# Dodgers, Phillies And Redlegs All Win Games

BROOKLYN (AP)—Gino Cimoli lined a two-out single into centre that drove in the winning run Friday night as Brooklyn Dodgers, down 2-0, rallied in the ninth for a 3-2 victory over Milwaukee Braves, whose National League lead stayed at 6½ games over both second-place St. Louis and the third-place Brooks.

Cimoli previously had failed on an attempted sacrifice bunt when the Dodgers left two on base in the eighth against starter Gene Conley. He hit the winner off righthander Don McMahon, who had come on with one run home, one on and none out in the ninth.

CLEVELAND (AP) — Gene Woodling's 10th inning double, his fourth hit of the game, scored Bob Avila from first base and gave Cleveland Indians a 5-4 victory over New York Yankees in a thriller before 26,196 here Friday night.

Woodling, who also hit a two-run homer and two singles, was backing away from an inside pitch by reliefer Bob Grim when his bat hit the ball and slashed it down the third base line. Avila, who had walked, came in with the winning run.

The Yankees had tied the score at 4-4 with three runs in the ninth inning, including a homer by Gil McDougald.

PITTSBURGH (AP)—Joe Nuxhall pitched Cincinnati Redlegs to a 6-0 victory over Pittsburgh Pirates Friday night, limiting the last place Pirates to four hits. Nuxhall got three hits himself as he stopped the Redlegs' 10-game losing streak, longest of the National League season.

NEW YORK (AP)—A single by Willie Mays and Ray Jablonski's double hauled New York Giants to a 3-2 victory over Chicago Cubs in 16 innings Friday night, tying the longest-game record of the season in the National League.

PHILADELPHIA (AP) — Rip Repulski's two-run eighth inning home run pushed Philadelphia Phillies over the top in an uphill 3-2 victory over St. Louis here Friday night.

A crowd of 20,284 had seen Card southpaw Wilmer Mizell stifle the Phillies in the clutch four times.

Meanwhile, the Cards, playing with veteran star Stan Musial on the sidelines for the first time in years, had given vinegar Bend a 2-0 lead off ex-Card Harvey Haddix, also a southpaw.

Joe Cunningham, filling in at first for Musial, scored in the first.

DETROIT (AP)—Charlie Maxwell and Al Kaline slugged three-run homers as Detroit Tigers rolled to a 13-4 victory over Washington Senators Friday night and climbed over the .500 mark for the first time since Aug. 1.

It was the Tigers' highest run production of the season. They collected 16 hits with Johnny Groth, Frank House and Jim Finigan getting three apiece.

CHICAGO (AP) — Southpaw Billy Pierce handcuffed Ted Williams and Boston Red Sox Friday night while Chicago White Sox rapped out a 4-1 victory and cut a full game off New York Yankee American League lead.

## Ross Burner Edge Lions 11-10 To Deadlock Series

Call them "A Cinderalla Team" "The Pinch Hit Kids" or the "Frank Merriwell Finishers" any handle would to to describe them but one thing is certain oss Burner and Electric have set the City Softball League on its ears with their amazing antics to come from behind and win ball games.

The Rossmen "Did the impossible" once more yesterday evening when they staged a terrific last inning rally to come from behind and defeat Barry's Lions 11-10 in another thriller.

The victory deadlocks the best of seven final series at three games each. The seventh and deciding game will be played on the Old Diamond this afternoon at 2.30 and you can bet your bottom dollar there will be more fans around for this contest than have gathered at a ball game for a long time.

On the verge of elimination in the softball play-offs ever since the series got underway, Ross Burner have continued to bounce up like a rubber ball and stay in there against almost overwhelming odds.

They started their antics against the B.Y.C. in the semi-finals and at one time were only an out away from being sidelined. Against the Lions they have played exactly the same way.

The Lions were leading 10-8 going into the last of the seventh yesterday when things began to happen. They had Art Ballem on the mound and needed only three outs to wrap up the City Championship once more.

The first batter was Ernie Trainor and he drew a walk. Then coach Willis Hennessey summoned his pinch hitting squad of Billy MacLean and Keith Dalziel.

MacLean, a tough man to pitch to, drew another walk and Dalziel followed with an infield single. That started the fans a-buzzing and they crowded around the playing field like flies.

"Old Reliable" Flick Landry smashed a hit into left field to score one runner and then Mert Monaghan drilled another shot into centre field to score MacLean and knot the count.

The next batter was Darky Lowe. He left the Rossmen's bench with more pats on the back than any election campaigner ever received and he responded by hitting a single behind second base and driving home Dalziel with the running run.

