THE DAILY EXAMINER.

JANUARY 27, 1890.

A New Wharf in the Second District of King's.

The Minister of Public Works has given instructions to his engineer to hold a survey at St. Peter's Bay with a view to the construction of a public wharf, as asked for by a largely signed petition forwarded to the Department by R. N. Cox, Esq., of Morell. Electors of that District in polling their votes on the 30th for Sullivan and Underhay, will be strengthening the hands of the petitioners for the new wharf. The Dominion Government being Liberal-Conservative, the electors will support candidates for the Local who have influence at Ottawa. The Opposition men have none. Our advice to electors there is, vote the square ticket for Sullivan and Underhay. Let no Conservative split his vote with the enemy.

Vote for the McLeod Administration and "rigorous economy" in the public service.

The Cardigan District.

ADVICE by telephone report that a great political meeting was held at Baldwin's Road on Saturday night. The Government members were, it is stated, enthusiastically received. Mr. Shaw electrified the audience by his eloquence, and Mr. Hugh L. McLeod spoke ably in defence of the Government. Messrs. Everett Norton and Sizeworth also spoke. All the candidates got a good hearing. Mr. Scrimgeour attempted to speak in answer to Mr. Shaw, but in the applause which the latter gentleman created even the floor of the school could not stand the pressure, and broke down. Mr. R. Norton, of Charlottetown, a brother of the Opposition candidate, strongly advised his hearers to vote for the Government candidates.

Good News From the West.

CORRESPONDENTS OF THE EXAMINER residing in the first district report excellent prospects for the Government candidates, Larkins and Blanchard. One of them writes concerning the meeting held at Bloomfield on the 24th inst., as follows:—

"A large and enthusiastic meeting was held at Bloomfield yesterday. It was addressed by the candidates and Messrs. George R. Montgomery, James A. White and some others. The oft-repeated charges against the government, re Land Office defalcations, deceiving the Legislature, drawing on capital, etc., so often demolished, were inflicted on the audience by Matheson and McLellan, but with the usual barren results. Not exactly without result in this case though, for their misrepresentations will rebound with terrific effect ere long. In the words of Mr. Montgomery 'They will be like chickens coming to roost on election day.' Ringing speeches were made by Messrs. Larkins, Blanchard and Montgomery, defending the policy of the government, during the progress of which they were cheered to the echo. Well might the hearts of the Grit candidates sink within them at the sight of such enthusiasm which made it plainly evident what they may expect on election day at the hands of the people they have too long misrepresented. Gratifying reports come from every polling district, and we confidently predict the return of Larkins and Blanchard, the people's candidates, with a handsome majority to the Opposition."

Belfast.

A Liberal-Conservative correspondent at Valleyfield writes: "We had one of the largest and most successful meetings of the campaign at Caledonia School on Saturday evening, 25th inst. Caledonia poll is one of the strongholds of the Liberal-Conservatives, and promises well to be the banner polling division in the Belfast District."

On more than one occasion Caledonia has turned the scale in favor of the Government candidates. It may be relied upon for the 30th inst. Every man then and there will do his duty.

Vote against the men of big words and no policy.

Cape Traverse.

At a meeting held at Cape Traverse on the 21st inst., the following resolution passed unanimously:

Whereas, the Dominion Government pier at Cape Tormentin is nearing completion, the people of Cape Traverse and the Island in general feel the urgent necessity of having the Cape Traverse pier extended with as little delay as possible, in order that we may have a mail and passenger steamer plying here daily, nature having evidently designed this route to be the best for all purposes, and the present mail and passenger service between Summerside and Point du Chene being a disgrace to the Province. Therefore Resolved, That this meeting call upon our local representatives to pledge themselves to do all in their power with the Dominion Government to have Cape Traverse pier extended at once; also requesting our Liberal-Conservative representatives to present the matter before the proper authorities.

It was, thus, shown conclusively that those present confidently expect that our Liberal-Conservative candidates will be returned to power at the coming election.

Vote for the McLeod Administration and "rigorous economy" in the public service.

Qualification of Voters in Charlottetown.

Every voter must be a male person of the age of twenty-one years, a British subject, not subject to any legal incapacity, and must have been duly qualified for at least twelve months next before the seventh day of January, inst., which is the date of the writ of election; and must, in addition, be entitled to one or more of the following qualifications:—

First.—For the Town and Royalty, must own a Freehold Estate, consisting of one whole Water, Common, Town or Pasture Lot, or a Freehold Estate of the clear yearly value of Forty Shillings, consisting of a Dwelling House, Warehouse, Shop, or other Building, or a piece of Land, or must be in the bona fide use and occupation, or actual possession, of any Dwelling House, Warehouse, Shop, or other Building, or piece of Land of the clear yearly value of forty shillings, the qualification to be within the Town, Common, or Royalty.

