Wannamaker indicated another charge of a similar nature will be laid against the accused. Browne Files Petition To Oust Nfld. Liberal

ST. JOHN'S, Nfld. (CP)—Former solicitor-general W. J. Browne turned to the courts Friday in a bid to regain the Commons seat he lost in the June 18 election.

Mr. Browne filed a petition in the Supreme Court of Newfoundland alleging irregularities in the service vote in St. John's West. The petition asks the court to declare void the election of Liberal Richard Cashin.

Mr. Cashin, 25 - year - old grandson of a Newfoundland Conservative premier of pre-Confederation days, defeated the Progressive Conservative cabinet minister by 24 votes.

Mr. Browne's petition, accompanied by a $1,000 deposit as security for court costs, claimed that votes of servicemen not eligible to cast ballots in St. John's West were counted.

On the basis of election-night counting, Mr. Browne retained his seat by 161 votes. However, the service vote tabulated a few days later turned victory to Mr. Cashin by 45 votes. A subsequent recount reduced his margin to 24.

MAY FILE REPLY

Mr. Cashin has 15 days to file a reply. Then either side may ask that a date be set for a hearing, which is unlikely to come about until the fall session of the court starting Oct. 1.

If the court rules in Mr. Browne's favor the matter will be referred to the House of Commons Speaker who will order a new election.

Mr. Cashin, a lawyer making his first start in politics, said Mr. Browne can take any action he is entitled to but "when it is all over the best he can hope for is to be in the same position he is in now."

Mr. Browne resigned from the cabinet representative. His duties, which consisted mainly of recommending to the cabinet whether to intervene in death sentences, were added to those of Jusice Minister Fleming in the prime minister's cabinet shuffle earlier this month.

Mr. Browne, 65, was the first person to win St. John's West after Newfoundland entered Confederation in 1949. He lost it to a Liberal by 940 votes in 1953, regained it by 2,090 in 1957 and increased his margin to 5,615 in 1958.

Travel expenses, upkeep of property and purchase of "some items" will be reduced.

Mr. Harkness said the list given in his statement was not complete but indicated "the kind of changes which have been necessary to realize savings with as little harm as possible to the emergency capability of the services in all their varied roles."

"Since the nature of the emergency is temporary, I feel it will be possible—although it would obviously be undesirable on a long-term basis—to accept the deferment of the repair and overhaul programs to buildings and equipment and delay the purchase of certain new items.

"It is the intention of the government to affect the operational tasks now allocated to the services as little as possible. The reductions being made to meet this emergency reflect this policy."

Knudson, Thompson Tied In CPGA Tourney

By W. R. WHEATLEY

TORONTO (CP) — George Knudson, 26 - year - old Toronto touring pro, ran into trouble at the 17th hole Friday and wound up in a tie at 138 with Alvie Thompson of Toronto after two rounds of the Canadian Professional Golfers' Association championship.

Stan Leonard, defending champion from Vancouver, shot a 71 for a 140 total and was two strokes off the pace.

Three were in the 141 bracket. Little Johnny Henrick of Toronto shot a 68.

Lyle Crawford of Vancouver had a 70 to go with Thursday's 71 and third man at 141 was Bruce Murray of Kitchener, Ont., with rounds of 72 and 69.

Knudson appeared to have the leadership in the 54 - hole title chase all his own until he drove into trees, played his second shot into a trap and took a six at the par - four 17th.

DUPLICATE SCORES

Both Knudson and Thompson shot 69s Friday, matching the 68s they had Thursday when Peter Hildrop of Mount Hope, Ont., fired a five-under-par 67 over the Mississauga course.

Hildrop took a 75 Friday and was left four strokes behind the joint leaders.

Right behind Knudson and Thompson were Al Johnston of Montreal and Al Balding of Toronto. Johnston shot a 68 and Balding a 69.

Knudsn was five under par when he went to the 17th tee and said afterwards "I thought I had a birdie there." After his pro - green difficulties he eventually three-putted.

