REMEMBER Mr. Bayfield's concert this evening.

THE FLORIDA arrived from Boston last night with a general cargo and a large number of passengers.

TALL RYE.—A stalk of rye cut with a scythe on the farm of William Macdonald, Panmure Island, was shown THE EXAMINER to-day. It measured 6 foot 10 inches.

SUMMER SCHOOL OF SCIENCE.—Opening meeting to-morrow evening at 8 o'clock in the Opera House. Interesting addresses. Good music. Admittance free. Regular class work commences on Thursday, the 5th inst., in Upper Prince Street School, at 8.30 a. m.

THE B. I. S. PICNIC.—The Benevolent Irish Society will hold a grand picnic at Scotchfort on 6th August next, the 119th anniversary of O'Connell's birth. This promises to be the affair of the season, and will be patronized by all who wish to spend a real good day.

FIREMEN'S INVITATIONS.—Chief Engineer Large has received an invitation to be present at the twenty-second annual convention of the National Association of Fire Engineers, to be held in Montreal on 14th, 15th, 16th and 17th of August, next. Chief Large has also received an invitation from St. John asking the Fire Department to take part in the firemen's tournament to be held in that city on the 14th and 15th of August.

FIRST METHODIST CHURCH.—The service at Zion Church on Sunday morning, and the union service at the First Methodist Church on the evening of that day, were largely attended. Rev. Ira D. Sankey, whose name is familiar throughout the land, took a prominent part, and during the exercises sang a number of his most popular melodies. His recital of different events in connection with his work were of thrilling interest. It is not often that a Charlottetown audience has the pleasure of listening to such a distinguished man as Mr. Sankey, and we trust he may soon be able to repeat his visit.

DOMINION DAY.—The day was generally observed in Charlottetown, most of the public offices and stores being closed. At noon a royal salute was fired from Fort Edward. In the afternoon there was a very interesting game of base ball at the park. There were private picnics innumerable, and the railway and steamboat were well patronized. Captain Paoli's trim little steamer, the May Queen, was, of course, busy carrying excursionists, and the various livery stables were depleted of horses at an early hour. The races at Summerside, a report of which is published elsewhere, were well attended and were greatly enjoyed.

THE BICYCLE GUESSING.—The cents in the bottle on exhibition in Prowse Bros.' store for some time past were counted on Saturday evening. The exact sum in the bottle was $45.68. The exact number was not guessed. There were three guesses of $45.67, the guesses being made by A. E. Arsenault and Bruce James, of this city, and John McKinnon, of Bonshaw each one cent short of the total amount. They will decide between themselves regarding the ownership of the bicycle. Annie McRae, of Canoe Cove, guessed $45.66, and James Fraser, of Charlottetown, $45.70. There were upwards of 1800 guesses in all, ranging from $1.50 to $450. Should any person hold a coupon for $45.69, he or she is requested to present it at once.

BAPTIST CONVENTION.—The Baptist Association of P. E. I., churches, recently convened with the church at East Point, was one of unusual interest. The various churches throughout the Island are well manned with enthusiastic young pastors, who are in full sympathy with all the denominational enterprises. Reports from churches show a large addition to membership, an increased interest in devotional work, and a considerable advance in benficence. Among the visiting brethren present were Dr. Saunders, of the Messenger and Visitor; Rev. J. W. Manning, Halifax, representing the Foreign Missionary Board; Rev. A. Cohoon, Hebron, N. S., of the Home Mission Board; Rev. W. H. Warren, late of Sackville, N. S., and Prof. Higgins and J. B. Oakes, of Acadia University.

EPISCOPAL VISIT.—His Lordship the Bishop of Nova Scotia will visit Cherry Valley this afternoon. His engagements while in this Province are as follows:

July 4—Georgetown. Induction and confirmation.
July 5—Souris. Contingent on arrangements.
July 8—St. Eleanors. Induction.
July 9—Alberton. Confirmation.

July 12—Lot 11. Confirmation.

July 16—Kensington. Confirmation.
July 17—French River. Confirmation.

July 19—Crapaud. Confirmation.
July 20—Long Creek. Consecration of church.

ST. PETER'S JUBILEE—St. Peter's Cathedral was crowded on Sunday last at the three principal services. Rev. Dr. Owen-Jones was celebrant at the High Celebration of the Holy Eucharist at 11 a. m., and was assisted by Ven. Archdeacon Weston-Jones as Deacon, and Rev. James Simpson as Sub-deacon. Rev. T. H. Hunt acted as Bishop's Chaplain at this and the other services, bearing the pastoral staff. His Lordship Bishop Courtney preached a most eloquent sermon from the words: "Hereby perceive we the love of God because He laid down His Life for us: and we ought to lay down our lives for the brethren." At 3 p. m. His Lordship administered the Sacrament of Confirmation to 38 candidates—13 males and 25 females. His Lordship's address to the candidates was earnest, eloquent and practical. At Evensong His Lordship preached from the words: "Simon Peter answered and said, Thou art the Christ the Son of the living God." Like the morning sermon and Confirmation address, The sermon was most able, and listened to with rapt attention. After the sermon and procession the choir and clergy gathered round the Altar, where a solemn Te Deum was sung, after which the congregation knelt to receive the episcopal benediction. The music at all the services was excellent, reflecting much credit upon the choir and organist.

THE BABY ONCE MORE.

Serious Facts for the Consideration of Mothers.

All wise people will readily admit that, for young infants, the ideal food is healthy mother's milk; but when this is out of the question, a prepared infant food must be used. This prepared food should closely resemble healthy human milk.

It is now admitted everywhere that Lactated Food is the best substitute in the world for breast milk. Its basis is the same as that of mother's milk, that is, sugar of milk; and with it are combined the nutretive, qualities of the great cereals, wheat, barley and oats, so prepared as to be readily digested and assimilated. The efficacy of the nutretive qualities of Lactated Food has long been acknowledged by the medical profession. No other food in the world has received such hearty recommendation and praise from mothers.

It is the only food in the world that can ward off dysentry and cholera infantum; and it can truly be said that Lactated Food saves the babies from death.

Every mother should give her infant Lactated Food if it is not progressing in health and growth. One week's feeding with the great Food will satisfy any mother of it virtues and superiority.

THE LADIES.

The pleasant effect and perfect safety with which ladies may use the California liquid laxative, Syrup of Figs, under all conditions, makes it their favorite remedy. To get the true and genuine article, look for the name of the California Fig Syrup Co., printed near the bottom of the package.

GOOD WHEELING.—Mr. A. D. Taylor, of Amherst, left his home on Saturday night at 8.30 and arrived in this city at 12 o'clock Sunday noon, having wheeled from Amherst to Cape Tormentine, then from Cape Traverse to Charlottetown, a distance of 75 miles in 7 hours time. Those who know anything of the hills and sandy roads between here and Cape Traverse, will consider the above wheeling very good. Mr. Taylor left for home this morning.
