To the Free and Independent Electors of the Third Electoral District of Queen's County.

GENTLEMEN.—The House of Assembly having been dissolved, I have to solicit your suffrages at the ensuing Election; and should I receive a majority of your votes, I shall endeavour to carry out those principles of Self-Government to which I have given my support for the last seven years, believing them to be the only true basis of British Constitutional Government, and thus promote the contentment and prosperity of this my native country. I have the honor to be, your obt. servt. GEORGE COLES. Charlottetown, May 31, 1858. P Jour

To the Free and Independent Electors of the Third Electoral District of Queen's County.

GENTLEMEN.—Having been twelve years a public servant, in which time I have had the honor of being elected five times by a generous constituency as a Representative of the people, I am encouraged to appeal to you for your suffrages at the ensuing general election. Into my political life I can invite the closest scrutiny; and if you believe that I have hitherto laboured assiduously to promote every measure tending to advance the best interests of the country generally, then I shall look with confidence for your independent and manly support, despite the machinations of secret and open foes. A base and undesirable manoeuvre, calculated to impose upon your understanding, by depreciating me in your estimation, and depriving me of your confidence, will, I trust, prove abortive. I am, gentlemen, your obedient servant. Flinty Glen, June 7, 1858. ROBERT MOONEY.

To the Electors of the Second District of King's County.

GENTLEMEN.—As my name has been put in nomination at several public meetings recently held in the District, and there having been large majorities in my favour at nearly every one of them, I cannot refuse to comply with what appears to be so generally the wish of my late constituents, and I shall therefore present myself as a candidate for your suffrages. My long tried attachment to sound liberal principles, and the consistency and zeal with which I have endeavoured to advocate them during the last four years, constitute my strongest claim to your favourable consideration; and I feel that I am indebted for the honorable mention of my name on the late occasions to your warm approval of my public conduct during the period I have served you. Should I be returned to the new House of Assembly, I will endeavour to pursue the same straightforward and independent course which I did in the last one, and believing that further pledge or promise is not required, I remain, gentlemen, your obt. servt. Little River, May 22, 1858. JOSEPH DINGWELL.

To the Electors of the Second District of Queen's County.

FRIENDS AND FELLOW COLONISTS.—Having been nominated in conjunction with Mr. W. S. McNeill, of Rustico, a Candidate for the representation of your District, at several Public Meetings recently held for that purpose, I am induced by the very handsome support proffered to me at those meetings, and by the encouragement which I have personally received from many of you, to accede to your wishes. My desires and aims are, as they have ever been, in honesty of purpose to advocate such sound measures of political reform, and of local improvement, as are in my judgment calculated to benefit this Island. Electors, I am a Native of your District—having every feeling inseparably connected with my own—of representing you in the General Assembly of this Colony, I shall, by every constitutional means, strenuously endeavor to ameliorate the condition of the Tenantry, and labor to promote not only your prosperity, but the welfare of the Colony in general. Relying, therefore, on your public spirit and private integrity for your independent support at the hustings, I am, Gentlemen, your faithful servant. ARCHIBALD McNEILL. Charlottetown, 17th May, 1858.

A new, speedy, and most successful mode of treating Spermatorrhoea, Nervous Debility, and all Urino-Genital Diseases.

SEVENTY ENGRAVINGS. Price 1s. through all Booksellers, or post free from the Author for 14 postage stamps. THE MEDICAL ADVISER on decay, both mental and physical, arising from excess, infection, climate, &c.; remarks on the use of the Microscope, and the detection of certain quacks to alarm the too sensitive observations on Marriage, the prevention and removal of certain disqualifications, British rules for self-treatment, &c. WALTER DE ROOS, M.D., of the Ecole de Medicine, Paris; Member of the Royal College of Surgeons, London; Licentiate in Midwifery, &c., &c., 45, 10, Berners-street, Oxford-street, London. Hours for personal consultation daily from 11 till 4, Sunday excepted.

Sold in Dublin by Berry, 162, Great Britain street; Edinburgh, Robinson, 11, Green-side-st.; Glasgow, Love, Book-seller, and by all the Agents. From long practical observation in the treatment of the various Institutions of London and Paris for these diseases referred to in the above work, the Author has had somewhat unusual facilities for acquiring that accuracy of diagnosis, and uniform success, which have characterized his practice for so many years in this country, in which the lamentable neglect of these diseases by medical men generally, and their futile attempts to cure by mercury, opium, sarsaparilla, &c., have produced most distressing results. He is enabled, therefore, not only to be reasonably expected in the hands of the legally qualified medical man who devotes his chief attention to their removal; and to him only who can show his possession of the necessary qualifications, can confidence be safely extended. Dr. De R. refers with pride to the numbers he has been instrumental in restoring to health and happiness; and to those who may be in need of such aid, he offers every assurance of speedy restoration. Persons residing abroad can be successfully treated by correspondence, on sending a full detail of their case, with a Bank Note, or Bill on a London Bank, for £5, in order to have a packet of medicines sufficient to meet the exigencies of the case sent out by next mail; thus avoiding unnecessary loss of valuable time, and much suffering which might otherwise occur.

