Dearest Mother how we miss you
As to us you were so dear
And we still have that said heartache
For we could not keep you here.

And helps us to forget
But after seven long years
dear mother
We still remember yet.
Always remembered by Husband and family.

Just when your years were best,
You were called from the world of sorrow.

Russians Release Polish Officers

GENEVA, (AP)—The Russians have released 3,000 Polish officers, some held since 1939, Polish sources here for the Big Four foreign ministers' conference disclosed Tuesday.

The advance guard of 700 arrived two days ago in Warsaw.

Most of the 3,000 are officers who led the Warsaw uprising under Gen. Bor-Komorowski in 1944. While the Soviet armies waited outside the city, the German garrison slaughtered 200,000 Poles.

Poish circles here said Russia has acknowledged the imprisonment of the officers as a "mistake" and intends to reimburse the victims. A former colonel returned with 75,000 rubles as a direct compensation.

Is Sentenced For Theft of $35,000

STRATFORD, Ont., (CP)—Neil Dickson, 18, was sentenced Tuesday to two years definite and one indefinite in Guelph reformatory for the theft of $35,000 from a branch of the Toronto-Dominion Bank here.

Magistrate A. F. Cook criticized bank officials for "putting temptation" in the way of the young bank clerk.

Dickson was arrested by police in Nevada on a traffic offence and was returned here to face the charge.

Robs Store, Loses To Pickpocket

MONTREAL (CP)—A man surrendered to police Tuesday saying he had robbed a United cigar store on St. Catherine street Monday of $15 and later had been relieved of the loot by a pickpocket.

The man gave his name as Philippe Faubert, 32, when he surrendered to traffic officers Roger Proulx and Claude Lussier. He said he was discouraged and had been drinking before and after the robbery.

He told police he did not have a gun at the time of the holdup but had held his hand under a newspaper while demanding the money.

Henri Fondrouge, manager of the store, told police Monday that the man appeared to have a gun hidden under the paper.

Police said Faubert will be arraigned in court today on a charge of robbery with threat of violence.

Third Man Is Named In Burgess, MacLean Case

LONDON (AP)—A Labor MP Tuesday named a former British diplomat in Washington as the shadowy third man whose last-minute warning gave Soviet spies Guy Burgess and Donald Maclean time enough to escape behind the Iron Curtain.

Lt.-Col. Marcus Lipton touched off an uproar in the House of Commons by charging that Harold Philby, then first secretary of the Washington embassy, gave the tip-off just as a security net was closing in on the two foreign office diplomats.

Burgess and Maclean disappeared May 12, 1951, after British intelligence learned they had been for a long time espionage agents for the Kremlin. Both men had access to key Western secrets. Maclean was head of the foreign office's American department.

PHILBY RECALLED

Government sources said Philby served in Washington from October, 1949 to the summer of 1951 and was friendly with Burgess, who for a time was an associate on the embassy staff. Philby was recalled to London a month after Burgess and Maclean fled. He resigned from the foreign office on Sept. 18, 1951.

Philby, son of a distinguished British explorer, Harry Philby, is a free lance journalist now living near London.

Lipton hurled his acusation after Prime Minister Eden turned down his demand for a parliamentary investigation of the Burgess-Maclean affair and the government's new security regulations.

SAYS ISSUE EVADED

When Eden volleyed a crisp "No sir" at him, Lipton leaped to his feet and angrily shouted:

"Have you made up your mind to cover up at all costs the dubious activities of Mr. Harold Philby, who was first secretary of the Washington embassy until a little while ago.

"Are you determined to stifle all discussion of the very grave matters which you evaded in the wretched white paper which was an insult to the intelligence of the country."

Amid a general uproar in the crowded Commons chamber, Eden replied heatedly:

"My answer remains no. So far as the wider issues raised are concerned, the government themselves take the view that it is desirable to have a debate, an early debate, on this subject and one in which personally I as prime minister will be glad to take part."

(In Washington, diplomatic informants reported Philby was a security officer at the British embassy during his tour of duty in the United States.

Philby's responsibilities, they said, were to make sure all embassy personnel maintained the proper secrecy of vital information and papers.)

Atlantic Pact Council Approves Geneva Policy

By STANLEY PRIDDLE

PARIS (Reuters)—The Atlantic pact council Tuesday approved the Western foreign ministers' policy for Thursday's Geneva Big Four meeting, but in a day-long discussion suggested a number of minor alterations.

A NATO spokesman said Tuesday night: "It is clear some changes will be made" in the Western brief.

