

New Hymnal For U.S. RC's

PITTSBURGH (AP)—A new Roman Catholic hymnal now being prepared for use by American Catholics will contain a number of hymns written by Catholic saints but in use only in Protestant churches.

The hymnal also will contain hymns written by non-Catholics but considered suitable for Catholic use, reports Rev. Richard Ginder, 50 donors from the surrounding assistant pastor of St. Joseph's church in Pittsburgh.

Imperial Oil Fellowship Plan

HALIFAX, August 30 — A fellowship in the humanities, valued at \$1,250 a year, has been established by Imperial Oil Limited. It will be open to graduates of Canadian Universities for post-graduate studies at any recognized university chosen by a winner, and will cover such subjects as English, ancient and modern languages, history and philosophy.

This fellowship is the fifth to be offered annually by the Company. Each is worth \$1,250 per year. The other four have been awarded annually since the inception of the Imperial Oil Fellowship plan in 1946.

Imperial Oil also announced that beginning next year Fellowship holders who pursue their studies through the summer months will receive supplementary awards of \$750 each. This supplementary award will raise the annual value of each fellowship to \$2,000.

Winners of the four fellowships offered this year were Kurt Jonasson of Montreal, John E. Hogk of Toronto, William J. King of London, Ontario, and George B. Malloy of Edmonton. They were selected by a committee appointed by the National Conference of Canadian Universities and Imperial.

133 Blood Donors At Morell Clinic

The results of an excellent cooperative effort were in evidence when a total of 133 donors registered at the successful Red Cross Clinic held in the Community Hall, The village of Morell passed their local objective of 75 as 83 local Catholics registered and an additional 50 donors from the surrounding districts were at the clinic.

The clinic was organized by Rev. Eric Robin, newly appointed pastor at Morell, who received the wholehearted cooperation of the different organizations, including the W. I. and C. W. L. who furnished refreshments and workers. The High School Red Cross members and final approval to the American Catholic hierarchy. The group hopes to have the hymnal ready for publication by November, 1956.

WHEATLEY RIVER W. M. S. The Wheatley River W. M. S. held their August meeting at the home of Mrs. Cora Ling on August 25. The leader Mrs. Gordon Andrews opened the meeting with call to worship and hymn Scripture reading were read by Mrs. Preston Rackham and Mrs. Robert Rackham.

Guided meditations were read by the leader, followed by prayer remaining verses of the Hymn. Prayers of confession were read by members, and Mrs. Leonard Lang and Mrs. Harold Chandler also offered prayers. Another hymn and the Lord's Prayer closed the Worship Service.

Minutes of last meeting were read and approved. Roll call was answered by 15 members and one visitor, with consecutive verse of Chapter 8 of the Gospel of St. Mark. It was agreed to get a Communion table for the Church committee in charge is to see about it.

Proceeds from the Pantry sale amounted to \$24.60. Mrs. MacDonald, Mrs. Robert Buntain and Mrs. Nelson Stead gave donations. It was decided to invite Mrs. Howard to show slides. The Glasgow Road-Wheatley River Choir to sing.

Mrs. Herbert Smith invited members for next meeting with Mrs. Harold Buntain as leader. All participated in circle of prayer, with prayer said by Mrs. Theo Sellar for Miss Elizabeth Utting, and the meeting closed with a hymn. An address was read to Mrs. James Wares, and a mirror was presented to her in recognition of the work she had done as Treasurer of the Church for the past 20 years. During those years she also took care of the Communion service.

ected by a committee appointed by the National Conference of Canadian Universities and Imperial.

POLICE COURT—At City Police Court yesterday morning two drunk and incapable were each fined \$20, and costs or 10 days, and others were each fined \$5 and costs or two days and a fifth was sentenced to 20 days (old commitment). A man charged with being drunk and disorderly was fined \$10, and costs or five days. The case of a vagrant was dismissed. A taxi driver faced two charges. He was fined \$5, and costs for operating a taxi without a badge and \$20, and costs for speeding. A fine of \$50, and costs was imposed on a man for driving through a red light.

SCOUTS RETURN — The Island Scouts who attended the World Jamboree at Niagara-on-the-Lake arrived home yesterday morning. They were transported in two groups from Moncton by special RCAF planes, the first arriving here around 10.00 a.m. and the second an hour later. Commenting on their trip, Mr. R.C. Parent, Provincial Commissioner of Boy Scouts, said that everyone had a marvellous time and the Island Scouts conducted themselves in a very good manner. It is expected that in the fall the people of Prince Edward Island will have an opportunity of hearing lectures and seeing lantern slides on the Jamboree.

