GENERAL THACKER PLEASSED

The inspection of the 1st Battalion, P. E. I. Infantry (105th Battalion C. B. F.) this week at Victoria Barracks was very satisfactory. General Thacker being particularly pleased with the cleanliness of the lines and with the splendid turnout of the guard under Sgt. S. W. Steele, whom the General immediately recognized as having been Sergeant of the guard last year. The general conduct of the troops throughout the whole camp both during parade hours and while off duty, has won them great praise from officers and citizens alike. The pipe band did splendid service throughout the training period and it is hoped next year to fit them out with kilts etc., for themselves their kilts this year having been kindly loaned by the Caledonian Club.
