METHODIST PICNIC.—A beautiful spot is Battersby Park, the place selected for the Methodist Sunday School Picnic on the 7th inst.

IT WAS A CHAIR.—The accidental insertion of an "n" for an "r" in the paragraph regarding the presentation to Dr. Morrison changed the character of the gift. The article with which the rev. gentleman was presented was a chair, and not a chain as was inadvertently stated yesterday.

PICNIC.—St. Peter's Sunday School picnic at Rocky Point, Wednesday, June 30th. Refreshment table, ice cream, sports, etc. Visitors tickets including tea 25 cts., children 15 cts. The boat leaves Prince Street wharf at 2 p. m., returning at 8 p. m.

STRUCK BY LIGHTNING.—The lightning storm of Friday evening was very severe at Augustine Cove. According to the Guardian, a tree standing in front of Mr. Benjamin Webster's was struck and a piece of it hurled with great force against the house. Mr. Webster's son, Harry, who was sitting in the house was almost knocked from the chair and remained in a dazed condition for several minutes.

VICTORIA DIVISION.—At the meeting of Victoria Division last evening the following officers were elected: W. P., C. B. Warren; W. A., L. Hodgson; Rec. Sec'y., Wm. Gough; Asst. Rec. Sec'y., Rosena Clark; Fin. Sec'y., J. L. Godkin; Treas., W. P. Colwill; Chaplain, J. J. Chappell; Con., Millie Chappell; Asst. Con., A. C. Mills; I. S., Maud Crossman; O. S., T. Mills; S. J. W., Rev. W. J. Kirby; organist, Maggie Clarke.

TEA AT BRAE.—The parishioners of Brae intend holding a tea party in aid of the church on July 28th. Elaborate preparations are being made for the occasion. No more charming place for a day's outing could be selected. No doubt Rev. Father McDougall's many friends in this city will keep tab on the date and pay the West a visit on the occasion, fully assured of the fact that the same degree of completeness which characterized his msal ventures will also obtain in the tea party line. Full particulars later.

SQUALL AT GEORGETOWN.—A boat from Murray Harbor North was working in the harbor at Georgetown yesterday when a heavy squall struck her, and she upset and sank immediately. Two men who were in the boat, Mr. Horatio M. Graham and William McLaren, got hold of the topmast and held on until nearly exhausted, when Lemuel Hubert and George Campbell came upon them and saved them just as they were letting go. The men say they had a close call and could not have held on many minutes longer.

DUBLIN, June 27.—A meeting convened to bring further pressure to bear upon the British government to grant amnesty to the Irish political prisoners, now at Marlborough jail, was held in Phoenix park today. Considerable surprise was expressed that jubilee week had passed without the release which had been expected. Mr. Wm. Field, Parnellite member for the St. Patrick's division of Dublin, in the course of a fiery speech, said: "It is useless to look further to the English government. We will call upon the voices, and perhaps the arms of our countrymen in America."
