MORE HOCKEY.—The Souris Stars and the Ch'town Junior Crescents will play a game in Souris Rink to-morrow evening.

A gasoline tank used in connection with an enamelling oven exploded, blowing out the front window and throwing Mr. Frank Compton, who was working by the window, across the street. A young man named Green, who was passing the window at the time, was knocked down by the explosion, and had one of his hands cut. The building was set on fire by the explosion but the flames were extinguished before they had made any headway. Mr. Compton's hands and neck were injured by the explosion, but his injuries are not looked upon as serious.

B. I. SOCIETY.—The annual meeting of the Benevolent Irish Society was held last night. The attendance was large. DIED.

On Sunday, March 5th, 1899, at Brackley Point Road, Samuel C. Roper, aged 84.

[Funeral will leave his late residence to-morrow (Wednesday) at 2 o'clock.]

Although a very busy man, Dr. R. V. Pierce, of Buffalo, N. Y., has found time in which to write a great book of over a thousand pages entitled, *The People's Common Sense Medical Adviser*, in Plain English, or *Medicine Simplified*. Few books printed in the English language have reached so great a sale as has this popular work, over 680,000 have been sold at \$1.50 each. The profits on this enormous sale having repaid its author for the great amount of labor and money expended on its production he has now decided to give away, absolutely free, 500,000 copies of this valuable book, the recipient only being required to mail to the World's Dispensary Medical Association, Buffalo, N. Y., of which company he is president, 31 one cent stamps, to cover cost of mailing only, and the book will be sent postpaid. It is a veritable medical library, complete in one volume. It contains 1008 large pages, and over 300 illustrations, some of them in colors. The Free Edition is precisely the same as that sold at \$1.50 except only that the books are bound in strong manilla paper covers, instead of cloth. It is not often that our readers have an opportunity to obtain a valuable book on such generous terms, and we predict that few will miss availing themselves of the unusual and liberal offer to which we have called their attention.

After partaking of an excellent repast provided by the ladies of Little York, and hearty votes of thanks had been tendered both Divisions the visitors returned to Charlottetown well pleased with their excursion.

A. O. H. CONCERT.—The concert in the A. O. H. Hall last evening was one of the most enjoyable of the season. The vocalists were Miss Hettie Collings and Miss Nellie Robin, and Messrs. Brent McInnis, Mr. Belleau and Mr. P. McQuaid. They were in good voice and sang well, all having to respond to encores. The quartet by members of St. Dunstan's Glee Club was also well sung and duly encored. Little Miss McDonald danced gracefully, and her little brother played a violin solo very creditably. Both had to make their second appearance. Mr. McPherson's reading, "The Burglar Alarm," was very funny and was greatly enjoyed. Miss Carroll and the Misses Murphy played an instrumental selection which was an exceedingly pleasing feature of a good programme; and Professor Gallant, of St. Dunstan's College, played a piano solo so well that he had to give a second one. Dr. Monaghan's address dealt with religion as the foundation of a city, and was a splendid effort. Miss Stentiford, who was down for a reading, was unable to be present because of illness; and Messrs. Charles Hermans and John Sutherland, both of whom were to sing, were also unavoidably absent. Dr. Kelly, president of Division No. 1, presided, and the National Anthem brought the entertainment to a close. The attendance was large—the hall being crowded.
