OBITUARY
CLARENCE A. STEWART
Inserted by the family
Friends, relatives and neighbors were shocked to learn of the sudden passing of Clarence Allan Stewart of Bay View, P.E.I. on the afternoon of July 16, at his home. Although in failing health for the last few years he was able to be around and it was not thought the end was so near.
Clarence was born at Bay View on April 17, 1892. He was the son of the late Janie Bulman and James Robert Stewart and spent his life on the Bay View farm. He will be remembered as a good neighbor, loving husband, father and grandfather.
On December 15, 1920 he married Mary Ethel Orr of New Glasgow. To this union was born one son, Ellwood, with whom he resided.
He leaves to mourn besides his widow and son, Ellwood, three grandsons, George, Kenneth and Ian, also one sister, Margaret.

OBITUARY
MR. EDWARD J. PHEE
Inserted by the family
The news of the sudden death of Edward J. Phee on June 15, 1966 was received by relatives, friends and neighbours with great sadness.
The deceased, son of the late Mr. and Mrs. Peter Phee, was born in Tignish where he lived his entire life except for two years spent in Toronto from which he returned one year prior to his death.
Eddie was well known and much liked by all. A loving husband and friend, a good neighbor, he will be greatly remembered and missed by many but the home is where the loss is irreplaceable.
The large number of Mass cards, enrollments and messages of sympathy received by the family were a silent tribute to the esteem in which Eddie was held.
He leaves to mourn a sorrowing widow, two brothers, Frank and Clifford at home; Dora, Mrs. Neil Murray of Woburn, Mass., who arrived home for the wake and funeral. A great number of people visited the home and attended the funeral which was held from St. Simon and St. Jude Church, Tignish, Saturday morning where Solemn Requiem High Mass was celebrated by Rev. Father Gaudet as celebrant, Rev. Father Tardiff, as deacon, Rev. Father Lee Gillis, student priest, as sub-deacon and Rev. Father Rooney as Master of Ceremonies.
The pallbearers were Bruce Phee, Wesley Gallant, Patrick Buote, Melvin Buote, Edwin Doyle and Earl Brennan. Flower bearers were Garry Bernard, Jimmie Buote, Pius Broderick, Robert Buote and Dale Gaudet. Interment was in the church cemetery.

Statistics Bureau
Releases Report
OTTAWA (CP)—An increase of more than one-quarter in Canadian exports to the United States and countries outside the Commonwealth in the first half of 1966 gave Canada a narrow export trade surplus in the six months, the Dominion Bureau of Statistics has reported.
Imports from all countries were 16.9 per cent higher at \$4,750,000,000, but exports were 19.1 per cent higher at \$4,786,000,000 compared with the first half of 1965. This left Canada with an export surplus of \$26,000,000 compared with a commodity trade deficit of \$51,500,000 in the first six months last year.
Most dramatic growth was in trade with the United States. Imports in the first half of 1966 were up 20.1 per cent to \$3,503,000,000, while exports bounced upwards by 25.2 per cent to \$2,952,600,000.
The deficit of \$551,200,000 in trade with the U.S., little changed from \$557,000,000 in the first six months of last year, was more than covered by an export trade surplus with other countries, half of it with non-Commonwealth areas.
Exports to these countries, however, were down 25.4 per cent in June to \$33,900,000. They were down 9.4 per cent in the six months to \$230,600,000.
The six-month trade figures came from DBS when it announced import figures for June. They were up 13.2 per cent over last June to \$899,200,000. The bureau announced earlier that exports for the month were up 16.1 per cent to \$737,200,000 in trade with all countries.
PURCHASES UP
In trade with the United Kingdom, June purchases ran to \$49,000,000, up 1.7 per cent from a year earlier, while sales to Britain were down 10.5 per cent to \$38,900,000. In the six month period, imports were up nine per cent to \$316,900,000, while exports were off nearly three per cent at \$554,400,000.
This resulted in a smaller export balance in the first half of this year. \$237,600,000 compared with \$230,000,000 in the first six months of last year.
Canada's purchases from other Commonwealth countries and countries with which Canada has Commonwealth preference trade agreements were 11.6 per cent higher in June at \$41,500,000, and 7.3 per cent higher in the half-year at \$169,600,000.
