THE Roller Rink re-opens for the season to-morrow evening. Galbraith's Band in attendance. The Clerk of the City Court is hard at work issuing summonses against dog tax defaulters. THE Revere House and adjoining premises were offered at auction to-day and bought in for the owners. TICKETS for the City Cornet Band Moonlight Excursion can be had at C. D. Rankin's, and D. O. M. Reddin's Drug Stores. THE steamer M. A. Starr will arrive to-morrow morning at six o'clock, and sail on return about noon.—W. W. CLARKE, Agent. THE steamer Coban, Capt. Fraser, en route from Montreal to St. John's, Nfld., arrived here at ten o'clock this forenoon and sailed again in the afternoon. ACCORDING to one of the Winnipeg dailies of last Saturday, the aggregate cost of the new buildings put up in that city since the 1st January last is \$402,700. At the Stipendiary Magistrate's Court, this forenoon, two drunks were disposed of with the usual fines, and a truckman was ordered to take out a license at once. THE latest gem in the line of coroner's jury verdicts comes from Dakota, where the jury found that she "came to her death from a felonious desire to reach a happy hereafter." THE City Small Debt Court was in session to-day, and a number of judgments were obtained by the City Collector against persons who have not yet paid their personal property tax. In the cricket match played at St. John, N. B., on Monday, between the officers of the H. M. S. Bellerophon and a team from the St. John club, the St. John men were victorious. Go and hear Capt. Sturdivant, the prisoners' friend, to-night, in the Gospel Army Hall. At the close of the meeting the pledge will be given to all who wish to sign. Everybody come. MESSRS. HATHWAY & Co., Commission dealers, Boston, are desirous of attending to further shipments of Island potatoes. Last season they handled upwards of 60,000 bushels and in every case gave satisfaction to the shipper. MESSRS. T. ALEXANDER STODART, of the Irish Times, and Mr. Oliver, of the Glasgow Herald, arrived at Rimouski on Saturday by the steamer Sardinian. The object of their visit to Canada is to write up this country for the journals they represent. We chronicle to-day, with great pleasure, the marriage of Mr. J. D. Taylor, Bookbinder, and Miss Higgins, only daughter of John Higgins, Esq. While heartily congratulating the enterprising young couple, we wish them a long life of prosperity and happiness. PARTIES who cannot attend the Moonlight Excursion to-morrow evening at 8 o'clock, will have an opportunity of doing so an hour later, as the committee have arranged to have the St. Lawrence call at Steam Navigation Co.'s wharf at 9 o'clock. sept 14, 21 APROPOS of big sunflowers, our attention has been called to the fact that in the garden of Mrs. Trowan, on Weymouth Street, there are upwards of one hundred, some of which are between eight and nine feet in height, and from twelve to fourteen inches in diameter. Next! A CARLETON, N. B., man was recently fined \$20 for driving a horse unfit for work. This is a step in the right direction, and one which, in the interests of the suffering animals daily seen on our streets, should have been taken in Charlottetown long ago. THE steamer Worcester, Capt. Allen, arrived from Boston last (Tuesday) evening with a general cargo and the following passengers: Jessie Campbell, W. H. Millett, Porter Sargent, H. W. Langley, Mrs. J. Davies, Mrs. J. M. Cairns, H. G. McKenzie, J. H. Burns, Chas. M. Kelly, Thos. Welsh, Peter Keenan. A WASHINGTON despatch says that no demand "peremptory" or otherwise, for the release and restoration of the Canadian vessels seized in Alaskan waters has been received at the state department there, nor have the questions possibly involved in these seizures reached the secretary from any official source. THE Court Musicians from London, now making a tour of Canada, will appear in Charlottetown on October 6th and 7th. Chas. Abercrombie, the celebrated English tenor, and Mr. Harry Hopper, the great pianist, are with the Company. Miss Annie Taunton, the prima donna, has sung several years at the Chapel Royal, St. James' Palace, Mlle. Zetama, the mezzo-soprano, comes from Italy. Being entirely vegetable, no particular care is required while using Dr. Pierce's Pleasant Purgative Pellets. They operate without disturbance to the constitution, diet, or occupation. For sick headache, constipation, impure blood, dizziness, sour eructations from the stomach, bad taste in mouth, bilious attacks, pain in region of kidneys, internal fever, bloated feeling about stomach, rush of blood to head, take Dr. Pierce's Pellets. Is a w

general regatta. On Monday, however, the Jub's three four-oared crews which have been in training for some time past, will row against time in order that the best crew of the three may be selected to represent the Club at any regatta that may be held. A sweepstakes sailing race as well as a single scull race will likely take place on the same day.

THE Moonlight Excursion in the St. Lawrence to-night, promises to be the most successful of the season. The City Cornet Band, for whose benefit the excursion is being held, have always been the force in assisting to make other celebrations a success, and now when they solicit the patronage of the public for their own benefit, there should, and we feel sure there will be, a generous response. The steamer with both brass and string bands on board, will leave the wharf at 8 o'clock, returning again at 9 for the benefit of those who cannot attend at 8 o'clock. Don't fail to go.

A MAN named John McIntyre, belonging to Marguerite Bay, Cape Breton, met with a fatal accident on the Northern and Western Railway, near Chatham, N. B., on Thursday last. McIntyre had been working as fireman on a ballast train, but was a passenger on an excursion from Chatham to Doaktown when the accident occurred. He had walked forward on top of the motor, a passenger car, when he slipped and fell, the wheels passing diagonally over an arm and a leg. He was taken to Chatham, but was so weak that nothing could be done for him, and he died on Friday morning.

THE Summerside Pioneer says that the community were shocked on learning that Mr. James McFarlane, son of late M. McFarlane, Esq., of Bedeque, was on Thursday last killed at Aspen, Colorado, by the bursting of an emery wheel. No particulars have been received, but it appears he only lived a very short time after the accident. Deceased was a young man of sterling worth and well known in this community. Two of his brothers had been in Colorado for some time and he went out with them some two years ago. We sympathize with the brothers and sisters so suddenly and sorely bereaved.

STUART ROGER'S second entertainment in the Lyceum last evening, although not so well attended as anticipated, was a decided success. Mr. Rogers fully sustained his high reputation, his impersonations of Oscar Wilde and the Right Hon. W. E. Gladstone, being alone worth the price of admission, while his comic sketches tickled the risibilities of the audience immensely. It is a sad commentary upon the intelligence and discrimination of our theatre-goers to notice that when talented performers visit us they are greeted with a beggarly array of empty benches, while a one-horse circus or some such institution can always command large audiences.

THE SITUATION.—The votaries of rum and disorder seem to have held a special festival on Summerside streets Saturday night and Sunday morning, judging by the noise and racket. Seldom indeed has rum drinking been more rampant in Summerside than at present, and it is a matter of surprise that our civic authorities make no attempt to abate the evil. Whatever reputation for good order the town may have had, will soon pass away if the present state of things is allowed to continue. We hope no time will be lost in appointing an Inspector for the town, or in some other way attempting to discourage the traffic. We learn that Mr. McCall, Inspector for the County, is working up the business heretofore so far as his jurisdiction extends.—Pioneer.

ORIENT LODGE, I. O. G. T., was organized in Templars' Hall last evening by G. W. P. McKinnon. The following officers were duly elected and installed:— W. P. — S. W. Crabbe. W. A. — S. H. Hodgson. R. S. — G. W. Wakelof. F. S. — Charles Nash. Treas.—W. G. Gillespie. Chap.—D. Small. Con.—J. Ross. Asst. Con.—Geo. H. Foster. I. G. — H. Worth. P. W. P. — W. J. Fraser. We wish Orient Lodge every success, and look forward to a large increase in membership next night of meeting.

On Tuesday evening last the Brethren of St. John's Lodge, A. F. & A. M., were presented with the certificate of membership into Masonry of the late Bro. James McKay, St. Peter's Bay, by his son, Joseph McKay. This Brother was initiated into the Order in 1815, and continued an active member until the time of his death. A vote of thanks was tendered by the Lodge to Mr. McKay for this valuable document, which, with two others of this similar character, was ordered to be framed and placed in the Lodge Room. St. John's Lodge is now nearly 100 years in existence, and have, during that time, been in constant working order, the regular meetings being continuous during that time, and to-day is as vigorous as in the days past and gone, with bright prospects for the future.

Engineers Lewis Brewer, of the excursion, and Harris of the freight and their firemen saved themselves by jumping. Various causes are given for the collision. Engineer Harris of the freight train is blamed; it is said he had orders to meet the excursion train at Irving. He failed to obey orders, and was running at full speed when the crash occurred.

Parnell's Land Bill. LONDON, Sept. 14. The Liberal whips have issued a special summons to the Liberals to support the second reading of Parnell's bill regarding evictions.

The News thinks it would be expedient to modify Parnell's bill with some equitable adaptation. The Standard says: "Parnell's bill is a most disappointing document. It would have been more candid to label it a measure for the abolition of eviction and reduction of rents by one half." It is difficult to believe that Mr. Parnell framed the first act in a serious spirit.

The Mackerel Fisheries. HALIFAX, Sept. 14. Three French vessels, with cargoes of codfish, have arrived here from St. Pierre, seeking a market. French fishermen are arriving at that place on their last trip with large fares.

MARRIED. On the 15th inst., at the residence of the bride's parents, by the Rev. Frederick Smallwood, Miss Annie Avarad Higgins, to Mr. James D. Taylor, of Charlottetown.

DIED. Departed this life, at Carleton, Cape Traverse, on the 13th inst., after an illness of six weeks, borne with humble resignation to the Divine Will, Elizabeth Bell, beloved wife of John Nuttall, senr., in the 74th year of her age. Deceased came to this Island from the Old Country with her parents in 1820. On the 16th of September, 1831, she was married at Cape Traverse by the Rev. William Webb, one of the early pioneers of Methodism long since passed away. She was the mother of eight children, only two of whom, Mrs. Charles Leard, of Bedeque, and Dr. Nuttall, of Souris, survive her. Naturally of a kind and cheerful disposition, she was a general favorite among all her acquaintances, young and old, and her name will be fondly cherished for many years to come. Having lived a consistent Christian life here, she was enabled to say with the Psalmist of old: "Though I walk through the valley of the shadow of death, I will fear no evil for Thou art with me."

At Willnot Valley, Sept. 5th, Mary Jensen, aged 18, youngest daughter of the late Samuel Barrows, Esq., died at the residence of her mother, Mrs. Charles Leard, of Bedeque, N. B. She was the daughter of the late Rev. Mr. Barrows, who died at the same place.

At his residence, L. 115, on the 11th inst., Mr. Andrew McCreary, in his eighty-fifth year, leaving one son. Deceased was the last surviving son of the late Rev. Mr. McCreary, of that place.
