

In hockey we are pleased to report that we beat Gentleman Jim's in a good game by a 4-3 score with Ken Burton, Wilfred MacDonald, Dave Pineau and Shane Carr scoring. On this weekend we play host to St. F.X., rated #3 in Canada last year. Under new coach Jim Cahoon, fresh from pro ranks, they have already played several exhibition games... most recently splitting with U. de Moncton 3-7 and 7-0. For the first time in several years the hockey team returns to campus as both games will be played in the icebox... the first on Saturday at 7.00 and again on Sunday at 2.00. We hope the

student body will attend en masse so as to let the Panthers know we are all behind them. After all, the oldest cry on this campus is probably "Beat X...Beat X...Beat X". Alright, let's beat X.

Since the type was set for the above, we have been advised that Dave Bryand's name was inadvertently left off the list of graduates. With the fear that his diploma will not be honoured lest his departure be herein noted, we add this post-script. Sorry Dave, and we might add - we hate so see you go.

Friday with a game against the Alumni in the Gym with the tip off at 8:00. In men's basketball our new coach, Kevin Feighrey, faces a formidable task as he really builds from scratch with Bill Fanning, who dropped out of play last year, being the only player who has previous Panther experience. Kevin has every confidence of seasonal success although it is said that other teams in the conference have been strengthened considerably since last season. The immediate aim is to make the playoffs. Once that is achieved, with the experience then acquired, anything can happen.

with great efficiency the multiple tasks that the job calls for. As in his many fields of endeavour, Gerald will be missed.

In field hockey our inexperienced girls achieved little success over the season but we look for better things next year and we are pleased to note that one of the Panther players who is certainly one of the most enthusiastic athletes in any UPEI uniform has been chosen on the mythical all-star team. We congratulate Sandra Drysdale and we think the judges made an excellent choice.

Junior Class Moves into First Gear !!!

As president of the Junior class, I extend a welcome that, while a little late in the year, is heartfelt. My name is Nora MacAdam and my executive-treasurer John Fitzpatrick, and vice-president Shelly Pepler, and I look forward to an active year for our class.

In the two years that our class has been together we have little to show our class spirit or to raise money for our Senior Week. Let's make

this the year that changes all of that! First, let me explain how each class can raise money.

As each Freshman class enters the University, they receive \$100 to use as a foundation to raise money for their Senior Week. Our Junior class still has only the original \$100 we received as Freshmen. As you can imagine, that won't get us too far during Senior Week. Also as Juniors, it will be our responsibility

to back this year's Senior class graduation ball which will cost approximately \$1,000. I think we have our work cut out for us, don't you?

The executive hopes to sponsor the spring Co-ed along with several pubs and hopefully a couple of Junior class parties. If we do sponsor these events, we need you to come out and support them or we run the risk of going in the hole.

Remember - it's your Senior Week! Anytime you

see signs promoting Junior Class events, come out and join the fun and bring a friend. (They don't have to be Juniors.) We're a class; let's get together, show some spirit and, most important of all, have fun! If you have suggestions for other ways we can raise money, just talk to me, John or Shelley. We'd love to hear your ideas.
