The Small Debt Court met this forenoon and adjourned till to-morrow morning.

AUSTIN C. McDONALD, Esq., Liberal-Conservative candidate for King's County, is in town.

An informal meeting of the City Council was held this forenoon, when yesterday's election returns were opened and accepted by those present.

A TERRIFIC storm visited Toronto, Ontario, on the 5th. Hail stones, like broken ice, demolished windows in the churches and dwellings. The cellars were flooded, and the streets caved in all directions.

At the Stipendiary Magistrate's Court, this forenoon, Thomas Ladner, drunk and lying on Queen's Square, was fined \$2 and costs or 8 days; Joseph Cameron, drunk and wandering about the street at 2 a. m., was fined \$1 or 4 days.

In St. John, on Monday morning, an old man named John Hennessy was discovered lying dead in a barn off Germain street. He was an inmate of the Alms House, and a few days ago took his discharge to visit his children in the city, but died before seeing them.

In Halifax, the other day, the police entered a house on Maitland street which was suspected of being an illicit distillery, and seized two thousand gallons of partially distilled liquor, thirty gallons of rum and a puncheon of molasses. It is believed that a large quantity of liquor has been distilled at this place and then removed.

THE Patriot says: Our ingenious friend, Mr. Wm. McKenzie, of Lot 49, has invented a wagon fender. It is very simple and very effective. It does away completely with the scraping and disagreeable sound made by the wheel against the fender now in use, and enables the vehicle to which it is attached to turn readily. We trust that Mr. McKenzie will get his invention patented and make a good thing out of it. It is certainly a great improvement.

THE steamer *Worcester*, Hedge master, arrived from Boston this morning at six o'clock with a cargo of sundry goods and the following passengers:—Mr. Samuel Carpenter, Mr. G. V. Harris, Major P. G. Murphy, U.S.A., Mr. C. R. Burleigh, S. S. Mason, Miss Jane McMillan, Mrs. H. Gordon, Mr. Geo. E. Gladwin, J. E. Bates, Miss Lizzie Kathleen, Miss J. Leod, Mrs. A. E. McLean and children, Miss Mary McGinnis, Miss Kate McDonald, Mrs. H. L. Hart, Miss McKinnon, Miss McPherson, Miss McLeod, Miss McNeill, Master Joseph Dunne, Mrs. McCormack, Miss Ann McCormack, Mrs. E. Gibbons, Mrs. Sears.

THE hard times in the United States are, according to the N. Y. Times, giving a great impetus to the settlements of public lands. It says: "When the hosts of unemployed laborers who cling to the cities, despite their enforced idleness, shall have gone to tilling the soil, one of the serious troubles of the day will have been naturally and permanently adjusted. Necessity teaches what argument and illustration never can. Political economists and newspaper scribes might advise the poor and unemployed to go West until they had grown gray, and all to no purpose. Four or five years of non-occupation and need have set the tide of humanity flowing in that most wholesome and desirable direction."

WE would call the attention of our readers to the extensive sale of Farm Lands and Pasture Lots, as advertised by William Dodd, the Auctioneer. The sale will take place to-morrow at Kenwith, about five miles from the city, on the Malpeque Road, and will commence at 11 o'clock. This property is divided into Farms of from forty to fifty acres each; and near the Winsloe Road Station, into lots of from one to six acres each. The property is so well known as to need no description, and comprises some of the best farming lands in the proximity of the city.

"We have good authority for announcing that the general elections for the Dominion will come off in Ontario, Quebec, New Brunswick, Nova Scotia and Prince Edward Island in the first week of September next. Manitoba and British Columbia need not, under the provisions of the Statute, have their elections till later. Under the Act, the Government have only to give notice by proclamation eight days before the day fixed for the nomination of candidates. From present advices we believe that the Government intend to spring the elections upon us within a month. Our advice to the electors is 'Be ready.'"

WE clip the above from an exchange.

A SEEDY looking customer from the rural districts entered the city this morning to witness the sports of the day, and toward noon became delicately steeped in liquor. He roamed about Queen street viewing everything with curiosity, and at 2 o'clock was standing at the corner of the "American Variety Store," dizzy—everything seemed to be going around. Presently something attractive in the window of the above named store drew his attention, and while in the act of scrutinizing its make-up, his head and shoulders were seen to disappear through one of the large panes. He gathered himself from that awkward position and, shaking the broken glass from his shoulders, sped down Queen street, closely followed by the proprietor. A lively chase was witnessed by the residents of Water street. It was continued through the East end, and when the police joined in at Prince street there were no less than fifty urchins following. He was, however, captured and brought to the Police Station, where he awaits trial.