PERSONALS Mr. Duncan Bonnell is receiving a hearty welcome from friends in the city while on a visit here after eight years' residence in Vancouver, B.C. On his return east, Mr. Bonnell went direct to Sydney, N.S. where he had conducted business after being associated with the firm of R. T. Holman Ltd., Summerside as advertising manager for 12 years. Mr. Bonnell was identified with many war services activities particularly the Red Cross Campaign of which he was chairman. He returns West in a few days after having spent a short time visiting his brother Rev. Dr. J.S. Sutherland Bonnell who is also holidaying here.

Card of Thanks I wish to thank Dr. Joe MacMillan and Dr. Coody and Rev. Monsignor Maurice MacDonald and the Sisters, and Nurses of the Charlottetown Hospital, also my special nurses and kind neighbours and friends who helped in anyway during my recent illness. Mrs. John Austin.

Card of Thanks We wish to thank Dr. MacIntyre, the nurses of the Kings County Hospital, Montague, Rev. Fr. McCordie, Rev. F.L. Mullaly and all kind friends and neighbors who helped in any way during our recent sad bereavement. Wife and family of the late James C. McGuigan of St. Mary's road.

Tracadie Co-op will be closed THURSDAY, SEPT. 1 For Stocktaking

TO TAKE COURSE

Mr. Dean M. Robinson (above) leaves Friday morning for Madison, Wisconsin where for the next two years he will continue post-graduate work in plant pathology at the University of Wisconsin. He expects to obtain his doctorate majoring in vegetable diseases.

Mr. Robinson has for a number of years following the War been attached to the Science Service Laboratory at Charlottetown and during the past year completed a term in post graduate work at the University of Wisconsin. When he leaves Friday he will be accompanied by his wife and family who will reside with him for the remainder of his course.

To Bring Baha'i Case To U. N.

The Local Assembly of the Charlottetown Baha'is learned Tuesday that the recent persecution of the Baha'is in Iran is to be brought before the United Nations in Geneva. This appeal is based on the claim that the decree outlawing and suppressing the Baha' Faith in Iran is in conflict with the Charter and the Bill of Human Rights.

Reports from Iran reveal barbaric atrocities such as plunder, exhaustion of bodies and dismissal of Baha'is from posts. It is the hope of Baha'is in Canada and throughout the world that this appeal to the U.N. may prompt an impartial investigation of the situation.

Over 400 cablegrams and letters were sent from Baha'i centres to the Shah early in June protesting the plugging of the Baha'i headquarters in Teheran but no steps have been taken so these sterner measures through the United Nations are being taken.

181 Blood Donors At Souris Clinic

At the Red Cross Blood Donors Clinic held in St. Mary's Parish hall in Souris last night there were a total of 181 donors registered. The objective was 200. The clinic was organized by Mayor Bruce L. Stewart who had the valuable assistance of the Junior Ladies Aid of the Souris Hospital whose members made a house to house canvass and provided workers and refreshments at the clinic.

New School For Mentally Retarded

HALIFAX (CP)—A new school for mentally retarded children—the first in Nova Scotia—will open here this fall. Psychologist Morris Hirsch, who assigns pupils to the new school, said 26 have already been registered to attend the classes sponsored by the Nova Scotia Association for the Help of Retarded Children.

Mr. Hirsch said music would be an important subject. Only other Maritime schools of this type are at Moncton and Saint John.

In Memoriam

In loving memory of Roy Keenan, killed at Wilnot Crossing, August 30, 1947. Gone but not forgotten. Ever remembered by his sister, Vera (Mrs. Jack Cameron), Summerside.

Card of Thanks

I wish to thank Dr. Joe MacMillan and Dr. Coody and Rev. Monsignor Maurice MacDonald and the Sisters, and Nurses of the Charlottetown Hospital, also my special nurses and kind neighbours and friends who helped in anyway during my recent illness. Mrs. John Austin.

Card of Thanks

We wish to thank Dr. MacIntyre, the nurses of the Kings County Hospital, Montague, Rev. Fr. McCordie, Rev. F.L. Mullaly and all kind friends and neighbors who helped in any way during our recent sad bereavement. Wife and family of the late James C. McGuigan of St. Mary's road.

Says Atlantic Salmon Are In Danger Of Extinction

MONTREAL (CP)—Robson Black, general manager of the Atlantic Salmon Association, said Tuesday that unless drastic action is taken immediately by governments, fishermen and anglers the Atlantic salmon will become extinct.

There has been a gradual decline in the number of salmon in Quebec, New Brunswick and Nova Scotia waters during the past 30 years and this year was the worst of all, he said in an interview. The livelihood of thousands, "already seriously threatened, will become more and more acute."

U.S. Releases Details Of Arms Inspection Plan

By Russell Eiman, Canadian Press Staff Writer UNITED NATIONS, N. Y. (CP)—The United States Tuesday released details of an arms inspection plan, embracing President Eisenhower's proposal for an exchange of military blueprints and aerial inspection to guard against a surprise attack and going a considerable way in meeting a Soviet plan for establishing ground observers at key points.

