Mrs. Brown's Case.

TORONTO, Jan. 25.—A most interesting case has come to light here, being that of Mrs. Brown, of Agnes St., who for years has suffered from Bright's Disease, the last two of which she spent in bed. Her feet were swollen so she could not walk, and being affected with paralysis she was taken to the Toronto General Hospital, where, after undergoing a lengthened treatment which did her no good, and receiving nothing in the way of consolation save a certificate that she was incurable and a permit admitting her to the Home for Incurables. Even then she did not give up hope and tried Homoeopathic treatment, but with a little result as the other. There seemed nothing left but to go to that retreat where only those who are beyond all human aid are admitted, and there wait for death to relieve her of her sufferings. She heard of that wonderful cure of Sam Murray, of Gravenhurst, by Dodd's Kidney Pills, and she decided to try them. The first week she had finished the second box her back began to feel easier, the swelling to leave her feet, and by the third week she could walk, something she had been unable to do for two years before. Now, after taking Dodd's Kidney Pills for two months she is so completely cured that she is about to take up school teaching again, a calling she pursued before losing her health.

When Death, the great Reconciler, has come, it is never our tenderness we repent of, but our severity.—George Eliot.

Mr. Henry Thakston, Secretary Y. M. C. A., Halifax, says: "I have used Patten's Emulsion for simple and obstinate cough and general debility. In every case it has given the utmost satisfaction. I recommend it as a family medicine."

Be noble! and the nobleness that lies in other men, sleeping, but never dead, will rise in majesty to meet thine own.—James Russell Lowell.

THEY ARE SATISFACTORY.—Everybody's Pills give satisfaction to the user, and that is one reason for their large sale. Try a box. Price 25 cts.

The New York Tribune, in an editorial on the prices of coal, intimates that the combine has overbought the bounds of prudence, and that their greed may cause an outburst of popular indignation which will result in the Government regulating prices.

Major-General Sir Francis Grenfell and Major-General Kitchener both guarantee the loyalty of the Egyptian army which they command. Assuming this to be a fact, there are about 34,000 troops in the land of the Pharaoh at England's disposal.

The New York Legislature Thursday sent to the Governor a bill appropriating \$700,000 more for the "completion" of the capital building, which has already cost over \$20,000,000 and 20 years of time.

USE SKODA'S DISCOVERY, the great blood and nerve remedy.

Here Nassau, Prussian mining expert, publishes an estimate that all the coal in Europe will be exhausted in five centuries. The American supply, he says, can hardly last beyond the same period.
