

The Guardian, Charlottetown, Wed. Oct. 31, 1962. 5

Passenger Injured As Three Vehicles Collide On Elm Ave.

As the result of a collision between two cars and a half-ton truck on Elm Avenue at about 4:45 yesterday afternoon, Mrs. Percy Mann, Southport, a passenger in one of the cars was taken to the P.E.I. Hospital for leg injuries.

At the hospital, Mrs. Mann was both front fenders, radiator, grill and engine bonnet.

The accident occurred between Douglas and Reserve Streets, when a 1958 model truck, operated by John H. MacFadyen, Charlottetown, was a stopped waiting south with mechanical trouble.

A 1960 car, driven by Mrs. Susan Wood, Charlottetown, also travelling south, stopped behind the truck to allow oncoming traffic to pass.

The classes which will be held on Tuesday and Thursday night of each week, starting at 7 p.m. are for those who wish to bring themselves up to a grade 12 standing in the three subjects offered.

30 Attend Night Classes

Malcolm MacKenzie, deputy minister of education, announced that for last night's opening night classes in French, algebra and history 30 persons were enrolled.

The classes which will be held on Tuesday and Thursday night of each week, starting at 7 p.m. are for those who wish to bring themselves up to a grade 12 standing in the three subjects offered.

Mr. MacKenzie said that there are a number of vacancies waiting to be filled. "No application forms are required," he said, "all that a person needs to do is present themselves at Prince of Wales College next Thursday evening and they will be immediately assigned to a class."

Mrs. Yvette Thompson, a graduate of P.E.I. giving the instruction in French, while Mrs. Mary MacCallum, B.A. B.Ed., is teaching algebra and history. The classes will continue until the end of the school year.

NDPs Plan Meeting

New Democratic Party workers from across the province will meet in approximately one week's time to discuss the possibility of a convention at which a provincial leader may be named. It was learned yesterday from Ian B. Webster, Parkdale who is chairman of the provincial committee.

A previous decision to hold a leadership convention next month has been shelved until more organizational work can be done, and a Saint John man, is arriving today to do organizational work here.

The meeting of party workers will be held either in Charlottetown or Summerside, Mr. Webster said.

Case Set Over After Testimony

Gordon MacLeod, Charlottetown, charged with giving liquor to a minor, had his case adjourned to Nov. 8 after two days of testimony were heard yesterday. He appeared before Magistrate James Haslam in city police court.

A defence attorney in the case is Gerald R. Foster. A K. Scobie is acting for the Crown. A fine of \$20 and costs was paid by Elynn MacEwan, Charlottetown, on a speeding conviction. One man was fined \$5 for failing to stop at a stop sign.

in the MacInnis vehicle. The truck suffered no damage, but damage to the Wood car was extensive and consisted of the trunk, rear bumper and fenders, one headlight, grill, radiator, engine bonnet and front seat.

The MacInnis car received damage to both front fenders, radiator, grill and engine bonnet.

Earlier in the day, at about 7:55 a.m. a two car collision occurred at the intersection of Longworth Avenue and Belmont Street.

The accident took place, when a small model car, driven by Ivan G. Taylor, Rocky Point, while crossing Longworth into Belmont collided with another small car, operated by J. Raymond Watts, Charlottetown, which was travelling north on Belmont and making a left turn to Longworth.

None of the occupants suffered any injury, but damage to the Taylor car was a left front fender and to the other car, the left rear door and fender.

Credit Union Amalgamation Opposed By Liguorian Union

The Liguorian Credit Union has voted to retain its charter and not amalgamate with the Capital Credit Union. The decision was made at the annual meeting held in the Community Centre last week after a lengthy debate of the amalgamation proposal.

The report of the president, J. Kenneth MacDonald, dealt with the efforts of the directors to acquire new accommodations for the office and the announcement that it is the intention of the credit union to function as a full time service commencing as soon as possible after Jan. 1.

During the discussion on the invitation to join the Capital Credit Union, William Shields stated the increase in services which the larger unit can offer its members. In opposing the amalgamation, James Cople said, "bigness was not the aim of the credit union movement and the success of a credit union could not be measured by its size."

