IN the manufacture of tobacco from the leaf, sugar or molasses and gum of some kind are used. In the manufacture of the "Myrtle Navy" brand the sugar used is the finest white loaf, known in the trade as granulated. This is a sugar in which there is seldom any adulteration, but to guard against the possibility of it, all sugar used in the factory is submitted to a careful test of its purity. The gum used is the pure gum arabic.

Two young roughts, returning home at a late hour last night, undertook to amuse themselves by stoning the windows of the St. Lawrence Hotel, and breaking some panes of glass. As these young gentlemen are well known, they would consult their own interests and that of their friends by being careful in the future. A repetition of their midnight pranks might lead to unpleasant consequences to them.

Blake's Disappointing Speech

MONTREAL, Jan. 15. An interesting fact has come to light in connection with Blake's speech. Mercier is very crestfallen and has moderated his policy so much that he has refused to attend a meeting at St. Jerome, against Chapleau, on the ground of illness. It looks now as if the Rielists were in a hole, and that the agitation will either develop into race channels, or drop out of sight.

A Terrible Tragedy.

GALT, Ont., Jan. 15. Lachlan McDonald was arrested here yesterday on a charge of attempting to kill his wife. McDonald, his wife and three men had some disagreement. Prince Edward Island for Christ.

These to God, Beloved One, On our hearts we ever bear, Till He die thee to His son Weeping, watching unto prayer.

Blessings clustering on thy sod, Blessings couching in the deep, Pearl of islands, blessed of God, Wherefore do thy watchers weep!

While your bright light ye despise, Sons of God in bondage ye; Dust begrimed your glory lies, Weep we must who pray for thee.

Lo, for thee His arm is bared, Goodness, mercy crown thy days; From the throne of His throne spared, Where His due of grateful praise!

Where the vows His love demands? Where the crown and fealty? Bends thy Maker fore thy hands, Waiting to be crowned by thee.

Father, give the flooding light, On Thy heart, O Jesus, bear; Give the light of Thy love's light, Spirit, glowing in our prayer.

Lo, Thy covenant is sealed, Given the reconciling kiss, To believing hearts revealed, Joy bells now intone the bliss.

Charlottetown, Jan. 6, 1886. JULIA.

NOTES.

Not the promissory, but facts about WELCOME SOAP, an article that does not contain one particle of the adulterations used to reduce the cost of "Pure Goods," but does possess the value of legitimate Washing Qualities, the demand for which proves the advantage gained by the use of the genuine over Soaps of doubtful character. None should be deceived even by Red and Yellow Wrappers, or any of the imitations of the WELCOME, as a pair of clasped hands is stamped on every bar. Made by CURTIS, DAVIS & Co.

AYER'S Hair Vigor

restores, with the gloss and freshness of youth, faded or gray hair to a natural, rich brown color, or deep black, as may be desired. By its use light or red hair may be darkened, thin hair thickened, and baldness often, though not always, cured.

It checks falling of the hair, and stimulates a weak and sickly scalp to vigor. It prevents and cures every disease peculiar to the scalp. As a "Ladies' Hair Dressing," the Vigor is unequalled; it contains neither oil nor dye, renders the hair soft, glossy, and silken in appearance, and imparts a delicate, agreeable, and lasting perfume.

Mr. C. P. BRICHER writes from Kirby, O., July 3, 1882: "Last fall my hair commenced falling out, and in a short time I became nearly bald. I used part of a bottle of AYER'S HAIR VIGOR, which stopped the falling of the hair, and started a new growth. I have now a full head of hair growing vigorously, and am convinced that but for the use of your preparation I should have been entirely bald."

J. W. BOWEN, proprietor of the McArthur (Ohio) Enquirer, says: "AYER'S HAIR VIGOR is a most excellent preparation for the hair. I speak of it from my own experience. It has promoted the growth of new hair, and makes it glossy and soft. The Vigor is also a sure cure for dandruff. Not within my knowledge has the preparation ever failed to give entire satisfaction."

MR. ANGELO FAIRBAIRN, leader of the celebrated "Fairbairn Family" of Scottish Vocalists, writes from Boston, Mass., Feb. 6, 1880: "Ever since my hair began to give away, I have used AYER'S HAIR VIGOR, and so have been able to maintain an appearance of youthfulness—a matter of considerable consequence to ministers, orators, actors, and in fact every one who lives in the eyes of the public."

Mrs. O. A. PRESCOTT, writing from 18 Elm St., Charlottetown, Mass., April 14, 1882, says: "Two years ago about two-thirds of my hair came off. It thinned very rapidly, and I was fast growing bald. On using AYER'S HAIR VIGOR the falling stopped and a new growth commenced, and in about a month my head was completely covered with short hair. It has continued to grow, and is now as good as before it fell. I regularly used but one bottle of the Vigor, but now use it occasionally as a dressing."

We have hundreds of similar testimonials to the efficacy of AYER'S HAIR VIGOR. It needs but a trial to convince the most skeptical of its value.
