

Drama Adjudicator

Mr. John Allen, British actor, stage manager and playwright, will adjudicate Canada's thirteenth regional drama festivals early next year.

Mr. Allen has been active in theatrical circles in England for the past two decades in various capacities and has acted as adjudicator for many festivals.

As adjudicator of the thirteen regional drama festivals Mr. Allen will decide which group should get the regional Calvert Trophies and also the Sir Barry Jackson Challenge Trophy, which is awarded for the best presentation in the regional festivals of a play (either full length or short) written by a Canadian.

Mr. Allen will start his 10 week adjudication tour in Ottawa January 12th. From Ottawa he will go east to Quebec and the Maritimes; then cover the Prairies and the Pacific Coast returning to conclude his tour in St. John's, Nfld.

Salvation Army To Hold Reunion

The Salvation Army Men's Association are sponsoring what promises to be an unusual weekend in the history of The Corps. November 27-30 inclusive will mark four days of happy re-union at the Charlottetown Citadel, with intensive evangelism the key-note of all planning.

The Secretary of the Home League promises yet another of the famous "Army Suppers" for which P.E.I. is noted, to be followed by a variety program of sacred and classical instrumental and vocal numbers.

The many friends of Mrs. W. T. Wood, Georgetown, will be sorry to hear that she had to enter the Charlottetown Hospital for treatment.

Mr. Ralph Raynor, Mt. Hebert, returned home last evening after visiting relatives in Millstream, Plaster Rock and Campbellton, N. B.

Mrs. Albert Nicholson of Orwell Cove left on Saturday, Nov. 8th for Vancouver, B. C., where she will visit her sister, Mrs. D. S. MacRae. En route she spent several days with friends in Montreal and from there was accompanied by Mrs. Amy MacDonald of Vancouver.

Mr. W. J. P. MacMillan presided at the monthly meeting of the P.E.I. Executive, Canadian Red Cross Society held at Red Cross Headquarters in Charlottetown in the unavoidable absence of the President, Judge L. G. Lewis.

Rev. M. D. Dunbar was appointed as Provincial Chairman of the Red Cross Swimming and Water Safety Committee to replace Mr. W. K. Sharpe who has left the Province.

Satisfactory progress reports were given by the chairman of the different standing committees The Women's Work Committee reported that there has been a good response to date to letters sent out to over 200 groups asking for their continued co-operation in the making of knitted and sewn garments for overseas. In connection with this report a letter was read from the Chief District Officer of the United Nations.

Discussion On Cost of High School Facilities

"We all realize the need for added facilities and for considering carefully ways and means, besides discussing the situation with the Provincial Government," said City Councillor F. J. Storey, at the conclusion of a full morning session yesterday in the Council Chamber, devoted to the High School subject, over which he presided in the absence of Mayor Stewart.

The meeting of Councillors and School trustees was addressed by Mr. W. W. Downie, Halifax architect, a member of the firm of Downie, Baker and A'Hearn who said that a High School here of 24 classrooms, capable of accommodating 740 pupils at 35 per room, appeared to be what was required, and that the cost for such a structure would be from \$570,000 to \$650,000. Pupils from Grades 7 to 12 would be taken care of in such a school.

Besides the 24 classrooms, two laboratories, a home economics department and a department for industrial arts would be provided

Receives Degree

George Harold West son of Mr. and Mrs. Willard West of this city received the degree of Master of Applied Science in Mechanical Engineering from the University of Toronto at the Fall Convocation exercises held in Toronto last night. He received his early education at West Kent School and Prince of Wales College before joining the services in 1942. Upon discharge he studied at Mount Allison University, Sackville, and the University of Toronto, Toronto, graduating from the latter in Engineering Physics in June, 1951. He was granted a National Research Council Bursary to continue his studies in heat transfer. This summer he accepted the position of Junior Research Engineer with the Hydro-Electric Power Commission of Ontario.

Purchases Lot Of Horne Motors

Following closely on the heels of a demand by the City Council to keep cars from being parked on the streets and interfering with sweeping and snow removal comes an announcement that private parking on a monthly basis will be arranged by Mr. Maurice Block. Mr. Block has announced the purchase of the Horne Motors lot on Kent Street which was occupied by the previous owners until last year's disastrous fire.

Mr. Block states that the rear part of the new site will be used in connection with his own business which is situated in the rear portion temporarily will be rented to private car parkers on a monthly basis.

The August, 1951, fire destroyed the establishments of Horne Motors, Batt and McRae, Rankine McLaine and the Benevolent Irish Society. The latter is the only one to rebuild on the old site, the others having built or are building in other locations.

New Male Quartette Makes Fine Impression

An appearance by the "Song world. John Pettersson, first tenor. Masters," a new male quartette is from Winnipeg, Canada; Jack Prigmore, second tenor, was born in Texas; Joseph Frederic, baritone began his career in New York, and the bass, Ivar Ivarson, is from Norway.

Beautiful shading and blending, and exceptionally fine diction, made the concert one which was very well received by the capacity audience in attendance.

It was interesting to note that the four singers, who are travelling from Newfoundland to New Mexico in their tour, are from widely scattered centres of the