The success we must aim for is derived from a membership educated along the lines of the credit union self-help ideals. Credit unionism has its basis in a movement from within. It was never intended as a branch of capitalism," he said.

Other speakers on the subject were P. Strain, I. Gallant, J. Gallant, F. DesRoches and K. MacDonald.

The treasurer's report delivered by Mr. Strain showed an increase in members of 10,000 and \$120,000, and an over-all increase in assets of \$13,000. The total assets of the credit union are now in excess of \$45,000.

Other reports presented were: credit committee, John Lee; lottetown on a speeding conviction. One man was fined \$5 for failing to stop at a stop sign.

Third Reading Given Bylaw Given Bylaw

By Council

City Council gave third and final reading to the by-law proposing amalgamation of the City of Charlottetown and the former territory in the Spring Park School District known as "No Man's Land."

The by-law now goes to the provincial executive council for approval.

The third reading to the by-law was moved by Coun. Walter Cox, and seconded by Coun. W. R. MacNeill.

No other business was on the agenda.

Essay Contest Winners Named

The Mount Stewart branch, Royal Canadian Legion, has announced winners of the "Why I Wear a Poppy" contest.

Grades nine and ten winner was Marion Morrison, Milbrooke; Marie St. Germaine, Tracadie Cross placed first in grades six, seven and eight; and Patsy Kippen, Grand Tracadie, Tracadie Cross placed first in grades five, six and seven.

The branch expressed congratulations to the winners and thanks to those entering the contest.

Speedup Sought At Vatican Meet

VATICAN CITY (AP)—New pressures were on Tuesday to speed up the lagging pace of the Roman Catholic ecumenical council.

A group of South American bishops began circulating a petition, calling for restraint on the part of the pope which has swamped the proceedings.

At the same time, the liberal-minded press secretary was seeking means of mitigation of the traditional right of veto.

Split Appears In Britain's Labor Party

LONDON (CP)—A high-level split has appeared in Britain's parliamentary Labor party—apparently over the party's anti-Common Market stance.

Harold Wilson, shadow foreign secretary and Labor's leading market opponent, announced Tuesday night that he will stand for the post of deputy leader under Hugh Gaitskill. The election takes place next week.

The current deputy leader is George Brown, who is unhappy about the anti-market position Gaitskill has adopted. Brown probably commands the support of the right-wing trade union group and some 30 members within the party.

Wilson said he allowed himself to be nominated because of the many approaches from parliamentary colleagues. Observers believe he has been counting heads and thinks he can win a majority of the 247 votes.

Also interesting to people of this province who are planning craft industries now is the "Weaving a Rainbow" film which takes the viewer back to the MacInnis vehicle.

Canada Said In Danger From Riches, Security

Major-General Victor Odium, C.B. CMG, DSO, former Canadian Ambassador to Turkey, told Canadian Club members last night Canada's danger is in becoming too rich, too gifted with things or reaching the stage where everything is pushed back.

Speaking at the first Canadian Club meeting of the season at the Charlottetown Hotel, General Odium said, "How many times in history has a nation become wealthy and then disappeared—a victim of its own wealth."

He said men of great standing in other countries of the world have asked him why Canada should be one to moan and groan when it is one of the most fortunate countries in the world.

"Canada has a store house of rich minerals, and water power that man needs and likes to get. The day is coming when the world will be needing these things. It will demand them. Canada's future is so bright that other countries are inclined to envy," he said.

General Odium noted Canada could hold its place with any nation in the world if it would try and was willing to work.

Red Cross Clinic Has Good Start

St. Dunstan's added further laurels to its already outstanding blood donor record when 209 registered at yesterday afternoon's opening series of this week's Red Cross clinics, to exceed their objective by 44.

Since time did not permit the registration of all the students who wished to "share their good health" the remainder of the student body will attend the clinics being conducted today and tomorrow at Zion Church hall in Charlottetown.

