It is rumored that Mr. Harper has received notice that after the first of September next, his services in Prince of Wales College and Normal School will not be required.

LARCENY.—Patrick Cavanagh was arrested on Saturday, charged with stealing a number of wrenches from Mr. James Dover. Cavanagh was examined by the Stipendiary Magistrate this forenoon, and remanded to jail for eight days.

A CENTENARIAN GONE TO THE POOR HOUSE.—This morning about 9 o'clock an old man named Woods was found sitting on the steps of the office of Longworth & Shaw, on Great George Street, by Mr. Patrick Sweeney. He was weak from hunger. Mr. Sweeney hurried to his own house and brought the old man some food. In a short time he revived. When questioned he said that he was one hundred years of age, and that he was a native of the County Tyrone, Ireland. When he landed on Prince Edward Island about thirty-eight years ago he possessed in cash the sum of one thousand pounds sterling. He gave the bystanders a short history of his life. He had a distinct recollection of the Irish Rebellion, and the execution of Robert Emmet. He saw many of the revolutionary leaders, and heard Lord Norbury delivering judgments from the judicial bench. Hon. Neil McLeod gave him a letter to Sergeant Allen, and Mr. James Byrne procured a wagon and drove him "over the hills to the Poor House."

A COMMUNITY of the Jesuits expelled from France, are going to take charge of the Roman Catholic College, St. Dunstan's at Charlottetown. This will be gratifying news to the Catholics of that place. France's loss will be their gain. As educationalists the Jesuits are justly celebrated, and graduates from their Colleges are to be ever found foremost in the ranks of the world's great men. It is rumored that the Rev. Mr. Kenny, son of Sir Edward Kenny, at present Principal of an American Jesuit College, will be removed to Charlottetown to assume the direction of St. Dunstan's. The above from the Halifax Herald, is slightly incorrect. Application was made to Stoneyhurst, England, for Teachers, from whence they will be appointed. The appointment of Rev. Mr. Kenny as director at St. Dunstan's, is only a rumor, but if it proves true it will be most desirable.

THE KITTIE LOUGEE COMEDY Co. will open in the Market Hall on the 7th inst., remaining until Saturday. Mr. J. C. Brown is the business manager of the Company; he is staying at the "Rankin." The Globe, speaking of one of this Company's performances in St. John, says: "The Kittie Lougee Comedy Company played 'Rip Van Winkle' last night to a good audience. Mr. Fanning sustaining the leading character admirably. The laughable farce 'The Fool of the Family' concluded the entertainment, which was in every respect a success. Miss Lougee won fresh laurels and has made herself a great favorite here. This afternoon a matinee is to be given when 'Uncle Tom's Cabin' will be produced. Mr. Fanning taking the part of 'Uncle Tom' and Miss Lougee that of 'Topsy.' To-night the 'Streets of New York' will be put on, and on Monday night the troupe will close their season here with 'East Lynne,' in which Miss Lougee is said to excel. The company have won many friends in this city, especially Mr. Brown, the business manager, who is a thorough gentleman."

OVER eleven thousand bushels of wheat were damaged, and a steamer was nearly sunk, by an accident at Lachine Canal a few days ago. A despatch from Montreal gives the following particulars of the accident:—It appears by the account that it was a narrow escape from another serious disaster. The Richelieu & Ontario Navigation Company's steamer "Bohemian" was in the act of going out, and had entered the lock, when the engineer mistook the bell, and went ahead before the gates in advance were opened. The result was a frightful crash, carrying away the gates and the bows of the steamer at the same time, the water from above rushing in like a miniature Niagara. The force of the torrent carried the steamer, partially submerged, back to the wharf which she had only just left. Fortunately, she was secured before she had time to go down altogether. There was a large number of passengers on board, many being women and children, and the panic that occurred was fearful to witness. The men were terribly frightened as well as the weaker sex, and their cries for help were terrible. All finally got off, a few only, who were in the front of the steamer, suffering any injuries from being crushed. Two large barges filled with wheat that were in No. 1 lock, were sunk by the force of the water. The hands had a narrow escape for their lives. The aggregate loss will exceed \$100,000, and the interruption to the trade of the port will be very serious.

JERSEY CITY, N. J., July 2.

Mary O'Connor, 45 years old, murdered her three children at 2 o'clock, this morning, cutting their throats with a razor. She first tried to kill them with a carving knife, but did not succeed. Edward, the youngest, lay in bed with her. She killed him first; then went to the crib alongside the bed in which were the two oldest children (David, aged six, and Frances, aged four and a half), and murdered them. Her husband all this time lay on the floor at the foot of the bed asleep. He was awakened by the dying struggles of his eldest child, and when he saw what his wife had done, ran out of the house crying. Mrs. O'Connor says she had been sick a long time from malaria, and was unable to take care of her children, and she thought by killing them they would go right to heaven, and there was no other cause for her killing them. She was committed to jail.
