There are many
Good Seasons
for shopping at Dominion...
but-it's mainly because of the
MEAT!

Sure it is! Ask anyone who shops at Dominion mainly because of the meat and they'll tell you what we've been telling you for some time now: that dollar for dollar the meat you buy at Dominion is your best value! Look at it this way! Dominion meat is government-inspected Red and Blue brand beef . . . guaranteed for natural tenderness, flavour and taste — or your money back! This, plus the personal service from the man behind the meat counter, who will cut and trim your purchase exactly the way your family likes it, puts Dominion 'a cut above the rest'.

After all, more Canadians shop at Dominion than at any other store mainly because of the meat! Shouldn't you be?
