IN THE HOUSE OF ASSEMBLY.

FEBRUARY 11, 1854.

RESOLVED, That no Petition praying aid for Roads, Bridges or Wharfs, or for any object of a local or private nature, be received after Friday the Tenth day of March next.

ORDERED, That the foregoing Resolution be inserted in all the Newspapers published in Charlottetown.

JOHN M'NEILL, Clerk H. A.

TO THE HON. T. H. HAVILAND.

Sir,—A vacancy having occurred in the House of Assembly in the representation of Princetown and Royalty, by the lamented death of our late Member James M'Kay, Esquire. We, the undersigned Electors of said Town and Royalty, most respectfully request, that you will permit yourself to be put in nomination to supply the said vacancy—as from the knowledge we possess of your public and private character, and from the high official position which you so long and so honorably filled in this Island, we have full confidence that in the event of your being elected as our Representative, the interests of Princetown and Royalty would receive your honest support and attention. (Here followeth the Signatures of Sixty Electors.)

To George Ramsay, Esquire, and other Electors of Princetown and Royalty.

GENTLEMEN:

I have had the honor to receive your numerously signed Requisition, to permit myself to be put in Nomination as a Candidate,to supply the vacancy in the House of Assembly, occasioned by the lamented death of your late Member, James McKay, Esquire.

The confidence which you are pleased to express in my integrity, arising from your knowledge of my public and private character, and your approval of my official conduct, would, under any circumstances, be highly appreciated by me; but, at this moment, they are peculiarly gratifying, as affording a satisfactory proof that the unscrupulous attempts of my enemies, to injure the one, and to impeach the other, on my late retirement from Office, have signally failed.

Until I received your Requisition, I had no intention again to take a prominent part in the public affairs of the Island; but, from the flattering manner in which you express a wish to avail yourselves of my services, as one of your Representatives in the House of Assembly, I willingly accede to your request, to be put in Nomination, as a candidate at the approaching Election; and should I be returned, my best exertions shall be devoted to the advancement of the general prosperity of the Island, and to the local interests of Princetown and Royalty.

I have the honor to be,

Gentlemen,

your friend and fellow Colonist

T. H. HAVILAND.

LIVER COMPLAINT,

DYSPEPSIA, JAUNDICE, CHRONIC OR NERVOUS DEBILITY, DISEASE OF THE KIDNEYS, AND ALL DISEASES ARISING FROM A DISORDERED LIVER OR STOMACH;

Such as Constipation, inward Piles, Fulness of Blood to the Head, Acidity of the Stomach, Nausea, Heartburn, Disgust for food, Fulness or Weight in the Stomach, Sour Eructations, Sinking or Fluttering at the Pit of the Stomach, Swimming of the Head, Hurried and Difficult Breathing, Fluttering at the Heart, Choking or Suffocating Sensations when in a lying posture, Dimness of Vision, Dots or Webs before the sight, Fever and Dull Pain in the Head, Deficiency of Perspiration, Yellowness of the Skin & Eyes, Pain in the Side, Back, Chest, Limbs, &c., Sudden Flushes of Heat, Burning in the Flesh, Constant Imaginings of evil, and Great Depression of Spirits, can be effectually cured by

DR. HOOFLAND'S CELEBRATED GERMAN BITTERS.

Prepared by DR. C. M. JACKSON, *No. 120 Arch street, Philadelphia.*

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures attest, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of invalids. Possessing great virtues in the rectification of diseases of the Liver and lesser glands, exercising the most searching powers in weakness and affections of the digestive organs, they are, withal, safe, certain and pleasant.

Read and be Convinced.

The "Philadelphia Saturday Gazette," says of Dr. Hoofland's German Bitters.

"It is seldom that we recommend what are termed Patent Medicines, as we confine our paper to some of our readers; and therefore when we recommend Dr. Hoofland's German Bitters, we wish it to be distinctly understood that we are not speaking of the nostrums of the day, that are noised about for a brief period and then forgotten after they have done their guilty race of mischief, but of a medicine long established, universally prized, and which has met the hearty approval of the faculty itself."

"Scott's Weekly," said, Aug. 25—

"Dr. Hoofland's German Bitters, manufactured by Dr. Jackson, are now recommended by some of the most prominent members of the faculty as an article of much efficacy in cases of female weakness. Persons of debilitated constitution will find these Bitters advantageous in their health, as we know from experience the salutary effect they have upon a weak system."

MORE EVIDENCE.

