Sophomore Class wishes to announce "The Last Pub of the Year" on Last Class Day of the Year.
 December 8th, Friday, 3-6:30
 Drink yer beer while you stomp to the music of the Dunsford Brothers.

On Monday, Dec. 4, in the Panther Lounge, the Student Union will present awards to the 12 graduating UPEI Football Panthers who have completed their playing days on the team. The awards will be presented, most appropriately, during the Monday night football pub, and after the presentations everybody can sit back, relax, and enjoy the game on television. Monday night's game should be well worth watching. The pub starts at 9:00 o'clock and it is hoped that as many Panther football fans as possible will drop down to watch the presentations and wish the boys good luck in their future careers.

Tuesday evening, Dec. 5, the Panther Lounge will be the scene of a large Christmas party, as Lennie Gallant and Roy Johnson return by popular demand to shake the rafters and get your feet to stompin'. Lennie and Roy are well-known on campus for their own particular brand of down-home, pickin' and fiddlin'. Their repertoire ranges from country to folk to blues and on and on. Both musicians have appeared in the Lounge several times this year, and each time have treated listeners to a polished, exciting evening of entertainment. Of course, the fun should be even better this week, with everybody's Christmas spirit in high gear; we have the makings of a real party in hand, so don't miss your chance to partake of the festivities. The Panther Lounge is open from 9-12, and admission is only \$.50. Come join the party!!!

This is terrible -- our last newsletter until January. This has certainly been an effective way of reaching a large number of you and getting feedback as well. So before I say anymore I want to say "thank you" to Gerald McKenna for his co-operation, his support, his patience!

And as for the rest of you students what is more important than to wish you well in your exams and hope that your Christmas will be a happy one. We've had a good first semester here and there is no reason why we can't have a fantastic second semester.
