NO MORE SCIATICA.
Valentine Fisher is Cured of His Troubles
to have no return—He is doing a flourish-
ing Fruit Tree Business.

COLLINGSWOOD, Sept. 10.—About a year
ago, a telegraphic dispatch from here told
how Valentine Fisher, who had suffered
for years from sciatica, and who was so
crippled with the disease as to be unable
to work and was generally thought of
as dead, was cured by Dodd's Kidney
Pills. That the story was no fiction was
known by all citizens of this place. The
"cure" is a permanent one is now just as
generally known, for since his recovery,
Mr. Fisher has been hard at work selling
fruit trees for Chase Bros., of Rochester,
N. Y., and has travelled the whole of this
section for this firm with most gratifying
success.

Col. Thomas G. Lawlor, who has been
elected to the much-coveted position of
commander-in-chief of the Grand Army of
the Republic, is an Englishman by birth,
and is fifty years of age. He came to
America when a child, and went to the
war of the rebellion as a private in 1861,
serving over three years.

Peculiar to Itself.
Hood's Sarsaparilla is peculiar to itself,
in a strictly medicinal sense, in three im-
portant particulars, viz: first, in the com-
bination of remedial agents used; second,
in the proportion in which they are mixed;
third, in the process by which the active
curative properties of the preparation are
secured. These three important points
make Hood's Sarsaparilla peculiar in its
medicinal merit, as it accomplishes cures
hitherto unknown.

But it is not what we say but what
Hood's Sarsaparilla does, that tells the
story. What Hood's Sarsaparilla has done
for others is reason for confidence that it
is the medicine for you.

The Eiffel tower is to be removed from
Paris to Baltimore at a cost of \$500,000,
and set up over the latter city as an ornate
and spectacular enterprise connected
with the fair to be held there in 1897.

Why spend \$1 for a bottle of medicine
for a complaint when one box of Beech
am pill, costing only 25 cents, will cure
nearly all known diseases? This is because
constipation is the cause of nearly all ail-
ments. A valuable book of knowledge mailed
free, on request, by B. F. Allen & Co.,

OTAWA, February 21st.
Messrs. Patner Emulsion Co. of Halifax
N. S., Gentlemen—I have been troubled
with weakness of the lungs and general
debility during the past two years, so much
so as to cause considerable anxiety,
and hearing that your Emulsion was high-
ly recommended by the medical and other
reliable authorities, I concluded to give it
a fair trial. I have taken about seven of
your fifty-cent bottles, and now find that
my general health is much improved, my
lungs and chest are a great deal stronger,
and I have increased in weight twelve
pounds, and feel pleased to be able to thus
testify to the merits of your excellent
Emulsion, which I can heartily recom-
mend to all who are similarly afflicted. R. T.
Allan, next door to MacCarthy's drug
store, Ottawa.

teething troubles, cures constipation and flatulency.

toria is the Children's Panacea—the Mother's Friend.

Castoria.
"Castoria is a excellent medicine for chil-
dren. I have repeatedly told me of its
good effect upon their children."
D. G. C. O'Connell,
Lynch, Mass.

"Castoria is the best remedy for children of
which I am acquainted. I have used it for
as far distant as mothers who consider the
interest of their children, and use Castoria in-
stead of the various quack nostrums which are
sold for the relief of colic, by feverishness,
morphia, soothing syrup and other hurtful
agents upon their throats, thereby sending
them to premature graves."