**A Bye-Law for Levying an Assessment on Real Property in the City of Charlottetown.**

(Passed by the City Council 19th July, 1878.)

WHEREAS, it is necessary and expedient to pass a By-Law for the purpose of levying an Assessment on the rental of Freehold and Leasehold Property in the City of Charlottetown, for City and School purposes, for the current year ending on the twenty-sixth day of May, in the year of our Lord one thousand eight hundred and seventy-nine,—

Be it therefore enacted by the City Council of the City of Charlottetown as follows:—

1. There shall be paid by the occupants or owners of Freehold or Leasehold Property within the City of Charlottetown, for City and School purposes, the following sum, that is to say, the sum of Twelve Cents on every Dollar of the rental for the current year ending on the twenty-sixth day of May, in the year of our Lord one thousand eight hundred and seventy-nine, according to the valuations entered against the names of each and every person in the Valuation Book of Real Property made by the Assessors of the City of Charlottetown, and returned by the said Assessors to the said City Council on the twelfth day of July, in the year of our Lord One Thousand Eight Hundred and Seventy-eight.

2. In cases where the occupant named in the Assessment Book of real property, made by the said Assessors of the City of Charlottetown, shall have left the premises so assessed before the time of giving the notice of assessment required by law, such notice shall be served upon the person or persons actually in possession; and, if the premises be vacant, then such notice shall be served upon the owner or owners thereof, or his or their agent; and such owner or owners shall be deemed, for the purposes of this law, the occupant or occupants; and such occupant or occupants, owner or owners in the cases aforesaid, shall be severally liable for the payment of the sum entered against the name of the original occupant or occupants in the Assessment Book of Real Property made up by the said Assessors of the said City, and deposited with the City Clerk, subject to the same right of appeal as the person or persons originally assessed was or were entitled to.

3. In cases where tenement houses containing two or more occupants, and where either the owner or one occupant was originally assessed, the City Collector shall have power and authority to divide and apportion such assessment between the several occupants in proportion to their several or respective rents, in order that the notices for assessment may be served on such occupants in due form.

**SYDNEY COAL.**

**REDUCTION IN PRICE!**

**NOTICE TO THE PUBLIC!**

THE GENERAL MINING ASSOCIATION (Limited) beg to intimate to the Public that the price of SYDNEY COAL has been

**Reduced to \$2 per ton of 2240 lbs.,** a price which it is hoped will place it within the reach of all consumers.

The opening of the new winning at "THE SYDNEY MINES" and the fact that the SYDNEY COAL now being shipped is all from the DEEP taken in connection with recent improvements in the process of screening, affords purchasers a positive guarantee of the very superior quality and condition of the SYDNEY COAL now offered for sale.

It is a well-known fact that for many years past the prices of other Cape Breton coals have been regulated by the rates fixed for SYDNEY COAL; but while it is true that other coals, to get a sale at all, have been pressed on the market at various prices under the current rate of SYDNEY COAL, it is no less true that, taking into account the superior lasting qualities of SYDNEY COAL when compared with other Cape Breton coals, the advantage, both as to economy and convenience, is in favor of SYDNEY COAL, even at a much higher price.

The General Mining Association (Limited) regret that they should again have to caution the Public against the attempts being made from time to time to induce them to buy inferior coals purporting to be "EQUAL TO SYDNEY," "SUPERIOR TO SYDNEY," etc., etc., while some yet more unscrupulous vendors have not hesitated to advertise their coals as SYDNEY COAL (from some designated locality). All these efforts to sell coal by such means are only so many admissions on the part of those who make them of the STANDARD character of SYDNEY COAL.

It has come to the knowledge of the Association that in frequent instances parties giving orders to truckmen and others for SYDNEY COAL have been furnished with other and inferior coal. The Public are cautioned against permitting themselves to be imposed upon in this way.

Every vessel loaded at the CERTIFICATE MINE is furnished with a certificate of her cargo being Sydney Coal. Parties purchasing should satisfy themselves by demanding the production of this certificate.

The "Sydney Coal" is registered under the laws of the Dominion, and unauthorized parties using the Trade Mark "SYDNEY COAL" are liable to prosecution.
