The firemen and salvage corps made a very prompt turnout.

WHEELMEN ATTENTION.—The secretary of the Cycle Club here has received word to-day from Mr. Hunt, Summerside, to the effect that competitors in the bicycle race on Dominion Day would be allowed to take part in three races on payment of the entrance fee. FISHING NOTES.—Schooner Mischief arrived at Souris yesterday from the Banks to land Capt. Richards, who is suffering very much from a sore arm, and is now under Dr. McLellan's treatment. Captain Richards reports codfish scarce, and it now looks as if all kinds of fish will be scarce.

The lobster fishing this season in the east end of the Island will not be over half a catch. The season opened with good prospects, boats landing the first few days in May an average of from 1200 to 1500 pounds, but during the last ten days they have averaged only from one to three hundred pounds, and already some of the factories have closed. We learn that Mr. Geo. Morrow has closed his factories both at Campbell's Cove and East Point, and others purpose doing the same this week.

THE WEATHER.—Moderate to fresh southerly to south-westerly winds; mostly fair with a few local showers.

## SAD DROWNING AT ORWELL.

### Three Men Meet a Watery Grave Yesterday.

### One of the Victims Was a Medical Student at Dalhousie College.

A SAD drowning accident occurred at Orwell yesterday afternoon. It seems that about two o'clock three men—Edmund and John Hughes and James Daly—went down to the shore below Norman McLeod's farm, for a walk, and the next heard of them the dead bodies of all three were found in the water. The body of Edmund Hughes was naked, while the other two had their clothing on. Just how the accident occurred is not known, as there were no eye-witnesses. It is supposed, however, that some time after the three men got to the shore Edmund Hughes took off his clothing and went into the water to swim. After he was in the water some time he either got beyond his depth or took a cramp, and communicated the fact to his two companions who had remained on the shore. They went out to his assistance, dressed and all as they were, and in some way all three were drowned. The sad occurrence has cast a gloom over the entire community.

Mr. Daly, who belonged to Montague West, was a medical student at Dalhousie College, and expected to graduate next year. He came home from Halifax recently, and was not in very good health. He was on a brief visit at the residence of the Messrs. Hughes, at the time of the unfortunate accident. He was about 40 years of age and leaves a wife and six children to mourn.

The Messrs. Hughes were unmarried. One was about 25 years of age and the other 27. Their father is married to a sister of Daly's wife.

An inquest in view of the bodies was held yesterday afternoon before James F. Moore, coroner, and a verdict of "accidental drowning" was returned.

## GENERAL TELEGRAPHIC NEWS.

PARIS, June 12.—Premier Ribot's allusion in the chamber of deputies Monday to the existence of a definite alliance between France and Russia has excited much comment. This is the first occasion that an entente between the two countries has been so designated officially.

LONDON, June, 12.—The Government of Victoria, Australia, has directed its representative in London to support the proposal to form a joint commission on the Pacific cable. At the intercolonial exhibition, projected for this year, displays will be made of the products of all the large colonies. The colonial agents-general in London favor the scheme. The Canadian Gazette is authorized to deny the story that General Booth, head of the salvation army would send ten thousand emigrants to Canada in the autumn. An official of the army will go to Canada to look for a location for an army colony and negotiate with the government for procuring land, but further plans are imcomplete.

LONDON, June 12.—The Post publishes a despatch from Berlin stating the question of the Chinese loan seems to have caused a marked divergence of opinion between Russia and Germany. According to Germany's view Russia executed a sudden and curious about face in regard to Japan evacuating the Chinese mainland. China having engaged not to raise a further loan in six months, as she evidently cannot yet pay even the original indemnity, Japan will continue to occupy Port Arthur and Wei Hai until the whole indemnity shall have been paid. The Japanese will thus be compelled to look to Russia for counsel and guidance, which is a result never expected in Berlin when the action of Russia, Germany and France was arranged. The present danger is that relations between Russia and Germany may become less cordial than ever.

WASHINGTON, June 12.—The report that one of the Pescadore islands would be given France for a coaling station is discredited among diplomatic officials here. These islands were conceded to Japan in the recent treaty with China. No part of them, it is asserted, will be relinquished by Japan. It was distintly stated that if France should insist upon the control of one of the islands, Japan will resist to the extent of engaging in war. Those who are in a position to speak intelligently upon Oriental matters say the French government has no serious intention of attempting to secure a foothold in the Pescadores. These reports, it is said, are inspired from French sources. The purpose of their publication is a salve to French mour propere.