Harold E. Stassen, President Eisenhower's special envoy, outlined the plan as delegates from Britain, Canada, France, Russia and the U.S. met privately on the second day of the renewed United Nations disarmament sub-committee talks.

Stassen's move came as a surprise, since Monday he had said the plan would not be submitted until later this week. An informed source suggested the early release was an answer to Soviet delegate Arkady A. Sobolev's request Monday to the Western powers for a reply to the Soviet proposals.

Sobolev, permanent Russian delegate to the U.N., repeated a Russian plan of May 10 calling for progressive arms reductions with eventual prohibition of atomic weapons and the establishment of ground inspectors at key communication points.

Stassen enlarged on a statement made Monday by Henry Cabot Lodge Jr., U.S. ambassador to the U.N., in which the U.S. invited the five sub-committee powers to join in the Eisenhower plan. Lodge also said the U.S. would ask the U.N. General Assembly to endorse the proposal and give a definition of what Eisenhower meant by "blueprints."

Stassen placed special emphasis on the use of ground observers, which Lodge only mentioned briefly. The U.S. plan stresses the need to provide against "surprise attack." Diplomatic observers believe the U.S. now favors this more limited "fire-alarm" plan rather than a major disarmament program.

It is not known whether the three other Western powers fully support the U.S. proposal but earlier Stassen conferred with Canadian Health Minister Paul Martin, Anthony Nutting, British Minister

of State, and Jules Moch, special French envoy. Martin said Monday that Canada was "specially impressed" with the U.S. plan.

Other points put forward by Stassen included: "Each country shall permit unrestricted, but monitored, aerial reconnaissance by visual, photographic and electronic means by the other country."

"The United States and the U.S.S.R. will exchange all data relative to military forces and installations which, coupled with measures for their verification and surveillance, are essential to provide against the possibility of surprise attack."

"This exchange is to be accomplished in progressive steps as mutually agreed upon by the two governments."

Stassen suggested an exchange of "blueprints" of all military establishments—land, sea and air—would be the first stage of the program.

Tough French

Nationalists, Grandvillier tried hard to give a hearing to Moroccan demands, and in the eyes of many Arab leaders his name is the symbol of a new deal for the protectorate.

The shakeup across the Mediterranean goes with a French cabinet decision Monday to implement a series of sweeping reforms in the protectorate, as outlined at last week's Aix-les-Bains conference between top French and Moroccan leaders.

DISCUSS DETAILS Moroccan leaders were in Paris Tuesday discussing details of the Aix-les-Bains plan with Faure's advisers. A Moroccan delegation was expected to fly to Madagascar within the next 48 hours to see the exiled Sultan Ben Youssef and get his approval of the New Moroccan plan.

In Algeria, the state of emergency in the department of Constantine and part of the Algiers department was extended Tuesday to cover the whole country. Thousands of leaflets were being dropped on Arabs who fled to the hills when the French started a counter-offensive after the Aug. 20 rebellion.

Meeting Of Canadian Legion Executive

On Friday evening August 26, Frank Rush, the president of the Charlottetown branch of the Canadian Legion, E. E. L., met with the executive in the secretary's office where a number of items were discussed.

Comrade Tony Gallant gave the financial report which showed that finances were satisfactory. Comrade Vera Larter outlined a number of proposed improvements to the home which will be carried out in the near future. Comrade Harry Morgan, chairman of the membership committee, was commended for his work. It was noted that the number of paid members was higher this year than in recent years.

The greater part of the meeting consisted of discussion of plans for the forthcoming provincial convention to be held on Thursday September 22, at which time the Charlottetown branch will be host to the visiting delegates. This is the first time that the Branch will have the opportunity of greeting the Dominion President of the Canadian Legion, B. E. S. L. Very Rev. Dean Anderson, M. C. C. D. who will be the principal speaker at the Convention Banquet to be held in the Clover Club after the business sessions have been completed. The president expressed the wish that members of the Branch and other volunteers would attend the Red Cross Blood Donors Clinic to be held at the Armouries on Thursday September 1. At the last clinic the Legion had a greater percentage of blood donors than any other organized group, and this was pointed out by the president as an incentive to duplicate that feat.

Also, he did not believe water pollution was a cause because there are few industries on the famous fishing streams. It was unlikely, too, that logging operations at Bathurst, Edmundston and Dalhousie in New Brunswick could have any harmful effect.

He said that along salmon rivers nets were strung in zig-zag fashion, making it impossible for salmon to fight their way upstream, and there should be some curtailment of this type of netting.

In a good year anglers in the Gaspere area, New Brunswick and Nova Scotia would catch about 80,000 salmon; the commercial catch would be about 800,000. This year the anglers' catch was more than 50 per cent of normal. Figures were not yet available for the commercial catch but he doubted it would be better proportionately.