The winning pitcher was Wilf Shephard who has been on the mound every day since the series started and judging by his hurling must have taken a steel arm home with him from Hamilton.

Charlie Ballem started for the Lions and relieved by Art Ablem in the third. Art Ballem, the toughest hurler to solve around the City League, kept him team out front until the last inning.

The Lions went into a 6-1 lead in the third inning when they powered six runners across the plate in an uprising sparked by Dick Carroll's three run homer. The Rossmen got back in the game in their half of the third with four runs.

Once more Darky Lowe led the winners assault with three hits. Flick Landry, Mert Monaghan, Paddy Shephard, Jimmy Hughes and Hilson Carr all had two hits.

Willie Dunn and George Bradley had three hits for the Lions with each hanging out a triple. Charlie Ballem had two hits.

Paddy Shephard played a brilliant out field game for Ross Burner and Dick Carroll made some brilliant stops around second for the Lions.

## SOME TROUT

Arthur Peters of Oyster Bed Bridge brought a huge trout to the Guardian office last night. It was twenty inches long and weighed four pounds, seven and one-half ounces. He caught it in Wheatley River.

## Howard Wins Over Soares; Peanuts Defeats Urquhart

Kid Howard won the nod of the two judges and referee in a crowd-pleasing ten-round bout the feature on the fight card at Civic Stadium last night. Howard, always the aggressor and sporting a 15 pound pull in weight found Soares a very elusive target, and the lighter Boston boy put up an exhibition of defensive fighting that was a treat to watch. Most of Howard's effective punches were landed on the body, as Soares, bobbing and ducking, covered up his face and constantly moved inside Howard's heavy artillery. Soares was retreating a good part of the fight, but his counter-punching was superb and he reached the Kid's head time and again with well-placed uppercuts in the infighting. Howard's weight stood him in good stead in close, and there were times when he belted his opponent at will, but he failed to slow up the game little colored boy from south of the border. Judge W.E. MacCausland voted 50-39 Earl Smith, 48-42, and referee Bud Lund 45-42, all for the Canadian Champ.

Bud Cochran was too big and strong for Bud Ramsay in the semi-final knocking the local boy out after 2 minutes and 35 seconds of the third round with a combination under the heart. Ramsay's best round was the second when he held Cochran even in a blistering three minutes of hard punching. Cochran had a very effective left hand, and his superior reach made it difficult for Ramsay to reach him with his best punches.

"Peanuts" Arsenault won a unanimous decision from "Buzz" Urquhart in a special six-round bout that started out slow, and had the fans booing, but increased its tempo with plenty of rugged action particularly in the last three rounds. Arsenault's left was scoring repeatedly and he had a slight edge when the boys stood toe to toe and slugged it out.

The fight between Wendell Grady and Young "Peanuts" Arsenault was declared a draw.

Wilf McCluskey referred the first two fights and Bud Lund the semi-final and final. Other officials were—Announcer Bob Schurman; Timer, Eric Sheen.; Counting for the knockdowns, Norman Macdonald.

## Abbies Meet Pontiacs In Summerside This Afternoon

Today at Summerside, the Pontiacs will play host to the Charlottetown Abbies as these two smart clubs meet in the second game of their best of seven series for the Island Senior Baseball Title.

Vern Handrahan, the fast-balling young righthander, will be on the mound for the Abbies while Harris will likely be going for the Pontiacs. Handrahan has been almost untouchable so far this year, and has pitched a masterful no-hitter.

Charlie Ryan will again be calling the balls and strikes in these games with Hank Landay and Ted Strain on the bases.

The third game of this interesting series will be played here in Charlottetown on Sunday at 2.30 p.m.

The pitchers for the Sunday are not known as yet but both the Abbies and Summerside have a strong pitching staff with every man able to pitch a good game.

## No Labor Day Meet This Year

As followers of track and field events will recall, it has been the custom here for several years past to run a Maritime Invitation Meet on Labour Day. This year however there will be no meet on the holiday. This decision was reached by local officials after due consideration. Interest by competitors has only been luke warm, in fact so luke warm that all concerned felt it best to let the senior type of meet go by the boards at least for a couple of years and concentrate on more meets for the younger folk. Accordingly an effort will be made next month to start thing going, by staging and encouraging more School and High School meets. This would appear to the writer to be a sound decision and it is certainly worth hoping that things will work out to bring back this grand type of sport.