LONDON, Ont., June 12.—The twenty-first general assembly of the Presbyterian church in Canada was opened in St. Andrew's church here this evening. The church was crowded. Dr. Wardrope conducted devotional exercises and Dr. G. L. McKay, ex-moderator, of the Formosa mission, preached from the words of God to Israel at the Red Sea: "Go forward." The sermon occupied an hour, and was one of exceptional power. After the assembly was constituted with the prayer the roll was called. On motion of Drs. Warden and Forrest, Dr., James Robertson, of Winnipeg, was unanimously and enthusiastically elected moderator. On being led to the chair he thanked the assembly on behalf of the home missionaries from east and west. He spoke briefly. He referred to the death of Rev. J. A. Murray, who invited the assembly to his church last year, but who is not with us. Dr. McKay reported the reception of replies to the loyal addresses from the Queen and Governor-General, the latter being a personal letter.

HE WAS WELL KNOWN.—A correspondent writes: "Mr. Felix Rush, whose death was recorded in THE EXAMINER a few days ago, emigrated from the County Monaghan, Ireland, in the year 1840 with others in the emigrant ship Lady Constable. He engaged in mason work, and was employed in the building of the largest brick buildings in Charlottetown, and at the erection of the Tignish and St. Peter's Bay brick Roman Catholic churches. Mr. Rush was an honest and hardworking citizen, and secured the confidence of his employers. He leaves a bereaved widow, two sons and four daughter to mourn the loss of an affectionate husband and kind father."

Rest for the little sleeper,
Joy for the ransomed soul,
Peace for the lonely weeper,
Dark though the waters roll.

Hath the dear Savior found him,
Laid him upon his breast,
Folded his arms around him,
Hushed him to endless rest?

Grieve not with hopeless sorrow,
Jesus has felt your pain,
He did thy lamb but borrow,
He'll give him back again.

These ashes few, this little dust
Our Father's care shall keep,
Till the last angel rise and break
The long and peaceful sleep.

THE MAMMOTH

# JUBILEE TEA

TO BE HELD AT

## MORELL STATION,

About three minutes' walk from the charming Morell River, with its curious Floating Bridge,

On Wednesday, 26th June,

will be the crowning Social Event of the Season.

**Proceeds in Aid of St. Joseph's Church, Morell.**

Morell has long been the favorite sporting ground for seekers of health and rest, and the lovers of the rod and gun. The scenic attractions of the place are so well and widely known that it seems unnecessary to comment upon them here. Suffice it to say that in the last week of June—the most delightful week of the whole year—the natural beauties of the place will have attained their culminating point. These are considerations that should commend the Mammoth Jubilee Tea to all who desire a day of real pleasure and recreation after the hard work of spring. The preparations for the Tea are on an elaborate scale. The Committee in charge are putting forth all their efforts to make the Mammoth Jubilee Tea eclipse anything of the kind heretofore held in the Province. Already the impression is abroad—and it is a true one—that whoever wishes to attend the first, the largest and the best Tea of the season must not miss the "Mammoth." Thousands of people are expected from all over the country, but ample preparations will be made for all. There will be several Tea Tables groaning under the weight of the rarest delicacies of the season—smoking dinner tables, to which sea and stream, forest and farm will each contribute its choicest spoils, well-stocked Refreshment Saloons, Ice Cream and Strawberry Stalls, Bazaar Counters, commodious Dancing Booths, Revolving Swings and other attractions too numerous to mention. A well organized Vigilance Committee will be on the grounds to preserve good order. In a word, everything will be provided to make the day what it should be—one of pleasure and recreation. An excellent Brass Band will come by special train from Charlottetown. In addition to the Band there will be a Piper to enliven the sons of the heather.

Should the day prove unfavorable, the Tea Party will be continued on the following day

Trains will be run on standard time, as follows:—

A Special Passenger Train will leave Charlottetown at 7.50 a. m. (standard), returning will leave Morell at 4 p. m. (standard), to run on the following time schedule:

| " Bedford | 8.40 " |
| " Mount Stewart | 9.07 " |
| Arrive at Morell at 9.40 a. m.; leave Morell for return at 4 p. m. | |

Return tickets at the undermentioned rates will be issued from Charlottetown by special passenger train, and by regular passenger trains from Georgetown and Souris, good for return same day, by same trains only:
