
Breathing its fragrance more and more.
Shall claim of death cause us to grieve,
And make our courage faint and fall?
Nay, let us faith and hope receive—
The rose still grows beyond the wall.
Scattering fragrance far and wide,
Just as it did in the days of yore;
Just as it did on the other side,
Just as it will for evermore.

OBITUARY

MRS. COLIN MacEACHERN

Friends and relatives of New Argyle and surrounding districts were shocked and saddened to learn of the sudden passing of Mrs. Colin MacEachern in the early morning hours of May 8, 1963 at the age of 57 years. Although not in the best of health for a number of years she had been about her usual daily activities until a few hours before her departure to her Heavenly Home.

Born Nov. 12, 1905, she was the former Margaret Elizabeth Campbell, youngest daughter of the late Neil and Sarah (MacEachern) Campbell, Canoe Cove, where she resided until her marriage in 1932..

A member of the Canoe Cove Presbyterian Church, she was always in attendance when health permitted. Her conversion, which took place early in life, gave her a peace and satisfaction that made her ever ready for that Heavenly Call, no matter when it should come. She was always willing to sacrifice anything to help in furthering the Lord's work here and elsewhere. Her kind and cheerful personality endeared her to many friends and her hospitality in the home was much enjoyed by those who visited her. She is sadly missed by all, but her departure is most keenly felt at home, where the memory of her Christian influence and motherly affection will ever be cherished by her family. As a loving wife and mother, truly it can be said of her, "She hath done what she could and her good works do follow her."

Besides her husband, she leaves to mourn her passing two daughters: Stella, teacher at Cape Traverse, and Etheleen a student at Gallaudet College, Washington, D.C., also one brother, Archie, Charlottetown and a niece, Mrs. John Gillespie, Clyde River. She was predeseased by three sisters: Catherine, Ethel, Sadie, an infant brother Neil and a nephew Stewart MacEachern.

The funeral service, which was largely attended, was held on Saturday afternoon, May 11 with a short service at the home followed by service at Canoe Cove Presbyterian Church. All services were conducted by Rev. Raymond L. Gillis, who spoke comforting words to the bereaved. The hymns sung were "The Lord's My Shepherd" and "Asleep in Jesus". During the service Mrs. Raymond L. Gillis very beautifully rendered a solo "In the Garden", a favorite of the departed. Mrs. Gordon MacKinnon was organist.

Pallbearers were: Gordon MacEachern, John MacEachern, Melbourne MacEachern, George MacLean, Dan MacPhee and Roy MacLeod.

Flower bearers were: Earl MacEachern, Fred MacPhail, Arnold MacEachern, Harvey MacEwen, Ralph MacKinnon, Neil Darrach, Kenneth MacLean and Lloyd Smith.

Burial Service was held at Floral Hills Memorial Gardens, Fredericton, where her remains were tenderly laid to rest.

Frigate Plan Possible Cut Viewed Threat

VANCOUVER (CP)—Any cutback in Canada's $374,000,000 frigate-building program would be a serious blow to industry generally across Canada, shipbuilding executives say.

J.W. Hudson, executive vice-president of Burrard Dry Dock Company here, said Friday he is hopeful the government won't scrap the eight-ship program. This was indicated as a possibility by Defence Minister Hellyer in Ottawa Thursday.

Mr. Hudson, president of the Canadian Shipbuilding Association said: "Only 40 per cent of the amount would be spent in the shipyards. The balance would be spent in industry across the country. Many people outside the shipyards would be affected, particularly the suppliers of major components for the ships."

John Wallace, general manager of Yarrows Shipyards, Victoria, said scrapping of the program would be as disastrous to the shipbuilding industry as was the scrapping of the Avro Arrow jet plane project to the aircraft industry.
