**DAILY CRYPTOQUOTE—Here's how to work it:**  
is LONG FELLOW  
A X Y D L B A A X R

One letter simply stands for another. In this example A is used for the three L's, X for the two O's, etc. Single letters, apostrophes, the length and formation of the words are all hints. Each day the code letters are different.

F "99" is a new and successful approach to Leg Ulcer healing. It is a two-way treatment (taken internally (Capsules) to relieve the deficiency and applied locally (Ointment) to stimulate the healing of the wound. To many thousands of sufferers all over the world F "99" has already proved its tremendous value and is being used with remarkable results even in cases where other treatments have failed.