At the end of yesterday's afternoon session at St. Dunstan's a quick compilation of the results of the competition among the different classes revealed that the Seniors are leading up until the present time with 77 per cent of those eligible in attendance. Freshmen year followed with 71 per cent, then Sophomore year with 60 per cent, and Juniors attained 50 per cent. Lee Gillis, chairman of the SDU blood donor committee, commenting on the response, said that these figures could be changed by the end of the series since there are still a goodly number of the day students who intend to add their donations by attending the sessions at Zion Church hall.

Members of the student body not only carried out the various duties required for the smooth functioning of the clinic, but also helped the Red Cross mobile blood donor team to unload and set up the equipment at the clinic locale in Charlottetown.

Although the evening clinic was not scheduled to get underway until 8 o'clock, donors who wished to get an "early start" began to arrive at Zion Church hall shortly after 6:30. A total of 172 registered at the evening session to top the objective by 22, to make a grand total of 411 for the first day.

Fremont Archer, chairman of the Red Cross blood donor committee for Charlottetown, expressed his pleasure at the splendid response at yesterday's sessions and hoped that the same pace may be maintained today and tomorrow in order that Charlottetown may exceed its objective by at least 20 per cent and retain the "Manning Trophy".

Volunteers who were the efficient helpers at last night's clinic were drawn from the following organizations: Ladies' Auxiliary of Zion Church; St. Pius X parish council; CWL; Nurses' Association and the Notre Dame High School Red Cross council.

Today's hours of clinics are from 9-11 this morning, and from 2 until 8 this afternoon with no evening session. The minimum objective for these six hours of day-time clinics is 360.

Former Resident Dies In Mass.

MONTAGUE — The death of Angus M. MacPhee, beloved son of Mrs. M. A. MacPhee and the late M. A. MacPhee of Heatherdale, P.E.I., occurred at his home in Montague on Tuesday morning, Oct. 27, aged 66 years.

News of his passing brought deep sorrow to his relatives and friends.

Left to mourn are his mother, Mrs. M. A. MacPhee, Heatherdale; his wife, the former Agnes MacKenzie, Granddale; Grace Breton, and the following brothers and sisters: Bruce MacPhee, Montague; Jack MacPhee, Sussex, England; Dot, Mrs. Angus Matheson, Glen Williams, Fallon, on the boathead; Heatherdale; Florence, Mrs. Norman Smith, Northchester, Mass.; Sinclair, Oakland, Calif. Christine, Mrs. James Shaw, Montague, and two foster sisters, Alice and Louise.

Funeral services were held in Northchester, Mass., yesterday.

WINS FRUIT CAKE

The winner of the fruit cake drawn at St. Pius X parish supper, Thursday, Oct. 25, was Hughie MacKinnon, East Royalty.

DRAMMA FESTIVAL

The national drama of the Dominion Drama Festival, Richard MacDonald, is scheduled to arrive in Prince Edward Island Thursday, while in the province he is expected to confer with the officials of drama groups at Charlottetown, Summerside and Montague.

LIC MANAGER

J. B. Murray of Charlottetown completes 21 years of service with the Licensing and Liquor Commission as he retires from his position as manager of Charlottetown LIC. He was succeeded by Rev. Preston Hambley. Mr. Murray is the oldest LIC office manager from point of view of service, in the Maritime Provinces.

MACKENZIE FUNERAL

The funeral for Thomas R. MacKenzie of Rose Valley, was held yesterday afternoon from the Cutcliffe Funeral Home where service was conducted by Rev. William Underlay, assisted by James A. Stair. Pallbearers were Binley Wonnacott, Douglas Wray, Sprague Moore, John Matheson, James Macintosh, and William MacDonald. Burial was in Springdale cemetery.

GALLANT FUNERAL

The funeral for Edward Gerard Gallant was held yesterday afternoon from the home of his grandmother, Mrs. Peter Gallant to St. Dunstan's Basilica. Requiem High Mass was celebrated by Rev. Preston Hambley. The service was conducted by Rev. J. L. Bell. Pallbearers were Mrs. M. A. MacPhee, Mrs. James Shaw, Mrs. Alice and Louise.
