"BRITISH MASTIFFS."

In the course of a summary in the Teagliche Rundschau of the events which have transpired in South Africa since Lord Roberts assumed the supreme command, Lieut. Gen. Von Boguslawski pays the following tribute to the British soldiers:—

"On one or two occasions during the war we have been led to doubt whether the British troops would maintain their old reputation for cool bravery. It must, nevertheless, be acknowledged that the tenacity displayed by Gen. Buller's troops in ever returning to the fray, in spite of many reverses, and being almost continually in action from 14th February to 27th February, is certainly not to be underrated.

"The words of Shakespeare are still true which he put in the mouth of Lord Rambures, who warned the bragging French princes before the battle of Agincourt that 'that island of England breeds very valiant creatures their mastiffs are of unmatchable courage.'"

A VOICE FROM GEORGETOWN.

Sir,—Is it not time that the City Fathers of Georgetown made some kind of a crossing to connect the two platforms on Water street, as people going to the steamer are liable to be bogged and lose their passage. Also, persons who are in the habit of blocking up the sidewalk with woodleights, carts and trucks and a lot of other stuff too numerous to mention should be asked to move off, as people are liable on a dark night, to be seriously hurt by running into these obstacles. I thought that the good fathers were going to see about the pump, our only resource in case of fire, and tax the persons who supply water to the steamer so much a cask and allow them to take only one cask from each pump. Now they take six or eight out of one pump, and those who use water of that pump have to go elsewhere. If these matters are not quickly attended to the people of Georgetown should take matters into their own hands.

MADE NEW KIDNEYS.

In Place of Those Destroyed by Twenty-Five Years of Kidney Disease.

A Wonderful Cure in New Brunswick by Dodd's Kidney Pills—He Had Submitted to Surgical Operations Without Getting Relief—Cured by Dodd's Kidney Pills.

KARS, N. B., March 23.—It is safe to say that never before have the people of this district been so thoroughly and intensely interested in a question of health and disease as they are today. This state of affairs was brought about by the publication of the wonderful recovery of Commissioner G. J. Worden, of the Wickham Civil Courts, through the use of that grand medicine, Dodd's Kidney Pills.

There is no exaggeration in saying that Mr. Worden's case is the most remarkable that has ever been heard of here. He was well up in years—aged seventy—and his system was torn and tormented by Kidney Disease. Several doctors attended him, and performed a number of surgical operations on him, hoping thus to relieve him. They talked.

Mr. Worden was very ill. Kidney Disease had tortured him for a quarter of a century. All efforts to cure, or relieve were useless? He lost hope. Was there any wonder?

But there was hope. Dodd's Kidney Pills were brought into the case. They lost no time—they went to work at once. The exhausted and decayed kidneys were rebuilt; the process of purifying the blood, throwing off poisonous matter, was recommenced, after it had been interrupted for so long. Health returned, pain, and misery and disease took flight.

Today Mr. Worden is hale and well, better in health than he has been for years. Rescued when death held him in its grip; This is a sample of the work Dodd's Kidney Pills are doing here. They have never failed to cure Bright's Disease, Diabetes, Dropsy, Female Weakness, or any other complaint.

Women desire sympathy; men prefer help.

ALMOST A MIRACLE.

Strange Case of Kidney Disease Reported at Smith's Falls.

SMITH'S FALLS, March 19.—One of the most remarkable cures ever performed by Dodd's Kidney Pills was that of Mrs. George Barnes, of this town. Mrs. Barnes was afflicted with Female Weakness and Urinal Trouble resulting from kidney disease. The disease had also a serious effect on her senses of sight and hearing, for at times Mrs. Barnes would be exceedingly deaf and short-sighted.

Mrs. Barnes gives an account of her case for publication: "I have consulted a doctor," she writes, "who gave me medicine that seemed to make me worse at times. I was told of Dodd's Kidney Pills, and I got one box. I have used part of the box and am completely cured, and strange to say both my hearing and eyesight are now unaffected."

What a lot of trouble we could avoid if we only learned not to worry.

An Interesting Case.

Mr. W. G. Phyll, proprietor Bodega Hotel, 36 Wellington Street East, Toronto, says:—"While living in Chicago I was in a terrible state with itching and bleeding piles. I tried several of the best physicians and was burnt and tortured in various ways by their treatment to no avail, besides spending a mint of money to no purpose. Since coming to Toronto I learned of Dr. Chase's Ointment, I used but one box and have not been troubled with piles in any shape or form since."

The average young man of the day thinks himself about fifty years ahead of the times.