J. G. Moore, Esq., of the Daily News said, October 31st:—

"DR. HOOFLAND'S GERMAN BITTERS.—We are trying this renowned medicine for a stubborn disease of the bowels, and can with truth testify to its efficacy. We have taken the contents of two bottles, and we have derived more benefit from the experiment than we derived previously from years of allopathic treatment at the hands of our first physicians."

"HOOFLAND'S GERMAN BITTERS.—We have seen many flattering notices of this medicine, and the source from which they came induced us to make inquiry respecting its merits. The result is, that we were persuaded to use it, and must say we found it specific in its action upon diseases of the liver and digestive organ, and the powerful influence it exerts upon nervous action, as well as upon muscular fibre, calms and strengthens the nerves, bringing them into a state of repose, making sleep refreshing.

If this medicine were more generally used, we are satisfied there would be less sickness, as from the stomach, liver and nervous system, the great majority of real and imaginary diseases emanate. Have been in a healthy condition ever since we did defiance to epidemics generally. This extraordinary medicine we would advise our friends who are at all indisposed, to give a trial—it will recommend itself. It should, in fact, be in every family. No other medicine can be for sale wholesale and retail at

produce evidences of the same merit."

THE GERMAN MEDICINE STORE,

No. 120 Arch street, next door below Sixth, Philadelphia, and by respectable dealers generally throughout the country.

In this mammoth worshipping Age, it is rare to find a man place his usefulness to the public, before his interest. During a late visit to the 'City of Spindles,' we were presented by a professional friend, to the celebrated Chemist, Dr. J. C. AYER, whose name is now perhaps, more familiar than any other, at the bedside of sickness, in this country. Knowing the unprecedent popularity of his medicines, and the immense sale of them, we had expected to find him a millionaire, and rolling in wealth. But no, we found him in his laboratory with his Apothecaries, among his crucibles, alembics, and retorts—giving his then personal care to the compounds, on the virtues of which, thousands hang for health. We learned, that notwithstanding the immense sales, and prompt returns in cash, the Doctor is not rich. The reason assigned is, that the material is costly, and he persists in making the best medicine possible, even if that the nett profit is small.—*American Farmer, Phil.*

An experienced Nurse and Female Physician, presents to the attention of Mothers, her

SOOTHING SYRUP,

For Children Teething.

For the Nervous Affections, Convulsions, Fever, Inflammation of the Bowels, &c. that attend this period of children, she recommends it as sure to produce the desired effect, giving *Rest to the Mother, and Relief and Health to the Infant.*

A child in Congress-Street was cured by the Soothing Syrup of Cholnile Dysentery or Diarrhœa after being given over by the attending Physician.

Mr. Blackman, of Eddington says, it has *never failed to cure* the Dysentery or Diarrhœa in children whenever used in the vicinity of Bath, if it is sold.

One parent informs me his child has suffered to an alarming extent, with Flatulence or Wind Chelic. Lately they have used the Soothing Syrup, and it always effects a *speedy cure.*

Hundreds of like instances might be enumerated.

PROOF POSITIVE.

Messrs. CURTIS & PERKINS:—Please send us a further supply of Soothing Syrup. We are selling large quantities of it, and from what we can learn, it is used with *uniform success*, both by children and adults, in all cases of Dysentry or Diarrhœa.

We cheerfully comply with the request of a friend to insert the following letter which we are assured is from a lady of the first respectability, residing in Lowell, Mass., believing that a vast amount of suffering may be consequently, and many valuable lives saved, by calling the attention of mothers to this valuable prescription of an old and experienced nurse:

Dear Sir:—I am happy to be able to certify to the efficiency of Mr. Winslow's Soothing Syrup, and to the truth of what it is represented to accomplish. Having a little boy suffering greatly from teething, who could not rest, and at night by his cries would not permit any of the family to do so, I purchased a bottle of Soothing Syrup, in order to test the remedy, —and when given to the boy according to the directions, its effect upon him was like magic, he soon went to sleep, and in a few hours the operation disappeared. We have had no trouble with him since; and the little fellow will pass through with comfort, the excruciating process of teething, by the sole aid of Mrs. Winslow's Soothing Syrup. Every mother who regards the health and life of her children, should possess it.

Hunter's Balsam. It is not often that we can say anything favorable of patent medicines, on the testimony of those with whom we are acquainted, who have used and tested their merits. But in regard to Hunter's Balsam, put up by our fellow citizen, Benjamin Pomroy, we can from the testimony of many of our own citizens and those of neighbouring towns, unanimous in its praise. The testimony of one individual with whom the public are acquainted, carries with it more weight than the whole columns of certificates from strangers, whose faces we never saw, and whose certificates, for aught we know, may have been written by the Doctor.
