

Charlottetown Abbies Win N.B.-P.E.I. Championship

The Charlottetown Abbies won the New Brunswick-Prince Edward Island Junior "A" Hockey Championship last night at the Sports Arena when they defeated the Campbellton Tigers 3-1, in a close hard-checking game.

The Abbies were led by the line of Billy Mulligan, Vince Mulligan and Freddie Burke with each player scoring a goal.

Burke, and Billy Mulligan each picked up an assist. Payne scored the Tigers' only goal late in the second period.

The Abbies opened the scoring early in the first period with Vince Mulligan slapping in Burke's rebound. Billy Mulligan passed the puck out from behind the net to Burke who took a hard shot at Picard in the Campbellton nets, the shot was kicked out but Vince Mulligan was waiting at the side of the net to poke the puck home.

George "Butch" Ward, played stand-out hockey in the first period for the Abbies although the tight defence kept the Campbellton players at a distance.

In the second period, both teams pressed at various times but the Tigers tied up the game about three-quarters of the way through the period. Payne who played great hockey for the

Tigers in Tuesday's game got credit for the tally. His long back-hand shot went between Ward's legs into the net.

The Abbies forced the play through most of the remaining minutes of play and came close to scoring on a few occasions.

The Abbies really went to town in the third period outscoring the visiting Tigers 2-0. Billy Mulligan and Freddie Burke showed the way for the Abbies each picking up an unassisted goal.

Mulligan's tally came early in the period, he was skating down the right side and got by the Campbellton defence only to fall on the ice, just as he was about to shoot.

However, the puck rolled off his stick and slid under Picard who was just coming out of his net to stop the rushing Mulligan.

The Abbies continued to press around the Campbellton net and time and time again Picard pulled off some great saves.

Freddie Burke put the Abbies two goals up late in the period when his soft backhand shot got by the Campbellton net-minder.

There was only three minutes left in the game as the Tigers started to rush again, but the tight defence used by the Abbies

side-tracked the Campbellton players over and over again.

The Abbies will now advance against the Nova Scotia winners for the Maritime Championship.

Yanks Held To Only 1 Single

Rain made a shambles of Wednesday's exhibition baseball schedule but not before New York Yankees went down to another defeat.

The elements washed out four games and shortened two others. St. Louis Cards handed the Yanks their fourth setback in five starts 6-0 in a six-inning contest. Chicago White Sox whipped Pittsburgh Pirates 5-2 in seven innings.

In the only full-length games, Cincinnati Redlegs edged Detroit Tigers 9-7 and Los Angeles Dodgers nipped Milwaukee Braves 4-3.

Washed out were Baltimore and San Francisco at Phoenix, Ariz., Washington and Boston at

Sarasota, Fla., Cleveland and Chicago Cubs at Mesa, Ariz., and Kansas City and Philadelphia at Clearwater, Fla.

Parkdale Flyers Defeat S' Side

The Parkdale Flyers outclassed the Intermediate Aces at Civic Stadium last night, drubbing them by a score of 11-1, in the first game of a best-of-five series for the Island Intermediate "A" Championship. The home boys, apparently a bit tired from the previous night's hard struggle with the West Prince All-Stars, were never in the picture against the classy Charlottetown outfit.

Lucile Wheeler Gets Big Parade

MONTREAL, (CP) — Lucile Elizabeth Wheeler came back home Wednesday to a seemingly endless round of official receptions, monster parade and press conference that she finds more formidable than winning the first world skiing championship for Canada.

Scarcely had the 23-year-old girl from St. Jovite, Que., left a transatlantic plane at Dorval airport and greeted her family than the busy program and acclaim started.

Lucile set out on it calmly, with the same easy grace she showed little more than a month ago when she flew down the slopes at Bad Gastein in Austria and won the world downhill and giant slalom titles.

She will have scarcely any time to herself until Saturday. That night, as an avid hockey fan, she will see Chicago Black Hawks and Montreal Canadiens

play a National Hockey League game.

TAKES TECHNIQUE
There was an official welcome at the airport and a brief press conference. Several hours later at a downtown hotel Lucile faced newspaper men, photographers and equipment - burdened radio men at a press conference of more than an hour.

