**Here Are
The 16 Tints.**

Church's Alabastine comes in 16 beautiful tints and white, too—here is the tint card that all up-to-date dealers have to show you. We sell Church's Alabastine because it gives universal satisfaction to our customers. It won't peel, rub off or scale. It is recommended by eminent physicians on account of its healthfulness. It grows harder with age. It is the only permanent water color wall and ceiling coating that is made to use with cold water.

It will not fade. It can be applied over coat if you wish to change the tint. It is never sold in bulk. That which pays our customers pays us, and that is another reason why we sell Church's

ALABASTINE.

GAYS PLANTS**

Buy your Seeds from GAY and thereby take the first step towards the same success as themselves. We make a specialty of Vegetable Seeds, and we are acknowledged to be the largest growers of Vegetables on P. E. Our Seeds to be had only direct from us in the Ch'town market, or mailed or shipped to any address. Prices as low as any other firm.

Trees—We have a fine assortment of Ornamental Trees comprising Horse Chestnut, Maple, Pine, Mountain Ash, Elm, Weeping Tree, etc etc, also Gooseberry, Currant, Strawberry Plants etc. Berry boxes wholesale and retail.

Plants—We are making giant strides in this department of our business and have every facility and requirement in the shape of glass houses and extensive hot beds plants. This important branch will be advertised in detail later on.

As many flower and vegetable seeds require to be started under glass to bring them to maturity (with our short season of summer.) We believe it to the advantage of any business man, or farmer, to buy their plants from us as seeds under glass must have constant attention from competent and experienced hands to have any degree of success. Note, we devote special attention to the culture and necessary hardening off of plants before setting out in the open.

A sample of Palms, Ferns, Asparagus, Sprengerii, etc, etc, to arrive shortly.