## DOWN THE BACK STRETCH

Old Home Week of 1957 will go down in the records as one of the best in racing annals, particularly in the number of horses entered and raced, and the good weather which prevailed from start to finish. During the entire week, there were only a couple of interruptions caused by showers, but the racing program was carried on in its entirety.

Joe Hennessey of Charlottetown was the leading driver; he first saw the light of day on August 19, 1925, and had therefore almost reached his 32nd birthday. Joe's total of 122 points is a new record for a driver at Old Home Week. It is made up of 16 firsts, 8 seconds, 8 thirds and 2 fourths. Runner-up was Don MacNeil of Summerside. Joe's record was helped considerably by other drivers handing over their horses to him, and he made good with them

The top trotters of the meeting, as far as record is concerned, were Ted Genesee, 2.10, and Watchim's Lassie, that started with a record of 2.12 2-5. Each of them trotted and won a dash in 2.12, and Ted Genesee won two more in 2.12 2-5 and 2.13 2-5, and Watchim's Lassie won the next two dashes in 2.13 2-5 and 2.12 2-5. So they had exactly the same aggregate for the three dashes. Convair, 2.01, stepped the fastest three miles paced during the meeting, time 2.06, 2.05-2-5 and 2.07 1-5, and these are the fastest three miles paced in the Maritimes this season.

Ted Genesee was driven by Horace Willis, Watchim's Lassie by Len O'Meara, and Convair by George Mauger. Ted Genesee is owned by George Henderson of Montreal, and is now on his way, together with stable companion, Keppoch Playgirl, 2.10 3-5, to Quebec City where he will be raced tonight by Horace Willis, who drove Ted Genesee in his winning miles at Charlottetown. Watchim's Lassie is owned by Elliott Saunders, Lexington, Mass. Convair is owned by Harry Hirsch, Sydney, N.S.

Mr. Jollscott, owned by Hill and Rogers of Charlottetown, was the winner of six dashes and took a new record of 2.12 2-5. The pacer Newpor Chief, 1.59 3-5, owned by B.C. Cruikshanks, Halifax, and driven by Buddy Cruikshanks, stepped the second fastest three miles during the week—2.09, 2.09 1-5 and 2.12 2-5.

NEW RECORDS

The following horses took new records during the meeting: Sally Volstadt, 3, 2.15 (MacNeil); Just Barbara, 2.14 1-5 (G. Willis); Eric's Peg (Burbine) 2.17 3-5; Beck Ann Call (D. MacNeil) 2.16; Donald Clegg (G. Callbeck) 2.15; Parker's Pick (Hennessey) 2.18 3-5; Jolly Mark (Furness) 2.17 2-5; Helen's Dream (Poulton) 2.14 3-5; Jolley Lad (L. O'Meara) 2.09 4-5; Colly Boy (E. Smith) 2.12 1-5; Mr. Jollscott (Hennessey) 2.12 2-5; Watchim's Lassie (O'Meara) 2.12.

Two members of the Roy Bevan Stable, Sir Joseph, 1.58 4-5, a pacer that during his racing career had won $18,578, and the big trotter Jerry A. Hanover, 2.06 1-5, that has won $60,935 during his race career, are now stabled at Sackville Downs Raceway near Halifax, where they will be campaigned by James MacGregor of this city. Roy Bevan can certainly be credited with having used excellent judgment in his race horse purchases. The five-year-old trotter, Ted Genesee, with a record of 2.10 over the Charlottetown track, has been sold for a reputed price of $6,000, and from now until the end of the season will be measuring strides with the best trotters in Quebec City, while Sir Joseph and Jerry A. Hanover will be meeting with some of the best of the Maritime brigade.

Our correspondent, C.H. McGinley of Houlton, Maine, writes that at Skowhegan Fair, Earl Semple was quite active winning with Volo Stone in 2.12 1-5, and was second with Bruce's Sister, also second with Han B. Al Langille won with B. Happy in 2.12-1-5 and was also second with Beauty Girl.

KEEPS GOING

Last Friday night at Fredericton, Slicker Tass (MacDonald) was 1-2 Sep Hanover (J Lang) 2-1, two other starters, time 2.09 4-5 and 2.07 1-5. Sep is 10 years old and the above was his best performance in two years. To date he has won over $50,000. What a hardy old boy!!!