THE GREAT EUROPEAN REMEDY FOR NERVOUSNESS, RELAXATION AND EXHAUSTION.

Protected by Royal Letters Patent of England, and sanctioned by all the great Continental Colleges of Medicine. DR. DE ROOS' GUTTE VITAE, or LIFE DROPS, are the great remedy for Spermatorrhoea, Exhaustion, Nervousness, Debility, Aversion to and Incapacity for Society, Study or Business, Choking of the Hands and Limbs, Indigestion, Flatulence, Shortness of Breath, Asthma, Consumptive Habits, Disordered Stomach, Pains in the Head, Eruptions, Sore Throat, Pains in the Bones, and all those diseases for which mercury, sarsaparilla, &c., are too often employed, to the utter destruction of health. Their almost marvellous powers must be felt to be believed. Hundreds of apparently hopeless cases have been cured, and thousands almost miraculously relieved, when every thing else had failed, and they must sooner or later supersede all those questionable remedies which have hitherto been the sole reliance of English medical men.

Price 11s. and four times the quantity at 33s. per bottle, of the Agents below. The 15 packages containing twelve 11s quantities, (by which £1 12s are saved,) will be sent from the establishment only, on receipt of the amount per draft on a London house or otherwise.

CAUTION.—Sufferers must guard against the recommendation of spurious or other medicines by unprincipled vendors, who thereby obtain a larger profit. The words "WALTER DE ROOS, LONDON" are printed in White Letters on the Stamp affixed to the above, by order of Her Majesty's Honourable Commissioners, to protect the public against fraud, as without this none can be genuine, and to imitate which is felony.

PAINS IN THE BACK, GRAVEL, LUMBAGO, RHEUMATISM, GOUT, DISEASE OF THE KIDNEYS AND BLADDER, STRICTURE, &c.

DR. DE ROOS' COMPOUND RENAL PILLS are a well known and a speedy remedy for the above dangerous complaints, Discharges and Diseases of the Kidneys and Urinary Organs generally. Possessing tonic properties, they agree with the most delicate stomach, improve the health, and in three days effect a cure when opium, cubeb, and all such dangerous medicines have utterly failed. 2s 9d, 4s 6d, 11s and 33s per box, of the Agents below, or post free on receipt of the amount by Dr. DE ROOS, 10, Berners-street, Oxford-street, London.

The superiority of these celebrated Pills over every thing of the kind is universally acknowledged, and the extraordinary demand for them is many years ago, from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief.

Many there are who, from natural diffidence, or fear of discovery, would silently bear their afflictions rather than apply for aid to those from whom they may reasonably expect relief. The superior may, without the knowledge of a second person, cure himself speedily, privately, and at the least possible expense.

No such word as Fail. A resistless Remedy.

HOLLOWAY'S OINTMENT.

CIRCULAR TO THE SICK. The first hospital surgeons and medical publicists of Europe, admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidence of disease, and neutralize the fiery elements which teed and exasperate the malady.

These are among the most terrible and agonizing diseases, yet in their worst forms, and when seemingly incurable they invariably disappear under a persevering application of this soothing, healing, antidote to pain and inflammation.

KING'S EVIL, FEVER SORES, STIFF JOINTS.

In cases of King's Evil where medicinal waters, lotions, and every recipe of the phlegmatic and the profligate have failed, this Ointment will accomplish a thorough cure. Fever sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS.

A most remarkable and happy change is produced in the appearance of malignant ulcers, after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged and necrotic process, and in more or less rapidly, until the orifice is filled up with sound material and the ulcer radically cured.

A WORD TO MOTHERS.

The young are the most frequent sufferers from external injuries and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore throats, and quickly removes the excruciating sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS.

This Ointment is universally used on board the Atlantic and Pacific whaling fleets as a cure for scrofulic affections, and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

ULCERS, SORES, AND TUMORS.

The effect of this unrivalled external remedy upon Scrofula, and other virulent ulcers and sores, is almost marvellous. It first discharges the poison which produces suppuration and proud flesh, and thus the cure which its healing properties afterwards complete are safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS.

In cases of the fracture of the bone, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. The marvellous remedy has been introduced by its inventor in person into all the leading Hospitals in Europe, and no private household should be without it. Both the Ointment and Pills should be used in the following cases—

Table with 4 columns: Bad legs, Bad Breasts, Burns, Bunions, Bite of Mosquitoes and Sand Flies, Coco-bay, Chicago foot, Chilblains, Chapped hands, Corns (soft), Cancers, Contracted and Stiff Joints, Elephantiasis, Fistulas, Gout, Glandular Swellings, Lumbago, Piles, Rheumatism, Scalds, Sore Nipples, Skin eruptions, Skin disease, Scrofula, Sore-heads, Tumours, Ulcers, Wounds, Yaws.

Sold at the Establishments of Professor Holloway, 244, Strand, (near Temple Bar,) London, and 60, Maiden Lane, New York, & by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s 3d, 3s 3d, and 5s each Pot. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

The Examiner published every Monday by EDWARD WHELAN, at his office, Hillsborough-street, near King's-square. Price—15s. per annum, payable half yearly in advance.
