**We'll Help You**

In all the painting you have to do, or direct, you are invited to consult us freely about the best ways of using THE SHERWIN-WILLIAMS PAINTS. Our experience of thirty years is at your service.

For anyone sending us a photograph or architect's drawing of his building, our artists will prepare a plan for painting, giving several artistic color combinations from which to choose. This is free.

We'll help you by sending you, free, "PAINT POINTS," a little illustrated guide to practical painting about the home, telling how to save money and get the best returns from using paint.

If you will tell us your needs when you are about to paint, we'll send you color cards of the paints that will suit you, and illustrations of buildings showing color combinations.

More than 2000 Families in Halifax and Dartmouth use Sunlight and Lifebuoy Soaps exclusively in their homes, and all say they would not have any other kinds.

This information is correct having been gained by competent and trust-worthy advertisers, leaving samples at every house and making careful enquiries.

These families never knew what pure SOAPS meant, until they tried SUNLIGHT and LIFEBOUY.

Why should not others learn and be healthier and happier for the learning.

Price is only 5c for large twin bar.

Permanently Cured of Asthma, Clarke's Kola Compound Cures.

Mr. F. J. Panton, the well-known proprietor of Panton's Music Store, Vancouver, B. C., writes: "I have been a great sufferer from asthma in its worst form for over four years, very often having had to sit up nearly all night. I had consulted physicians both in England and Canada without obtaining any permanent relief and tried many remedies with the same result. A friend who had been cured by Dr. Clarke's Kola Compound advised me to try it. And three bottles have entirely cured me. It is now nearly two years since my recovery, and asthma has not troubled me since. I feel very grateful to Dr. Clarke for introducing this wonderful remedy, suffering as I was, and do not know of a single case where the required number of bottles have been taken that it has failed to cure. See that you get Clarke's Free sample bottle sent to any person. Mention this paper. Address The Griffiths & Macpherson Co., 121 Church street, Toronto, or Vancouver, B. C., sole Canadian agents.

**Artificial Teeth on Metal Plates**

A dentist who knows his business, and one that has any regard for his patients will always advise them to have a metal plate.

**PROF. MELVILLE B. BUCKLEY,**  
Instructor Boston Dental College,  
Boston Mass

In view of the vast amount of injury done to the mouths of wearers of rubber or vulcanite plates, by the retention of undue heat, owing to the non conductivity of rubber, and as aluminum is now so cheaply produced, and making as it does a rigid, light, clean, unobjectionable plate there seems no reason why any person should wear a rubber or vulcanite plate. Not only this, but better results in fit and adhesion are obtained in difficult cases, than in the use of rubber.

**L. P. E. & L. D. D. S.**  
Chicago Ill Dental School

The above quotations are from hundreds by eminent dentists whose close observation in many years experience in plate work has learned them the many advantages of metal over rubber.

Many persons who are compelled to wear artificial teeth on a plate find that the ordinary plate causes heating of the mouth, bad taste, shrinkage of the gums, etc., finally causing the plate to get loose, sometimes sore lips, sore mouths and sore throats, and caused directly from the wearing of an ordinary plate.

**We recommend a metal plate either of Gold, Platinum, Aluminum.**

It is a conductor of heat and cold, it is non-irritating, and is thinner, lighter, and stronger than any other plate.

We have testimonials from persons for whom we have made metal plates—not one would wear an ordinary plate again. You can have your impression taken, and a metal plate made same day, fully guaranteed because we make them ourselves, and know all about the material used. Call and see specimens of our work. Every piece of work done by us must give entire satisfaction to the patient, else we will not allow it to leave our office.