Second.—For the City of Charlottetown, and the Common thereof, where no Provincial Poll Tax is imposed, and where the voter claims to vote as franchise voter, and is liable to pay civic poll tax, such voter must have paid such poll tax in full, or seventy-five cents, part thereof, in case such poll tax exceeds that sum. The voter must also have resided for twelve months previous to the date of the writ of election, either east or west of Great George Street. The voter must also produce, if required, a receipt for such tax, signed by the City Collector.—Sec 45 Vic., (cap. 1, Sec. 2, P. E. I. Laws.)

In Charlottetown and Royalty there are but two Polling Divisions, but these divisions have been sub-divided into districts, and it is not necessary that a poll tax voter should reside for twelve months in the district wherein he votes, but he must have resided for twelve months in one of the polling divisions, that is either east or west of Great George Street. This rule does not apply to any but poll tax voters. Tenants and property owners may cross and re-cross the street without losing their votes.

Do you want a renewal of the confusion which reigned in 1878? If not, vote to sustain the McLeod Administration.

Notes and Comments.

The Government of Quebec is taking steps to separate the idiots from the insane in the public asylums. The Montreal Gazette puts the case in this way: "The two classes of patients are on separate and distinct footings. The idiots have nothing to hope for; their life is a blank. All that can be given them is food and comfort. The ordinary lunatic, on the other hand, may be relieved or even cured by skill and attention. He requires more care, more watching and more intelligent treatment. The two classes should never have been herded together. The Province is also likely to save money by the proposed arrangement, as it should not cost so much to provide for the simple wants of the harmless unfortunate as to care for those who should receive the best care of medical experts, in addition to maintenance."

Charlottetown doesn't want a leader of the Government residing away at Port Hill! Vote square for the Government candidates.

Vote down the Oppositionists.

A VALUABLE ESTATE.—From a recent Halifax despatch we learn that the estate of the late Hon. James Butler is valued at \$1,000,000. He leaves \$60,000 to religious, charitable and educational purposes, and divides the balance among his children. The bequests are: To a new Catholic College at Halifax, \$30,000; Society St. Vincent de Paul, \$5,000; St. Joseph's Orphanage, \$5,000; Catholic Reformatory, \$5,000; Archbishop O'Brien, \$4,000; Rev. E. F. Murphy, \$1,000; an unannounced sum of \$2,000; to divide between 20 widows, \$2,000; Charitable Irish Society, \$1,000; and the Infants Home, \$5,000.

Suffering and Destitution.

A TERRIBLE TALE BROUGHT FROM SOUTH DAKOTA BY A REPORTER.

A recent despatch says: A reporter, just returned from the north, brings a tale of terrible suffering and destitution in nineteen counties of South Dakota, gathered from eye-witnesses. The failure of four years' crops has reduced those formerly well-to-do to the direst distress. Many thousands of families lack the means to purchase the necessaries of life. The condition of the people in Kingbury and Minor counties is heartrending. In the latter county they have no flour. They live on a scant supply of badly-ground cornmeal. Every farm is mortgaged heavily. Most of the stock has been sold by the sheriff at ridiculously low prices. The women and children have pinched and meagre faces, and in many instances are unprovided with proper clothing. The railroads have given out a little coal where it was most needed.

Personal.

Rev. Mr. Spurgeon is crippled with sciatica, and is unable to leave Mentone. Ex King Milan's pension is £16,800 a year, of which the Emperor of Austria pays £4,800. Edmund Yates says that the advance fixed by the Irish Land Purchase Bill will be limited to £10,000,000.

The King of Spain has got over his illness, but his constitutional weakness is so great that it is extremely unlikely that he will live to grow up.

Mr. D. Gordon, the Steam Navigation Company's agent at Summerside, was among the passengers in the Stanley from Pictou yesterday.

Rev. Father Lynch, of Harbor Grace, Nfld., preached High Mass in St. Dunstan's Cathedral yesterday. The rev. gentleman is meeting with much encouragement in his collecting tour throughout the provinces. He left today for the eastern part of the Island where he is meeting with very great success.

Mr. Thomas B. Aldrich, who has just weathered an attack of the grip, compares the sensation that it produces to that of "a mistletoe that is too tight across the forehead and pinches behind the ears."

The Duke of Verague, the new Spanish minister of commerce, is a direct descendant of Christopher Columbus.

General Sir Donald Martin Stewart, G. C. B., is to be appointed field marshal in place of the late Lord Napier, of Magdala.

The Duke of Argyll, on behalf of the Scottish Geographical Society, has sent congratulations to Stanley. Word has been received from Stanley of his intention to visit the German Emperor in March.

The Sultan of Turkey has ordered a reduction of all state salaries and in his own household expenses. The Turkish budget shows a deficit of £4,000,000.

Adam Forepaugh, the well known circus manager, died at Philadelphia, last week, aged 68 years. He was attacked a week or two ago with the prevailing influenza. Next to Barnum Mr. Forepaugh was the largest showman in America.
