INK. INK. INK. CARTER'S Combined Writing & Copying INK! THIS COMBINATION INK has been awarded the highest premiums over all others in the United States, and pronounced by the most celebrated Chemists the best ink ever offered to the public. It is used by many of the largest commercial houses, Banks, Railroads, and other Corporations, and gives perfect satisfaction. The Advantages of this over other Inks, are: FIRST - It flows freely from the pen, and does not thicken by exposure to the air. SECOND - It will give a perfect and instantaneous copy. THIRD - It will not mould. FOURTH - Being equally as good for copying as for Book-keeping, it entirely does away with the use of two kinds of ink. FIFTH - It is more permanent than common Inks. SIXTH - The color, when first written, is a beautiful dark green, but in a remarkably short time it changes to a brilliant jet black - not a brownish black. SEVENTH - It is admirably adapted to the most delicate writing, and always "makes its mark." The Ink is warranted to flow as freely as any other writing fluid now in use; to give as perfect a copy as any copying ink; and not to mould. This Ink is for sale at HARVIE'S BOOKSTORE. Queen Street, Ch'town, Nov 4, '68.

To the Electors of the 5th Electoral District of Prince County: GENTLEMEN - At the solicitation of many of the electors of your district, I have decided to offer myself as a candidate for election to the session of the General Assembly of this Island made vacant by the resignation of Colin McLennan, Esq., your late representative. In now offering myself as a candidate for your suffrages, I assure you that I am not actuated by any desire for place or position as a politician or public man; but being a resident amongst you, and having a lively interest in the welfare of the district and the country at large, I have thought fit in deference to the wishes of many of the electors, to sacrifice my private preferences for what I believe to be the general good; besides I feel that public affairs have assumed a complexion that fully warrants such action on my part. In coming thus before you, I think it but just to myself to do so independently - un-aided and un-aided by parties. My political antecedents have been such as to place my character as a politician before the public in no doubtful light. I have been no political weathercock, and hope I shall never become such. I have always acted in matters pertaining to the general welfare independently and conscientiously, and shall continue to do so to the end of my career. If you should do me the honor to elect me as your representative, I shall faithfully represent and advocate your local interests, as well as the general interests of the country, to the best of my humble ability. More than this I feel that you will not expect of me. I regret that my private business will require much of my attention at the season of the year as to render it impossible for me to devote the time and personal effort to the canvass of the district that I would give at a less busy season. I leave the matter, however, in the hands of my friends, requesting their co-operation and your assistance to secure my election. I remain, gentlemen, Your obedient Servant, ANGUS McMILLAN. Summerside, Oct. 29th, 1868. - 1f

To the Electors of the Fifth District of Prince County. GENTLEMEN - In a few days you will be required to elect a Member to represent your District in the House of Assembly. I beg to inform you that I am a Candidate for this honorable position. Upon the important subject of PUBLIC EDUCATION, which now engages the attention of a large portion of our population, I consider it proper briefly to state my views. I AM OPPOSED TO THE ENDOWMENT OF ANY SECTARIAN INSTITUTION. I, nevertheless, consider it just, that so long as it shall remain in the policy of the People of this Island to defray the cost of Educating the Youth of the Colony from funds raised by common taxation, the same should be voted by the Legislature for Education, shall be apportioned among the Schools in which Education is imparted, and it elected, I shall advocate such Amendments to the Laws relating to Public Education as will entitle efficient Schools - if open to the inspection of the Executive Government - to a share of the grant for Education, whether such Schools shall be established and maintained by Religious denominations or by private individuals. Upon general Political subjects, my opinions are well known to you. I have the honor to be, Your obedient Servant, JAMES C. POPE. Summerside, October 15, 1868. 1st. Pro. Ex. Hoc. 3w.
