

Is Life Worth Living?

The great frequency with which pale, slow and enfeebled girls are met now-a-days is cause for genuine alarm. The young girls of the present generation are not the healthy, robust, rosy lassies their mothers and grandmothers were before them. Their complexion is pale and sallow or waxen in appearance and they are the victims of heart palpitation, ringing noises in the head, cold hands and feet, often fainting spells, racking headaches, backaches, shortness of breath and other distressing symptoms. All these betoken chlorosis or anaemia, or in other words a watery or impoverished condition of the blood which is thus unable to perform its normal functions and unless speedily enriched with iron and other remedies which give richness and redness to the blood, serious organic disease and an early grave is the inevitable result. Is not this prospect sufficient to cause the gravest alarm? Mothers are your daughters suffering from any of the symptoms indicated above? If so, do not delay in procuring a remedy that will save them. Delays in such cases are not only dangerous, but positively fatal. Dr. Williams' Pink Pills for Pale People is a remedy compounded especially to meet such cases. These pills are not a patent medicine, but a remedy prepared with the great care from the formula of an experienced physician, who has used it for years in his daily practice with unvarying success. These pills are especially rich in those constituents which stimulate the blood and give it that rich, red color necessary to preserve health and life. They are in all cases a never failing blood-purifier and nerve tonic, acting upon the system in a natural manner and restoring health and strength to all who suffer from a watery or depraved condition of the blood or from any of those weaknesses peculiar to females. Dr. Williams' Pink Pills are sold by all dealers, or will be sent post paid on receipt of price (50 cents a box) by addressing the Dr. Williams' Medicine Co., Brockville, Ont.

The "Funnel Scheme," if brought to a successful issue, will, no doubt, be a great boon to Prince Edward Island, but as yet it is in the future, and "free trade relations" with our cousins across the border. Election times people generally get excited; a remedy for this is to keep the blood cool by eating a stalk of celery every day. This prescription is free. The celery is to be procured at Gay's Stable, in market, at 10 cents per bunch. Pigeons on application for large lots. Address: J. J. Gay & Son, Pownal, Feb. 2-2w 2aw

A Few Facts.

The latter half of the 19th century will pass into history as one to which is crowded more inventions and discoveries for the benefit of mankind than in all the centuries that have preceded it. Among these discoveries none will take higher rank than those in medicine, which restore vitality and prolong life. Ladies everywhere will rejoice at the discovery of Dr. Williams' Pink Pills, and undoubtedly the greatest remedy for their peculiar ailments yet discovered. These pills are the result of an almost life study and are a certain nerve tonic and blood builder, supplying the elements necessary to enrich the blood and transform pale, sallow, or greenish complexions to the pink and glow of perfect health. These pills are an unfailing cure for nervous debility, palpitation of the heart, loss of appetite, headache, all the irregularities of the female system that entail so much misery and distress. Every suffering woman should give them a trial. For sale by all dealers, or will be sent post paid, on receipt of price—50 cents a box—by addressing the Dr. Williams' Medicine Co., Brockville, Ont. Beware of imitations.
