## Skiing in Provincial Parks

Our parks remain open year-round and they are perfect places for winter picnics, snowshoeing and cross-country skiing. Brudenell River, Mill River and Brookvale Provincial Parks offer groomed and tracked cross-country ski trails and a rental shop at each location. Brookvale Provincial Ski Park also offers alpine skiing and has added snowmaking equipment.

## SKI REPORT

For a daily report on ski conditions in Provincial Parks, listen to Island radio stations. Several Island newspapers also carry the Ski Report.

Ski conditions are also available by calling Provincial Parks at 368-5540 (Monday to Friday), Brookvale Provincial Ski Park of 658-2925, Brudenell River Provincial Park at 652-2356 or Mill River Provincial Park at 859-2448 during operating hours.

The Ski Report describes conditions by

- (1) Base Snow
  - amount of snow coverage on trails or slopes (in centimeters)
- (2) Surface Condition
  - defined as powder, packed powder, wet snow, corn snow, etc.
- (3) Slope or Trail Condition
  - condition of the various trails or slopes, described by one of the following: All Open, Icy, Spring Conditions or Limited.