He missed par only once on the first nine and collected four birdies, making the turn in 33, three under.

AEC Drops Arctic Plan For Harbor

WASHINGTON (AP) — The U.S. Atomic Energy Commission disclosed Friday it has shelved long-laid plans to blast out with nuclear explosives a new harbor above the Arctic Circle, in the vicinity of Cape Thomson in northwest Alaska. The A.E.C. said it had "decided to defer, for the present, any recommendations to the president on whether to conduct the experiment," known as Project Chariot.

The government has spent $3,900,000 on the preparations so far, but officials said this wasn't money down the drain. Much scientific data has been gathered, they said.

One aim was to provide a suitable anchorage so Alaskan mineral deposits and fishing could be developed.

The AEC said the deferment was decided upon after a review of plans for the nuclear excavation experiment showed that information expected to be gained from the project is now available or may be developed from other experiments.

If it had gone off, the experiment would have blasted out 70,000,000 tons of dirt. Plans called for touching off, at a depth of about 600 feet, four 30-kiloton explosives to excavate a ship channel, and one 200-kiloton explosives to excavate a ship channel, and one 200-kiloton explosive at about 900 feet to dig a turning basin.

One kiloton is equal to 1,000 tons of TNT.

By THE ASSOCIATED PRESS

Chicago Cubs socked Milwaukee with a 15-hit attack for a 7-2 victory Friday that ended the Braves, five-game winning streak.

Right hander Bob Buhl, pitching in 90-degree heat, limited his former teammates to six hits, picking up his 10th victory against nine losses.

The Cubs scored all the runs Buhl needed in the first two innings when they rapped out seven of their hits for five runs. Included in the barrage were doubles by George Altman, Cuno Barragan and Lou Brock. Brock had a perfect day at the plate with three other hits and an intentional pass.

Buhl was the only man in the Cubs lineup who failed to hit. He has been hitless in 46 at bats this season.

Milwaukee's Hank Aaron clubbed his 34th homer in the second inning and extended his hitting streak to 24 games, longest in the majors.

It was the only day game in the major leagues. In night National League action San Francisco was at Philadelphia, Los Angeles at New York, Houston at Cincinnati and Pittsburgh at St. Louis. Ticats Whip Als 33-11

By MARVEN MOSS

MONTREAL (CP) — Frank Cosentino, a lanky young Canadian quarterback, filled in brilliantly for the injured Bernie Faloney Friday night and steered Hamilton's high-riding Tiger-Cats to a 33-11 win over Montreal Alouettes before 22,393 Eastern Football Conference fans.

By rolling to their third win in as many starts, Hamilton spotted the Alouettes their entire 11-point scoring output before storming back in a pattern the Ticats established in both their previous wins.

So strong was Hamilton's defence in the second half, the Als mustered only a meagre three first downs in the 30 minutes of play — and one of these was the result of a penalty call against the Tiger-Cats.

Cosentino, a 24 - year - old from the University of Western Ontario in his third season with Hamilton, handled the Ticats with the finesse of a seasoned campaigner, although working behind Faloney he has only been used in spot since joining the club.

SCORES TOUCHDOWN

He scored one touchdown on a three - yard swing over left tackle and hooked up with ex-Alouette Hal Patterson on a 95-yard passing play for another.

The loss soared at least 50 yards in the air and Patterson took it over his shoulder behind Howie Cissell after the Montreal safety made a fruitless leap for an interception.

Bobby Kuntz burst 11 yards over right tackle for Hamilton's third touchdown and rookie Joe Zuger scored another with a 37-yard run after intercepting a pass thrown by Montreal quarterback Sandy Stephens.

All four touchdowns were converted by Don Sutherin, who also added a 3-yard field goal, their university tuition at navy expense and the same time receive a monthly salary from the service. All accepted candidates are required, after finish university, to serve for a minimum period of three years with the permanent force, after which they may retire to civilian life or remain in the regular force.