He said the proposed changes are in form and not in substance and concern mainly the manner of presentation of the Western case.

The NATO spokesman said U. S. State Secretary Dulles wound up the discussion. He read a message from President Eisenhower sending warm greetings to the council and declaring his continued dedication to the Atlantic pact.

STUDY SUGGESTIONS

Dulles said the ministers had made many valuable suggestions which would be taken into account by the Western Big Three in making their final preparations for the Geneva negotiations.

A NATO spokesman said that Dana Wilgress, permanent Canadian representative, gave the 15-member council its first report on External Affairs Minister Pearson's recent talks with Russian leaders during his visit to Russia.

Pearson, now touring Asia, had talks in Moscow with Foreign Minister Molotov and in the Crimea with Premier Bulganin and Communist party boss Nikita Khrushchev.

The council's approval of the Western strategy for Geneva was expected during the morning, but an afternoon session had to be held.

The Western program for Geneva covers means of reducing East-West tension, development of social, political and cultural contacts, disarmament, and a plan for simultaneous reunification of Germany through free elections along with conclusion of a European security pact.

Premier Chief Speaker At Liberal Meeting Here

Transportation problems and the recent Federal-Provincial Conference were dealt with by Premier A. W. Matheson last night in addressing the annual meeting of the Fifth District of Queens Liberal Association. The meeting was held at the Clover Club, Mr. W. R. MacNeill presiding.

The Premier expressed optimism with regard to the outcome of the Ottawa Conference and in making comparisons with previous conferences said it was the most satisfactory that has ever been held between the Dominion and the Provinces. He said it was not a "take it or leave it" proposition such as had been given to Provincial delegates on former occasions but that each Province's requirements were carefully considered and with few exceptions a general feeling of cordiality prevailed.

In making reference to the Royal Commission on Economic Prospects, Mr. Matheson said that he stressed transportation because he felt that adequate means of communication between the Island and the mainland was one of the primary needs of the Province.

Noting that the traffic thus far for the year is now higher than it was for the whole of 1954, the Premier said that something must be done in the immediate future to relieve this increase. He intimated that there were those who are delving into the possibilities of doing away with boats and handling the traffic in some other way. He did not say whether the proposal involved a bridge or a tunnel, but he did make it definite that the matter was being given careful consideration by certain interests.

Premier Matheson offered his congratulations to the two recently elected members in the Fifth District.

OTHER SPEAKERS

Mr. Neil Matheson, M. P., in a short address made reference to the extension at the Charlottetown Airport which will cost the Federal Government $112,095. He paid tribute to Hon. George Marler, Minister of Transport who he said had come up through municipal government and realized that a City the size of Charlottetown could not be expected to establish and maintain an airport such as is required here. The Federal member said he was sorry that the 7,000 foot runway could not be realized at this time, but noted that the proposed extension would be a vast improvement over the existing port.

Speaking of the acquisition of the Naval Barracks site, Mr. Matheson felt that the Province was indeed fortunate in getting a start made in this direction since it has been considered to do away with naval training in the City. He was warm in his praise for the cooperation of Lt. Commander J. N. Kenny who had worked tirelessly on behalf of the project. He estimated that the naval establishment would mean an annual payroll of $100,000, employing 35 men. Mr. Matheson predicted that the new R.C.M.P. building for Charlottetown would be started early in the New Year.

Short address were heard from Hon. B. Earle MacDonald and Mr Alex MacIsaac, members elected for Fifth Queens. Both expressed their thanks for co-operation in the last Provincial election.

The former slate of officers and executive were re-elected. They are: President, W. R. MacNeill; Vice-president, Howard Douglas; Secretary, Donald Martin; Representatives to the Provincial Executive, Simon Paoli and Benjamin Rogers; Representatives to the County Executive, Allison MacDonald, John Mustard, Picton McCormac. Executive members, Francis Campbell, Lester P O'Donnell, Peter MacEachern, Bonar Dalziel, Wilfred Michael, Frank Hughes, Representatives from the women's Liberal Association to the District Executive are Mrs. Russell Roper and Mrs. Milton Bell.

A ghost walk and games were led by Donald Moore, Ernie Roper and Howard Blaxland. This was followed by a lunch and a shadow play which was thoroughly enjoyed by all.

It was announced that the Island P.Y.P.S. fall rally would be held in Summerside Presbyterian Church on Friday, November 4th.

The meeting closed with "Blest Be The Tie That Binds."
