

Paquet - MacKinnon Wedding

A lovely wedding of wide spread interest in this Province was solemnized at St. Michael's Church, Corran Ban, on September 16th, at 9 a.m., when Anna Norma MacKinnon, youngest daughter of Mr. and Mrs. Joseph MacKinnon, Grand Tracade, was united in the holy bonds of matrimony with William Aubin Paquet, son of Mr. and Mrs. E. Lorenzo Paquet, Souris. Reverend Father Wood performed the ceremony and celebrated the Nuptial Mass.

The wedding march was played by Mrs. Elsie Paquet, sister-in-law of the groom, who also played the nuptial music during the ceremony. During the Nuptial Mass vocal solos were rendered by Miss Verena Paquet and Miss Jeanette Cheverle. Their selections were "O Lord I Am Not Worthy", "On This Day Oh Beautiful Mother", "Mother Dearest, Mother Fairest". The church and altar were beautifully decorated with mixed bouquets of autumn flowers, and the guests' seats were marked with white bows.

Master Melvin and Henry Paquet, brothers of the groom, were the sanctuary boys. The bride was a picture of loveliness as she entered the church in the arm of her father. She wore a floor-length gown of white net over nylon made with a fitted bodice featuring a Queen Anne waistline and long sleeves coming to a point over the hands, and bouffant skirt. The skirt was enhanced with folds of pleated nylon and tulle underskirt. Her three-quarter length veil of French tulle illusion and lace fell in graceful folds from a satin tiara. She carried a bouquet of red roses and maiden hair fern with white satin streamers in cascade. White satin streamers fell from her mother of pearl prayer book. She was attended by her sister, Mrs. A. W. Williams, as matron of honor, and Miss Lorraine Paquet, sister of the groom, as bridesmaid.

The matron of honor was dressed in a yellow floor-length gown of nylon with matching bolero. The bolero was adorned with an applique of petals which also formed a panel on the skirt front. She wore lime headdress and mitts and carried a bouquet of orange gladioli and baby breath. Miss Paquet's gown was the same as the matron of honor's in shade of light blue and she carried a bouquet of pink gladioli and baby breath. The best man was Mr. Roddie MacKinnon, brother of the bride, and the ushers were Messrs. Harold Paquet and Allan MacKinnon.

Mrs. MacKinnon chose for her daughter's wedding a suit of gray gabardine with matching accessories, and she wore a corsage of pink and yellow gladioli. The groom's mother wore a dress of burgundy with black and white accessories and a corsage of pink gladioli.

The reception took place at Sandy's banquet room. In the receiving line were the parents of the young couple. The bride's table was centered with a three-tier wedding cake topped with a miniature bride and groom. The toast to the bride was proposed by Reverend Father Wood, and was very fittingly responded to by the groom.

Following the reception at Sandy's the bridal party motored to the home of the groom's parents where a delicious buffet lunch was served. Pale pink roses centered the bride's table which was covered with a handmade lace cloth, and the tea table was covered with a linen cloth, centered with a three-tier wedding cake swathed around the base with fluted tulle and yellow rose buds.

Serving the bridal party was Mrs. Allan MacKinnon while Miss Wianona MacDonald, R. N., and Mrs. Elsie Paquet served the guests. The cake was cut in traditional manner by the bride and groom, and was cut to be served by Mrs. John B. MacKinnon. Immediately following the reception the young couple left on a honeymoon to be spent in motoring through Nova Scotia. Following away the bride chose a suit of light brown gabardine with matching accessories, and she wore a corsage of yellow roses.

Previous to her marriage many lovely showers were held in the bride's honor and the couple were the recipients of many lovely wedding gifts. Out-of-town guests present were Mrs. Walter Douglas, R.N., Miss Jeanette Gilmore, R.N., Miss Mabel Sturdy, R. N., Miss Avis Cahon, Miss Dorothy Townsend, Mrs. Lemuel Kenny, Mr. Eugene Kenny and Miss Catherine Cummins all of Charlottetown, and Miss Wianona MacDonald, R. N., Souris.