PRINCE EDWARD ISLAND POTATO MARKETING BOARD

FINANCIAL STATEMENTS —MAY 31st, 1955—

Box 247 Charlottetown, P. E. I. June 24th, 1955

The Chairman and Members Prince Edward Island Potato Marketing Board Charlottetown, P. E. I. Gentlemen: In accordance with your instructions, we have completed an examination of the records of the Prince Edward Island Potato Marketing Board for the year ended May 31st, 1955. Attached hereto are a Balance Sheet as at that date, and a Statement of Income and Expenses for the year.

The records of your Selling Agency which controlled the marketing of the 1954-55 season are kept separate from the general records of the Board, and its affairs are in the process of being wound up. Its financial operations are not included in these statements, but we have reported on them from time to time, the most recent one showing its assets and liabilities as at May 31st, 1955.

We wish to comment on a number of items as follows: The Statement of Income and Expenses shows a picture of what the operating results for the year would be if all the license fees collectible for the year were received in cash; that is to say, there would be a surplus of \$6,176.50. There are outstanding in dealers' fees \$1,650.00, of which \$1,375.00 applies to the year under review and \$275.00 to the previous year. Assemblers' fees outstanding total \$900.00. With reference to producers' unpaid fees, it is estimated by comparing the 1954-55 fees actually collected with the fees collected for the previous year when the Selling Agency was in operation, that there is approximately \$19,000.00 outstanding. This makes the total of \$21,550.00 appearing on the Balance Sheet, and we have no opinion as to how much of this collectible; it would appear to depend on the licensing or other method of adopted for raising revenue for the Board's work in the coming year.

The amount of \$25.00 shown as accounts receivable arises from the sale of office equipment, and was paid shortly after May 31st. The office equipment belonging to the Selling Agency which was not sold by it was turned over to the Board at a price of \$750.00, as per the terms of arrangements made under the marketing agreement. The Board made sales of \$200.00, leaving a balance of \$550.00 which appears on the Balance Sheet. The Board's own office equipment has never been shown among its assets, but charged as operating expenses each year. However, the total purchases of equipment since the formation of the Board were \$2,365.54, and allowing for one disposal and for depreciation at 10%, there is a written down value on its office equipment of \$1,424.33, in addition to the Selling Agency equipment at \$550.00. These figures would appear to represent a fair market value of the equipment on hand.

Included in the expenditures for the year under review is an amount of \$4,582.48 which represents expenses incurred in connection with the operating and winding up of the Selling Agency, but which cannot come under the terms of the 1954-54 marketing agreement. The liabilities show a balance of \$2,167.70 to the Selling Agency account in respect of the foregoing. There is also included in the expenditures an amount of \$1,689.76 which was made in anticipation of a marketing agreement for the 1954-55 season, which did not materialize.

Other outstanding accounts payable of the Board total \$1,724.20, as shown on the Balance Sheet, representing all known liabilities as at that date. One amount of \$412.50 for city taxes is in dispute, and another amount of \$137.50 for advertising is expected to be settled for a considerably smaller amount.

The surplus at May 31st, 1955 is \$21,121.07, arrived at by adding to the surplus of May 31st, 1954, \$14,130.57, the excess of income over expenses for the year, \$6,176.50, and arrears of license fees, \$1,114.00, and deducting certain expenses totalling \$300.00 applicable to 1953-54.

Subject to the foregoing comments, we report that, in our opinion, the attached Balance Sheet and Statement of Income and Expenses present fairly the financial position of the Board as at May 31st, 1955, and the operating results of the year ended on that date, according to the best of our information, the explanations given to us, and as shown by the books of the Board.

STATEMENT OF INCOME AND EXPENSES for the year ended May 31st, 1955

Table with columns for INCOME and EXPENSES. INCOME includes License Fees-Assemblers (\$2,425.00), Dealers (7,200.00), Producers (22,656.00), Trucker (50.00). EXPENSES includes salaries, fees, travelling, advertising, etc.

Table with columns for ADMINISTRATION and OTHER. ADMINISTRATION includes Audit Fees, printing, commissions, insurance, interest, legal fees, etc. OTHER includes expenditures relating to the Selling Agency.

EXCESS OF INCOME OVER EXPENSES FOR THE YEAR \$ 6,176.50

Table with columns for BALANCE SHEET, ASSETS, and LIABILITIES. ASSETS includes Cash on hand, unpaid license fees, accounts receivable, office furniture. LIABILITIES includes Accounts Payable-Selling Agency, Surplus-Balance at Credit, etc.

This is the Balance Sheet referred to in our attached report dated June 24th, 1955. H. E. DOANE & CO. Chartered Accountants.
