

# Olympic Village Will Be Formally Opened Today

MELBOURNE (AP)—The Olympic village at Heidelberg, a Melbourne suburb, will be formally opened Monday morning by W. S. Kent-Hughes, chairman of the Olympic Games organizing committee.

Four days later the Olympic flame will be lit on the site of the first Olympic Games in 776 B.C. and will be started on its way to Melbourne. An Australian caravan of military and civilian personnel left here Wednesday to meet the torch at Cairns in northern Australia and to escort it to Melbourne.

These are the first two steps toward the opening of the Melbourne Games, Nov. 22-Dec. 8, which already have been given a stirring

sendoff by the development of two major disputes.

**PORTEST RULING**  
Spanish authorities are protesting the International Amateur Athletic Federation ruling which bars the use of the Olympics as a controversial and dangerous but distance-producing style of throwing the javelin. And early-arriving athletes from other nations have been arguing against a decision to bar the use of Olympic facilities for international training competition before the Games.

Only the swimming stadium can be used for such meets according to the final decision of the Australian committee.

"Otherwise we would be having a lot of little Olympic Games go-

ing on." Sir William Bridgford, chief executive officer of the Games explained. "Individual managers are free to make their own arrangements."

**LONG TRIP FOR TORCH**  
The deepest secret of the Olympic Games is the identity of the runner who will carry the torch throughout the Games.

The flame will be passed on from one torch to another and kept alive from the time it is lit in Greece until it reaches the cauldron in the Olympic Stadium after a 20,500 mile trip.

The trip will be the longest ever taken by the Olympic flame and the first time it will have been in the southern hemisphere.

A relay of 2,750 young Australian athletes, each running about one mile, will carry the torch—or torches—over the 2,300 miles from Cairns to Melbourne. It will not be the same torch all the way, but the flame will be passed on from one torch to another and kept alive from the time it is lit in Greece until it reaches the cauldron in the Olympic Stadium after a 20,500 mile trip.

The trip will be the longest ever taken by the Olympic flame and the first time it will have been in the southern hemisphere.

## Steelers Confirm Heavy Fines

PITTSBURGH (AP)—The Pittsburgh Steelers confirmed Friday that coach Walt Kiesling slapped probationary fines of \$100 to \$200 on at least a dozen players following the Steelers' 38-10 loss to the New York Giants last Sunday.

A spokesman for the National Football League club said Kiesling ordered the fines for what he termed "indifferent" play. The bites in the paychecks will be made if the players slow-down continues, the spokesman added. He declined to name the players.

## Japanese Team Holds Dodgers To 3-3 Draw

MITO, Japan (AP)—Brooklyn Dodgers continued to have their troubles with Japanese baseball teams Friday and settled for a 3-3 tie-inning tie with the Kanto All-Stars. An enthusiastic throng of 20,000 fans cheered their favorites in a game that was called to allow the Dodgers to catch a train for the two-hour ride to Tokyo.

The barnstorming National League champions now have played six games on the tour, with 14 more to go. They have won three, lost two and tied one.

Duke Snider lashed his second home run of the trip with Peeewe Reece on base in the fourth inning to put Brooklyn ahead 2-0. Brooklyn scored its third run in the sixth inning when Jim Gentile singled Jackie Robinson home.

The Kanto All-Stars, blanked 8-0 by the Brooks Wednesday, broke loose in the eighth inning for all their runs. Starting pitcher Don Drysdale was helled from the mound.

## Germany May Set Olympic Age Mark

FRANKFURT, Germany (AP)—Germany may be setting some kind of record for the Melbourne Olympic Games—at least until someone can challenge the official team's age stretch of 13 to 62.

Hans Lubinus, a 62-year-old physician from Kiel, and Rainer Borikowsky, a 13-year-old schoolboy from Wiesbaden, are the extremes.

Lubinus is the skipper of the yacht Tillery in the 5.5-meter class. In 1952 he won a bronze medal in the Dragon class at Helsinki.

Rainer is the coxswain for Horst Arndt and Karlheinz von Grodeck. E. U. Toppan, a rowing champion in the two-oared shells with Cox.

## NBA Lifts Kenny Lane's Suspension

DETROIT (AP)—The National Basketball Association Friday lifted its suspension of Kenny Lane of Muskegon, Mich., the fifth ranked lightweight contender.

The NBA's executive board said a disputed contract which caused Lane's suspension by the Louis-

iana State Athletic Commission was invalid. Lane was suspended because he failed to appear for a scheduled fight at New Orleans Oct. 4.

The dispute hinged on a contract signed by Lane's manager, Walter Petrosky, and Heard J. Ragas, a New Orleans fight promoter.

## Illinois In Upset Win Over Michigan State University

NEW YORK (CP)—Illinois, a vastly under-rated big 10 power, scored the upset of the season Saturday by defeating Michigan State, rated the No. 1 college team in the United States, 20-13.