The bride is an honorary graduate of the Charlottetown Hospital School of Nursing class of 1952, and prior to her marriage was employed on the nursing staff of the Provincial Sanatorium. The happy couple will reside in Charlottetown.

Whereas the highways problem has become serious, with so many fatalities occurring more frequently every week, and appeals from the office of the Attorney General to motorists for safer and safer driving being disregarded, it is being suggested that the Government finance the addition of a number of extra men to the R. C. M. P. force, place them on motorcycles and thereby check this "driving to the common danger," and empower a J. P. in each district to deal with this vital matter.

The only service in this field on Sunday, October 19th, was carried out by the pupils of the Sabbath School in Hampton Church during the evening, under the theme: "Let Us Now Prepare to Build." The order of service prepared by the Church Board of Christian Education, was supplemented by readings, recitations, solos and choruses, under the chairmanship of Mrs. Clayton Morrison, with Mr. E. C. Holm as guest speaker. The fine rendition of each number on the program reflects

much credit to them and to Mrs. Lorne Ferguson who assumed responsibility for setting the parts and training the pupils for this service. Mrs. Mark Cameron acted as organist in her usual capable manner.

Prices being paid for potatoes and cucumbers are encouraging to growers, and will help offset prices of pork, beef and poultry, and set forth the wisdom of not putting all the eggs into one basket. It is learned that a few enterprising, energetic citizens, having completed harvesting and shipping cucumbers, and a goodly percentage of an abundant potato crop, are busy cutting pit-props for the purpose of filling contracts for these at a later date.

On Sunday morning, October 19th a special service was held in the Pleasant Valley United Church the guest speaker being Mr. Samuel Gillispie. Service opened by prayer and singing. "The Dawn of God's Dear Sabbath." The speaker delivered a challenging address based on the 26th chapter of Acts which was also read as Scripture. Mrs. Gillispie sang two solos very effectively, "Have You Counted The Cost" and "Almost Persuaded." Other hymns sung were, "God Is Ever Good" and "Take Time To Be Holy."

Jockey Seeks Damages In Blind Horse Case

TOWSON, Md., Oct. 23 (23) - Jockey Howard Hall sued for \$90,000 Tuesday, charging he was sent out to ride a blind horse.

Hall was the jockey of Chaglass at Pimlico last Oct. 31 when the horse wheeled to the left after breaking from the starting gate, bolted into another horse, struck the inside rail, and threw the jockey.

Hall charged the horse at the time had a disease which made it practically blind in both eyes. He alleges he received a number of serious injuries, including a permanently paralyzed left arm.

able than a sober driver to have an accident involving personal injury or fatality.

Small amounts of alcohol affect behaviour. An amount of 0.05 per cent, that is five parts in ten thousand, or one-two hundredth part of a pint, in the blood stream begins to affect behaviour. If the alcohol present in the blood reaches 0.15 per cent, that is fifteen parts in ten thousand, the person is definitely intoxicated. These are the figures used in parts of the world where blood tests are taken of persons involved in accidents and the results admitted as evidence in court. When the concentration of alcohol in the blood reaches 0.4 per cent, 40 parts in ten thousand, stupor, usually occurs, and if it reaches 0.5 per cent, the victim is in danger of death due to the cessation of the functioning of the body, including breathing. What saves many people from such a death is that they first become too stupefied to drink further.

In view of these facts, is alcohol your problem? Does it concern you whether the driver of the car that is approaching the one you are riding in has been drinking or not? If you are preparing to live your own life in the most efficient way possible as a member of some trade, business or profession, if you care in a sincere way about what happens to human beings, then you can hardly avoid facing up to this problem of alcohol.

For Discussion In what occupations are speed and accuracy of particular importance? Why? Questions 1. Explain what happened to Joe and why? 2. Tell why a total abstainer is able to avoid accidents that might be serious or even fatal to a drinker. Pupils 13, 14, 15 years answer question 1. Those 16 to 19 years answer both.
