TO BRICKMAKERS!!!

TO LET, and immediate possesion given, That very eligible and conveniently situated BRICK YARD, with the Apparatus necessary for Brick making, consisting of a Pugging and *Moulding Machine*, of recent American Invention, which can be worked by a Horse Power; also, a Machine for making Pressed Bricks, with Barrows, Boards, &c., &c. The clay is of very superior quality and free from stones, and there is abundance of water very convenient. There is a Dwelling House on the premises, and attached to the Brick Yard are 16 acres of Land Fenced, part of which is cleared and under cultivation.

It is situated 3 miles from the City close to the Cloth Mill, and near the Queen's Arms on the Western Road. There is a passage from the Yard to the Princetown Road, a short distance from the Red Lion Inn, and a path also to the Royalty Road leading to Poplar Island Bridge. Water carriage is not more than 25 chains distant.

As Wood and Boards are getting scarce and expensive, the principal Buildings hereafter will have to be erected with Brick or Stone. This place offers advantageous to an industrious and enterprising person who understands the business, being so near the City, and the demand for Bricks being so much on the increase. For terms and parculars apply to the Owner, JAMES D. HASZARD, or at the Store of Messrs. Haszard & Owen.

DOCTOR HOOFLAND'S CELEBRATED
GERMAN BITTERS,
prepared by DR. C. M. JACKSON,
German Medicine Store,
No. 120 Arch St., one door below Sixth Philada.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of Invalids. Possessing great virtues in the rectification of the liver and lesser glands, exercising the most searching power in weakness and affections of the digestive organs, they are withal safe, certain, and pleasant.

Testimony from Maine.

CAPT. DANIEL ABBOTT, Brooklyn, Maine, July 16, 1843, says: "I was taken sick one year ago, last April, upon my passage from Havanna to Charleston, S. C. At the latter place I took medicine and procured a physician, but for ten days could obtain no relief, no sleep or appetite. At last taking up a newspaper having your advertisement of 'Hoofland's German Bitters' in it, I sent for some immediately, this was about 10 o'clock, at 11 o'clock I took the first dose, and another at 6 o'clock. The effect was so rapid on me, that I had a good appetite for supper, and rested well that night, and the next day found me a well man. I have not been without your medicine since, having been sailing between Baltimore, Charleston and the West India Islands ever since. I have now given up going to sea, and reside in this place, where you should have an agency, as you could sell large quantities of it."

JOS. B. HALL & Co., Presque Isle, Aroostook Co., Maine, April 24, 1854, say: "We herewith send you a certificate of a cure performed by the use of *only one bottle* of the German Bitters, we think Mr. Clark to be a man of veracity, and have no doubt of the truth of his story."

Messrs. Jos. B. Hall & Co.—Gentlemen—In answer to your inquiries, I will state that my daughter, aged about 16 years, had been complaining of a pain in her side, for six or seven years, and about the first January last, was taken down and confined to her bed. The pain in her side was very severe, besides being troubled with pains between her shoulders and in her breast. From reading a number of cures performed by "Hoofland's German Bitters" I was induced to try it in her case, and sent to your store and purchased *one bottle*. She had taken it but a few days when she began to improve, and now, after taking *only one* bottle, she is enjoying better health than she has for years. She feels no pain in her side or in any part of her body, and attributes her cure *entirely* to the German Bitters. WILLIAM CLARK,

Salmon Brook, Aroostook Co., Me.

You should bear in mind that these Bitters are ENTIRELY VEGETABLE, thereby possessing advantages over most of the preparations recommended for similar diseases.