The taking down of six drivers and substituting other drivers for them has meant a great big change in the time given out by the judges stand at Saint John, New Brunswick. Now—if a driver does the sitting-down act—he is liable to be watching the scenery. Here are the times of winners in a recent race: 1st and 8th dashes, Hal's Man (Killam) 1-2, Bonnie Banks (N. Lindon) 2-1, time 2.14 and 2.16. 2nd and 6th dashes, Dusty Zombro (Langille) 1-4, Hal's Mac (Killam) 3-1, time 2.13 and 2.11. 3rd and 7th dashes, Bay State Ellen (Lindon) 1.6, Barcena Hanover (T. Weir) 3-1, time 2.11 and 2.12.

On the cover of the latest "Horseman And Fair World" is a three-quarter page picture of Joe O'Brien driving the three-year-old trotter, Double Scotch, to victory in the $19,740 American National Stake at Sportsman's Park, Chicago, time 2.05-1-5. There were 14 starters; the track is one-half mile.

Joe was also 2-4 in the $10,000 Pace Stake for two-year-olds with Ike Frost. At Solon, Ohio, half-mile track. Joe won the Grandview Pacing Derby, purse $21,000 in 2.00 2-5 with Diamond Hal. In the American National Three-year-old pace, purse $15,794 at Chicago, Joe won the first dash in 2.04, and then Adios Express had to be retired because his right front leg bothered him. As our readers will remember, he had been in an accident a few weeks ago and is still not completely over the effects of it.

Better Hoot, a three-year-old in Joe's stable, driven by him, was second in a $5,000 Stake for three-year-old trotters. Time 2.08, and Adioway was 4-3 in the $5,000 2.17 Pace, time 2.03 4-5 and 2.02 2-5.

Scott Frost, 1.56, Harness Horse of the Year in 1955 and 1956, that has not faced the starter this season, has been doing necely in training and has been quite a number of miles in 2.06 to 2.09.

## Hockey Meeting Monday Night

A special meeting of the Island Hockey League will be held in the City Hall, Charlottetown, on Monday evening at 8.30, it was announced yesterday by League President Cleaver MacLean.

## Imported Pheasant Stock Is Cause Of Controversy

The controversy regarding the policy of releasing artifically raised pheasants in British Columbia has finally come to a head. farm-raised pheasants were first released in B. C. in the 1890's and has been continued almost continuafly up to the present—over 60 years The climax came this spring. Under the heading: "B.C. Abandons Pheasant Plant" Wildlife Review by the B.C. Game Commission gave their reasons for so doing in a lenthy article dealing wits the subject.

Some extracts are embodied as follows: The results of many studies suggest very strongly that artificial stockings are costly, uneconomical, and contribute relatively little toward improving pheasant abundance and pheasant hunting . . . . In the 5 years (1945-54) during which a special tax had been imposed upon the pheasant hunter (pheasant tags) this department bought 75,902 pheasants at a cost of $191,915.25.

"This amount was defrayed to the extent of $69,767.70 by revenue derived from the special pheasant tag sales, bp the balance of $122,147.25. required a direct expenditure of departmental funds . . . .information obtained from the hunter sample surveys for the years 1951-54 shows that the contribution of released cocks to the pheasant harvest averaged only 5.4 percent of the total annual kill . . . apart from hunting, there are numerous other factors contributing to the low rate of survival including predation, poaching, disease, accidents and the failure of the birds to adjust physically to the more rugged wild environment."

TURNED DOWN

The article also dealt with the current difficulties of producing a good quality bird etc, and concluded as follows: "In the light of the above facts, evoled from the long and intensive studies, it is felt that the releasing of artificially raised pheasants fails to produce benefits commensurate with the cost. It has, therefore, been decided that the British Columbia Game Commission will not purchase farm raised pheasants for release after the year 1957."

The pheasant controversy is continuing in Alberta. In the May issue of Fish and Game, the only Magazine devoted to outdoor life and sport in Alberia, some interesting comments were voiced in this connection. The pros and cons of re-stocking are evidently getting an airing in Fish and Game circles. "I was glad to note the strong controversy present at the convention; as long as this vigorous attitude is displayed the Alberta Fish and Game Association is not "dying on its feet", but just waking up from a short sleep".

UNPROFITABLE

In an editorial the Editor of Fish and Game has this comment "I opposed resolution No. 11 (F and G. Feb. 1957) because I believe that a pheasant hen is more efficient at the hatching and rearing of pheasants than a pheasant farm. (For substantiation of this view and announcement of B.C.'s decision to abandon release of farm-raised pheasants, see feature article in this issue. — Ed.) Several years ago Wisconsin, after spending millions of dollars releasing farm-raised pheasants, abondoned the project as unprofitable and unfeasable and concentrated on improving habitat and encouraging the planting of native foods dear to the heart of wild pheas-
