

THE OLD FOLKS AT HOME

Are Never Without Peruna in the House for Catarrhal Diseases.

MR. AND MRS. J. O. ATKINSON, INDEPENDENCE, MO.

UNDER date of January 10, 1897, Dr. Hartman received the following letter:

"My wife had been suffering from a complication of diseases for the past 25 years.

"Her case had baffled the skill of some of the most noted physicians. One of her worst troubles was chronic constipation of several years' standing.

"She also was passing through that most critical period in the life of a woman—change of life. In June, 1895, I wrote to you about her case. You advised a course of Peruna and Manah, which she at once commenced, and have to say it completely cured her. She firmly believes that she would have been dead only for those wonderful remedies.

"About the same time I wrote you about my own case of catarrh, which had been of 25 years' standing. At times I was almost past going. I commenced to use Peruna according to your instructions and continued its use for about a year, and it has completely cured me.

"Your remedies do all that you claim for them, and even more. Catarrh cannot exist where Peruna is taken according to directions. Success to you and your remedies."

—John O. Atkinson.

In a letter dated January 1, 1900, Mr. Atkinson says, after five years' experience with Peruna:

"I will ever continue to speak a good word for Peruna. In my rounds as a traveling man I am a walking advertisement for Peruna and have induced many people during the past year to use Peruna with the most satisfactory results. I am still cured of catarrh."

John O. Atkinson, Independence, Mo.

Box 272,

When old age comes on, catarrhal diseases come also. Systemic catarrh is almost universal in old people.

This explains why Peruna has become so indispensable to old people. Peruna is their safe-guard. Peruna is the only remedy yet devised that meets these cases exactly.

Such cases cannot be treated locally; nothing but an effective systemic remedy could cure them. This is exactly what Peruna is.

If you do not receive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.

FOURTEEN MONTHS IN BED.

Long Period of Suffering of Mr. Kernohan at Last Brought to a Happy Termination.

GELEST, ONT., Sept. 29th. (Special).—Mr. Samuel Kernohan, of this place, was laid up for over fourteen months. He was very ill and five doctors attended him without any improvement in his unfortunate condition. Three of the doctors said he had "Floating Kidney" and that nothing could cure him. The other two said it was "Spinal Disease," but agreed with the others that his case was absolutely incurable.

Mr. Kernohan was advised in this hopeless extremity to try Dodd's Kidney Pills and they cured him completely. He says:—

"After I had taken three boxes I was able to walk about, but I continued till I had taken in all about eighteen boxes. I then felt as well as ever I did and have worked almost every day since, (although that is over seven years ago.)"