Unassuming and smiling, Lucile answered questions with forthright directness. She obviously preferred to talk more about skiing in general than about Lucile.

"Skiing now a days requires technique, not so much courage and daring," she said.

"It is difficult to reach peak condition at the right time. It takes a lot of thinking and training. Pepi Salvamoser, our Austrian coach, saw that I reached my peak at the time of the championships."

PLANS UNCERTAIN
As to her skiing plans for the future — particularly international competition — Lucile said she doesn't know yet. When she left home for Europe, winning of the world championship was her only thought.

"Probably when the snow flies I'll be at it again. If I stay in competition I'll have to return to Europe."

When the press conference ended Lucile had only half an hour to get ready for the big parade. It started from the hotel and took 1½ hours over the mid-town route, including a stop at the city hall and a reception in Mayor Sarto Fournier's office.

Today's schedule calls for a visit to four Montreal hospitals, and a private reception early in the evening for Lucile and her family followed by a civic banquet.

Dunlops Beat Swiss 8-3

BASEL, Switzerland (AP) — Canada's world champion hockey team from Whitty beat Switzerland 8-3 in an international match here Wednesday night. Period scores were 2-1, 4-1, 2-1.

At one time in the third period, Canada had two men in the penalty box for more than one minute but the Swiss team was unable to set up an organized attack.

Frank Bonello and Jack McKenzie each scored twice to lead the Canadians, who now have won 22 consecutive games — including seven in the world championships — since arriving in Europe Feb. 4.

Rocket Richard Gets Two Goals

TORONTO, (CP) — Maurice (Rocket) Richard, the man with the golden scoring touch, fired two goals Wednesday night in leading Montreal Canadiens to a 5-3 National Hockey League victory over the stumbling Toronto Maple Leafs.

The 36-year-old rightwinger, who returned two weeks ago after a long layoff with a cut achilles tendon, produced the first two Montreal goals as the league-leading Canadiens overpowered Leafs with their class.

The Rocket ran his goal output in a glittering career to 508 in regular season play.

Chadwick 6 10 17-33
CHICAGO (AP) — Dave Creighton scored all three New York goals as the Rangers defeated Chicago Black Hawks 3-2 Wednesday night in Chicago Stadium.

Creighton put the second-place Rangers ahead with his 12th goal of the season midway in the opening period when he slapped a shot from the side of Chicago goal that bounced in off net-minder Glenn Hall's skates.

Black Hawk rookie Bobby Hull tied the score two minutes later, tipping in a shot by Lorne Ferguson past Ranger goalie Lorne Worsley.

Leafs Willing To Trade Everyone But Mahovlich

TORONTO (CP) — Toronto Maple Leafs say all their National Hockey League players except outstanding rookie Frank Mahovlich are expendable. But it doesn't necessarily mean a wholesale shakeup.

Acting Leaf manager Stafford Smythe said Wednesday that aside from big Frank, who has scored 20 goals and 15 assists this season, he's prepared to offer any man on the club in exchange for the workmen he wants.

That's fairly bait, even for a fifth-place team. Some clubs have expressed interest in such Leafs as left-winger Dick Duff and centre George Armstrong.

Two of the expendables are 20-goal men. Duff, in this third full season with Leafs, has 25 goals and 20 assists this campaign. Centre Brian Cullen has 20 goals and 22 assists. Armstrong, Leaf team captain, has 13 goals and 24 assists.

The price for Duff and Armstrong would be high. What is Smythe after?

WANT ALL-STAR
"First of all, we're after an all-

Leafs Willing To Trade Everyone But Mahovlich

star, regardless of position. Centre Andy Bathgate is the only difference between us and New York Rangers.

"every time Detroit Red Wings beat us, it's either (goalies) Terry Sawchuk or Gordie Howe who does it. And even Ted Lindsay had been giving Chicago Black Hawks the edge on us."

"And don't laugh. Detroit traded two all-stars last year. They're always available for the right sort of deal."

Smythe said he isn't planning a giant breakup of the club. He has to be for somebody because he doesn't want back. Naturally, he wouldn't name him.

"I want to add to what I've got. If I replace anybody who have to be for somebody because I would go for a 3-for-1 deal if the one were better than anything I've got."