The upset meant that Oklahoma 40-0 winners over a green sophomore Notre Dame team, in all probability will take over as the best ranked team in the country.

Third-ranked Georgia Tech surprised nobody by also handing Tuslane a 40-0 defeat.

Oklahoma's dazzling, dancing

split-T halfbacks proved too much for all-American Paul Hornung and his weary mates, who lost to Michigan State 47-14 last week.

The big 10 saw a second upset Saturday when Minnesota hacked Michigan 20-7, thanks to quarterback Bobby Cox, who scored two touchdowns and led the way to the third.

Elsewhere on the football horizon there were few surprises.

In the east, Syracuse crunched Boston University 21-7 and Pittsburgh took Oregon 14-7. Army bulldozed a dutiful Columbia team 60-0 and Navy ended Pennsylvania's hopes of winning two games in a row by a 54-7 shellacking.

## Uprisings Result In Cancellation Of Soccer Match

STOCKHOLM (AP)—Sweden has cancelled Sunday's soccer match against Hungary in Budapest because of the political upheaval there.

Officials of the Swedish Federation said Friday another match planned against Romania at Bucharest also has been scratched.

## Argonauts Name Trophy Candidates

TORONTO (CP)—Toronto Argonauts Friday named import half-back Dick Shatto and Canadian Bob Kunz as candidates for the Jeff Russel Memorial Trophy, awarded annually to the player judged most valuable to the Big Four Football team.

Barton Moll, a halfback from Toronto, is the team's candidate for rookie-of-the-year honors.

## Longshot, Eugenia 2nd, Wins \$50,000 Canadian Stakes

TORONTO (CP)—A rank outsider, W. A. Hanger's four-year-old Chilean-bred filly Eugenia 2nd swept past 11 rivals Saturday to win the \$50,000-added Canadian championship at New Woodbine track. The longest shot on the board, the only filly in the field returned a straight payoff of \$55.50.

She swept to the winner's purse of \$42,700 almost three lengths ahead of F. C. Hand Jr.'s Australian horse, Prince Morvi. About a length behind in the mile-and-five furlong test was Sam Tufano's Wise Margin. The mutuel's 5-2 favorite, Mrs. Ethel D. Jacob's Paper Tiger, finished fourth.

Eugenia paid \$55.50, \$20.60 and \$10.10. Prince Morvi returned \$6.90 and \$5.40 and Wise Margin \$4.70.

Champ led for almost half the distance when he apparently tired and finished well back of the pack.

The winner, trained by Horatio Luro and ridden by jockey Juan Sanchez, broke well from the gate but remained behind the early pacemakers. Eugenia 2nd responded well at the backstretch, took the lead and tossed back all challenges.

Prince Morvi, at one stage running eighth after breaking slowly, finished strongly late but never threatened to take the lead. Wise Margin threatened repeatedly but did not have the final burst of speed.

Johnny Adams, Sloan and Murphy were picked from among seven nominees of the past.

The three will join Eddie Arcaro, Earl Sande and George Woolf in having their pictures painted and displayed in the Pimlico clubhouse which was built in 1870.

Longden, who is 46, is driving for 5,000 winners after setting a record of 4,781 on Sept. 3. The previous record was held by Gordon Richards, like Longden an Englishman.

Longden has ridden in more than 25,000 races, earned more than \$16,000,000 in purses and in 1943 jockeyed Count Fleet to the triple crown of the Kentucky Derby, Preaknes and Belmont.

Murphy and Sloan both rode in the early 1900s. Murphy, a Negro, won 628 times out of 1,472 races for a 44 per centage that hasn't been excelled.

Sloan perfected the modern style of riding known as monkey-on-a-stick because of short stirrups and crouch on the horse's neck.

## Fur, Fin and Campfire

By JACK SORDS

AUTUMN IS THE SEASON WHEN EXTRA PRECAUTIONS SHOULD BE TAKEN AROUND CAMPFIRES.

CLEAR AN AREA AT LEAST FIVE FEET AROUND YOUR FIRE OF ALL FLAMMABLE MATERIAL. KEEP FILLED WATER BUCKETS NEARBY.

SPRINKLE WITH THE BACK OF THE FINGER. WHEN FLAME IS EXTINGUISHED, SPREAD SMOKING STICKS AND COALS APART AND CONTINUE SPRINKLING UNTIL FIRE IS OUT.

SPILLING A BUCKET OF WATER ON A FIRE IS NOT THE WAY TO EXTINGUISH IT.

BURIED GARBAGE

WON'T STAY BURIED LONG. ANIMALS ARE SURE TO DIG IT UP.

TO DISPOSE OF GARBAGE, BURN IT. A HEAVY MESHED WIRE SCREEN SUPPORTED BY STONES AND PLACED OVER FIRE WILL DO IT.
